B. The Division of Legislative Services shall maintain the current election district and precinct boundaries of each county and city as a part of the Commission's computer-assisted mapping and redistricting system. Whenever a county or city governing body adopts an ordinance that changes an election district or precinct boundary, the local governing body shall provide a copy of its ordinance, along with Geographic Information System (GIS) maps and other evidence documenting the boundary, to the Division of Legislative Services.

C. The Division of Legislative Services shall prepare and maintain a written description of the boundaries for the congressional, senatorial, and House of Delegates districts set out in Article 2 (§ 24.2-302 et seq.) of Chapter 3 of Title 24.2. The descriptions shall identify each district boundary, insofar as practicable, by reference to political subdivision boundaries or to physical features such as named roads and streets. The Division of Legislative Services shall furnish to each general registrar the descriptions for the districts dividing his county or city. The provisions of Article 2 of Chapter 3 of Title 24.2, including the statistical reports referred to in Article 2 of Chapter 3 of Title 24.2, shall be controlling in any legal determination of a district boundary.

**§ 30-381. Public participation in redistricting process.**

A. All meetings and hearings held by the Commission shall be adequately advertised and planned to ensure the public is able to attend and participate fully. Meetings and hearings shall be advertised in multiple languages as practicable and appropriate. Meetings shall be video recorded and transcribed, and archived videos and transcripts of all meetings shall be available on the Commission's website.

B. The Commission shall hold a series of at least three public hearings in different regions of the Commonwealth to gather information and receive public comment on the upcoming decennial redistricting process. These public hearings shall be conducted prior to February 1 of the year ending in one, and the information gathered and public comment received shall be taken into consideration by the Commission when drawing plans for districts for the United States House of Representatives, the Senate, and the House of Delegates.

C. Prior to voting to submit any plan to the General Assembly, the Commission shall hold at least three public hearings in different parts of the Commonwealth in order to receive and consider comments from the public on the proposed plan.

D. The Commission shall establish and maintain a website or other equivalent electronic platform. The website shall be available to the general public and shall be used to disseminate information about the Commission's activities. The website shall be capable of receiving comments and proposals by citizens of the Commonwealth. Prior to voting to submit any plan, the Commission shall publish the proposed plan on the website.

E. All data used by the Commission in the drawing of districts shall be available to the public on its website. Such data, including census data, precinct maps, election results, and shapefiles, shall be posted within three days of receipt by the Commission.

**§ 30-382. Standards and criteria for congressional and legislative districts.**

Every congressional and state legislative district shall be constituted so as to adhere to the following criteria:

1. Districts shall be so constituted as to give, as nearly as is practicable, representation in proportion to the population of the district. A deviation of no more than five percent shall be permitted for state legislative districts.

2. Districts shall be drawn in accordance with the requirements of the Constitution of the United States, including the Equal Protection Clause of the Fourteenth Amendment, and the Constitution of Virginia; federal and state laws, including the federal Voting Rights Act of 1965, as amended; and relevant judicial decisions relating to racial and ethnic fairness.

429 3. No district shall be drawn that results in a denial or abridgement of the right of any citizen to  
430 vote on account of race or color or membership in a language minority group. No district shall be  
431 drawn that results in a denial or abridgement of the rights of any racial or language minority group to  
432 participate in the political process and to elect representatives of their choice. A violation of this  
433 subdivision is established if, on the basis of the totality of the circumstances, it is shown that districts  
434 were drawn in such a way that members of a racial or language minority group are dispersed into  
435 districts in which they constitute an ineffective minority of voters or are concentrated into districts  
436 where they constitute an excessive majority. The extent to which members of a racial or language  
437 minority group have been elected to office in the state or the political subdivision is one circumstance  
438 that may be considered. Nothing in this subdivision shall establish a right to have members of a racial  
439 or language minority group elected in numbers equal to their proportion in the population.

440 4. Districts shall be drawn to give racial and language minorities an equal opportunity to participate  
441 in the political process and shall not dilute or diminish their ability to elect candidates of choice either  
442 alone or in coalition with others.

443 5. Districts shall be drawn to preserve communities of interest. For purposes of this subdivision, a  
444 "community of interest" means a neighborhood or any geographically defined group of people living in  
445 an area who share similar social, cultural, and economic interests. A "community of interest" does not  
446 include a community based upon political affiliation or relationship with a political party, elected  
447 official, or candidate for office.

448 6. Districts shall be composed of contiguous territory, with no district contiguous only by  
449 connections by water running downstream or upriver, and political boundaries may be considered.

450 7. Districts shall be composed of compact territory and shall be drawn employing one or more  
451 standard numerical measures of individual and average district compactness, both statewide and district  
452 by district.

453 8. A map of districts shall not, when considered on a statewide basis, unduly favor or disfavor any  
454 political party.

455 9. The whole number of persons reported in the most recent federal decennial census by the United  
456 States Bureau of the Census shall be the basis for determining district populations, except that no  
457 person shall be deemed to have gained or lost a residence by reason of conviction and incarceration in  
458 a federal, state, or local correctional facility. Persons incarcerated in a federal, state, or local  
459 correctional facility shall be counted in the locality of their address at the time of incarceration, and the  
460 Division of Legislative Services shall adjust the census data pursuant to § 30-383 for this purpose.

461 **§ 30-383. Population data; reallocation of prison populations.**

462 A. Persons incarcerated in federal correctional facilities and in state and local correctional facilities,  
463 as those terms are defined in § 53.1-1, shall be counted and reallocated for redistricting and  
464 reapportionment purposes in accordance with the provisions of this section and the following:

465 1. A person incarcerated in a federal, state, or local correctional facility whose address at the time  
466 of incarceration was located within the Commonwealth shall be deemed to reside at such address.

467 2. A person incarcerated in a federal, state, or local correctional facility whose address at the time  
468 of incarceration was located outside of the Commonwealth or whose address at the time of  
469 incarceration cannot be determined shall be deemed to reside at the location of the facility in which he  
470 is incarcerated.

471 B. By July 1 of any year in which the decennial census is taken, the Department of Corrections and  
472 the Board of Corrections shall provide to the Division of Legislative Services, in a format specified by  
473 the Division of Legislative Services, the following information for each person who was incarcerated in  
474 a state or local correctional facility on April 1 of that year:

475 1. A unique identifier, other than his name or offender identification number, assigned by the  
476 Department of Corrections or the Board of Corrections for this purpose;

477 2. His residential street address at the time of incarceration, or other legal residence, if known;

478 3. His race, his ethnicity as identified by him, and whether he is 18 years of age or older; and

479 4. The street address of the correctional facility in which he was incarcerated on April 1 of that  
480 year.

481 C. The Division of Legislative Services shall request each agency operating a federal correctional  
482 facility in the Commonwealth that incarcerates persons convicted of a criminal offense to provide to the  
483 Division of Legislative Services by July 1 of any year in which the decennial census is taken a record  
484 containing the information specified in subsection B for each person who was incarcerated in the  
485 facility on April 1 of that year. Any person incarcerated in a federal correctional facility for whom a  
486 record is not received by the Division of Legislative Services shall be deemed to have an address at the  
487 time of incarceration that cannot be determined.

488 D. The Division of Legislative Services shall prepare adjusted population data, including race and  
489 ethnicity data, in a manner that reflects the inclusion of incarcerated persons in the population count of  
490 the locality in which he is deemed to reside pursuant to subdivision A 1 or 2.

This adjusted population data shall be used for purposes of redistricting and reapportionment and shall be the basis for congressional, state Senate, House of Delegates, and local government election districts. This adjusted population data shall not be used in the distribution of any federal or state aid.

E. The Commission shall make the adjusted population data available no later than 30 days following receipt of the census data. In making this data available, the Commission shall ensure no information regarding a specific incarcerated person's address at the time of incarceration is made public.

**§ 30-384. Proposal and submission of plans for districts.**

Not later than April 15 of the year ending in one, the Commission shall submit to the Speaker of the House of Delegates, the leader in the House of Delegates of the political party having the next highest number of members in the House of Delegates, the President pro tempore of the Senate of Virginia, and the leader in the Senate of Virginia of the political party having the next highest number of members in the Senate of Virginia plans for districts for the United States House of Representatives, the Senate, or the House of Delegates. To be submitted as a proposed plan for districts, a plan shall receive affirmative votes of at least 12 of the 16 commissioners.

If the Commission fails to submit a proposed plan for districts by the deadline contained herein, districts shall be established by the General Assembly. Such districts shall adhere to the criteria and standards set forth in § 30-382.

**§ 30-384.1. Proposal and submission of plans for districts.**

A. The Commission shall submit to the General Assembly plans for districts for the Senate and the House of Delegates of the General Assembly no later than 45 days following the receipt of census data.

To be submitted as a proposed plan for districts for members of the House of Delegates, a plan shall receive affirmative votes of at least six of the eight legislative commissioners, including at least three of the four legislative commissioners who are members of the House of Delegates, and at least six of the eight citizen commissioners.

B. The Commission shall submit to the General Assembly plans for districts for the United States House of Representatives no later than 60 days following the receipt of census data or by the first day of July of that year, whichever occurs first.

To be submitted as a proposed plan for districts for members of the United States House of Representatives, a plan shall receive affirmative votes of at least six of the eight legislative commissioners and at least six of the eight citizen commissioners.

C. If the Commission fails to submit a plan for districts by the deadline set forth in subsection A or B, the Commission shall have 14 days following its initial failure to submit a plan to the General Assembly. If the Commission fails to submit a plan for districts to the General Assembly by this date, the districts shall be established by the Supreme Court of Virginia pursuant to § 30-385.2.

**§ 30-385. Consideration of plans by the General Assembly; timeline.**

A. All plans for districts for the United States House of Representatives, the Senate, and the House of Delegates shall be embodied in and voted on as separate bills.

B. The General Assembly shall bring each bill to a vote in either the Senate or the House of Delegates expeditiously, but not less than seven days after the plan is received and made available to the members of the General Assembly, under a procedure or rule permitting no amendments except those of a purely corrective nature. Once a bill is approved by the first house in which it is considered, it shall be expeditiously brought to a vote in the second house under a similar procedure or rule.

If a bill fails to be approved by a constitutional majority in either the Senate or the House of Delegates, the Clerk of the Senate or House of Delegates, as the case may be, shall at once transmit to the Commission information that the Senate or House of Delegates may direct regarding the reasons the plan embodied in such bill was not approved.

C. If the plan submitted under subsection B fails to be enacted, the Commission shall prepare a bill embodying a second plan, which shall take into account the reasons cited by the Senate or House of Delegates for its failure to approve the plan or by the Governor for his veto of the plan insofar as it is possible to do so within the requirements of § 30-382.

If a second plan is required under this subsection, a bill embodying it shall be delivered to the Clerks of the Senate and House of Delegates not later than seven days after the date of the vote by which the Senate or the House of Delegates fails to approve, or the date the Governor vetoes, the bill submitted under subsection B, whichever date is later. Such bill shall be brought to a vote not less than seven days after the bill is printed and made available to the members of the General Assembly, in the same manner as prescribed for the bill required under subsection B including the prohibition against

552 amendments being permitted except those of a purely corrective nature.

553 If the second bill fails to be approved by a constitutional majority in either the Senate or the House  
554 of Delegates, the Clerk of the Senate or House of Delegates, as the case may be, shall at once transmit  
555 to the Commission information that the Senate or House of Delegates may direct regarding the reasons  
556 the plan was not approved.

557 D. If the plan submitted under subsection C fails to be enacted, the same procedure as prescribed by  
558 subsection C shall be followed. If a third plan is required under this subsection, the bill embodying it  
559 shall be delivered to the Clerks of the Senate and House of Delegates not later than seven days after the  
560 date of the vote by which the Senate or House of Delegates fails to approve, or the date the Governor  
561 vetoes, the bill submitted under subsection C, whichever date is later. If it is necessary to submit a bill  
562 under this subsection, the bill shall be brought to a vote within the same time period after its delivery to  
563 the Clerks of the Senate and House of Delegates as prescribed for the bill submitted under subsection  
564 C, but the bill shall be subject to amendment in the same manner as other bills.

565 **§ 30-385.1. Consideration of plans by the General Assembly; timeline.**

566 A. All plans for districts for the Senate and the House of Delegates shall be embodied in and voted  
567 on as a single bill.

568 B. All bills embodying plans for districts for the United States House of Representatives, the Senate,  
569 or the House of Delegates shall be voted on by the General Assembly in accordance with the provisions  
570 of Article IV, Section 11 of the Constitution of Virginia, except no amendments shall be permitted. All  
571 bills embodying a plan that are approved by both houses shall become law without the signature of the  
572 Governor and, pursuant to Article II, Section 6 of the Constitution of Virginia, shall take effect  
573 immediately.

574 C. Within 15 days of receipt of any plan for districts, the General Assembly shall take a vote on a  
575 bill embodying such plan. If the General Assembly fails to adopt the bill by this deadline, the  
576 Commission shall submit a new plan for districts within 14 days of the General Assembly's failure to  
577 adopt the bill. Within seven days of receipt of such plan, the General Assembly shall take a vote on the  
578 bill embodying the plan, and if the General Assembly fails to adopt the plan by this deadline, the  
579 districts shall be established by the Supreme Court of Virginia pursuant to § 30-385.2.

580 D. If the Commission submits a plan for districts pursuant to subsection C of § 30-384.1, the  
581 General Assembly shall take a vote on such plan within seven days of its receipt. If the General  
582 Assembly fails to adopt the plan by this deadline, the districts shall be established by the Supreme Court  
583 of Virginia pursuant to § 30-385.2.

584 **§ 30-385.2. Establishment of districts by the Supreme Court of Virginia.**

585 A. In the event the Commission fails to submit a plan for districts by the deadline set forth in  
586 subsection A or B of § 30-384.1, or the General Assembly fails to adopt a plan for districts by the  
587 deadline set forth in subsection C or D of § 30-385.1, the Supreme Court of Virginia (the Court) shall  
588 be responsible for establishing the districts.

589 B. The Court shall, not later than March 1 of a year ending in one, enact rules and procedures as  
590 may be necessary for implementing the requirements of Section 6-A of Article II of the Constitution of  
591 Virginia, empowering the Court to establish congressional or state legislative districts as provided for in  
592 that section. In enacting such rules and procedures, the Court shall give consideration to the provisions  
593 of this section.

594 C. Public participation in the Court's redistricting deliberations shall be permitted. Such public  
595 participation may be through briefings, written submissions, hearings in open court, or any other means  
596 as may be prescribed by the Court.

597 D. The Division of Legislative Services shall make available staff support and technical assistance to  
598 the Court to perform those duties as may be requested or assigned to it by the Court.

599 E. Any plan for congressional or state legislative districts established by the Court shall adhere to  
600 the standards and criteria for districts set forth in Article II, Section 6 of the Constitution of Virginia  
601 and § 30-382.

605 the House of Delegates and the leaders in the Senate of Virginia having the highest and next highest  
606 number of members in the Senate of Virginia shall each submit to the Court a list of three or more  
607 nominees, along with a brief biography and resume for each nominee, including the nominee's  
608 particular expertise or experience relevant to redistricting. The Court shall then select, by a majority  
609 vote, one special master from the lists submitted by the legislative leaders of the political party having  
610 the highest number of members in their respective chambers and one special master from the lists  
611 submitted by the legislative leaders of the political party having the next highest number of members in  
612 their respective chambers. The persons appointed to serve as special masters shall have the requisite  
613 qualifications and experience to serve as a special master and shall have no conflicts of interest. In

making its appointments, the Court shall consider any relevant redistricting experience in the Commonwealth and any practical or academic experience in the field of redistricting. The Court shall be reimbursed by the Commonwealth for all costs, including fees and expenses, related to the appointment or work of the special master from funds appropriated for this purpose.

G. Any justice who is a parent, spouse, child, sibling, parent-in-law, child-in-law, or sibling-in-law of, or a cohabitating member of a household with, a member of the Congress of the United States or of the General Assembly shall recuse himself from any decision made pursuant to this section, and no senior justice designated pursuant to § 17.1-302 shall be assigned to the case or matter to serve in his place.

#### **§ 30-386. Remedial redistricting plans.**

If any congressional or state legislative district established pursuant to this chapter or the provisions of Article II, Section 6 and Section 6-A of the Constitution of Virginia is declared unlawful or unconstitutional, in whole or in part, by order of any state or federal court, the Commission shall be convened to determine and propose a redistricting plan to remedy the unlawful or unconstitutional district.

#### **§ 53.1-5.2. Compilation of certain data for redistricting purposes.**

A. The Board shall direct the sheriffs of all local jails and the jail superintendents of all regional jails to provide to it, no later than May 1 of any year in which the decennial census is taken, information regarding each person incarcerated in a local or regional jail on April 1 of that year. 679 b. Notwithstanding the Director's discretion to make and enter into all contracts and agreements  
680 necessary or incidental to the performance of the Department's duties and the execution of its powers  
681 under this title, upon determining that it shall be desirable to contract with a public or private entity for  
682 the provision of community-based residential services pursuant to Chapter 5 (§ 53.1-177 et seq.), the  
683 Director shall notify the local governing body of the jurisdiction in which the facility is to be located of

701 1, 1997, such data shall be collected, tabulated quarterly, and reported by the Director to the Governor  
702 and the General Assembly at each regular session of the General Assembly thereafter. The report shall  
703 be submitted as provided in the procedures of the Division of Legislative Automated Systems for the  
704 processing of legislative documents and reports;

705 8. To make application to the appropriate state and federal entities so as to provide any prisoner who  
706 is committed to the custody of the state a Department of Motor Vehicles approved identification card

715 11. To designate employees of the Department with internal investigations authority to have the same

717 affecting the operations of the Department. Such employees shall be subject to any minimum training  
718 standards established by the Department of Criminal Justice Services under § 9.1-102 for  
719 law-enforcement officers prior to exercising any law-enforcement power granted under this subdivision.  
720 Nothing in this section shall be construed to grant the Department any authority over the operation and  
721 security of local jails not specified in any other provision of law. The Department shall investigate  
722 allegations of criminal behavior in accordance with a written agreement entered into with the  
723 Department of State Police. The Department shall not investigate any action falling within the authority
