HOUSE BILL NO. 1417

AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the House Committee on Finance
on February 5, 2020)

(Patron Prior to Substitute—Delegate Watts)

A BILL to amend and reenact §§ 58.1-311, 58.1-499, and 58.1-1823 of the Code of Virginia and to amend the Code of Virginia by adding in Chapter 3 of Title 58.1 a section numbered 58.1-311.2 and by adding an article numbered 9.1, consisting of sections numbered 58.1-396 through 58.1-399.7, relating to income tax; reporting requirements for partnerships.

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-311, 58.1-499, and 58.1-1823 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Chapter 3 of Title 58.1 a section numbered 58.1-311.2 and by adding an article numbered 9.1, consisting of sections numbered 58.1-396 through 58.1-399.7, as follows:

§ 58.1-311. Report of change in federal taxable income.

If the amount of any individual, estate, trust or corporate taxpayer's federal taxable income reported on his federal income tax return for any taxable year is changed or corrected by the United States Internal Revenue Service or other competent authority, or as the result of a renegotiation of a contract or subcontract with the United States, the taxpayer shall file an amended return, or such other form as the Department may prescribe, reporting such change or correction in federal taxable income within one year after the final determination date, as defined in § 58.1-311.2, for such change, correction, or renegotiation, or as otherwise required by the Department, and shall concede the accuracy of such determination or state wherein it is erroneous. However, if the Department has sufficient information from which to compute the proper additional tax and the taxpayer has paid such tax, then the taxpayer is not required to file an amended individual income tax return. Any taxpayer filing an amended federal income tax return shall also file within one year thereafter an amended return under this chapter and shall give such information as the Department may require. The Department may by regulation prescribe such exceptions to the requirements of this section as it deems appropriate.

§ 58.1-311.2. Final determination date.

As used in § 58.1-311, "final determination date" means:

1. Except as provided in subdivisions 1 and 2, if the federal adjustment arises from an Internal Revenue Service audit or other action by the Internal Revenue Service, the final determination date is the first day on which no federal adjustments arising from that audit or other action remain to be finally determined, whether by Internal Revenue Service decision with respect to which all rights of appeal have been waived or exhausted, by agreement, or, if appealed or contested, by a final decision with respect to which all rights of appeal have been waived or exhausted. For agreements required to be signed by the Internal Revenue Service and the taxpayer, the final determination date is the date on which the last party signed the agreement.

2. For federal adjustments arising from an Internal Revenue Service audit or other action by the Internal Revenue Service, if the taxpayer filed as a member of a combined or consolidated return under § 58.1-442, the final determination date means the first day on which no related federal adjustments arising from that audit remain to be finally determined, as described in subdivision 1, for the entire group.

3. If the federal adjustment results from filing an amended federal return, a federal refund claim, or an administrative adjustment request, as that term is used in § 58.1-396, or if it is a federal adjustment reported on an amended federal return or other similar report filed pursuant to § 6225(c) of the Internal Revenue Code, the final determination date means the day on which the amended return, refund claim, administrative adjustment request, or other similar report was filed.

105 *Partnerships and partners shall report final federal adjustments arising from a partnership-level*
106 *audit or an administrative adjustment request and make required payments pursuant to the provisions of*
107 *this article and shall not be required to comply with the provisions of § 58.1-311. This section shall not*
108 *apply to adjustments required to be reported for federal income tax purposes pursuant to § 6225(a)(2)*

110 *reported as required under § 58.1-311.*

111 **§ 58.1-398. State partnership representative.**

112 *A. With respect to an action required or permitted to be taken under this article, and with respect to*

121 *other than a federal partnership representative, to be the state partnership representative.*

122 § 58.1-399. Reporting and payment requirements for a partnership subject to a final federal
123 adjustment.

124 A. Except as otherwise provided in this article, any final federal adjustment shall be reported
125 pursuant to the provisions of subsection B. This subsection shall not apply to a final federal adjustment
126 for which election has been properly made pursuant to § 58.1-399.1.

127 B. No later than 90 days after the final determination date, a partnership shall:

128 1. File with the Department a completed federal adjustments report, which shall include any
129 information required by the Department;

130 2. Notify each direct partner of its distributive share of the final federal adjustments and provide to
131 each direct partner any other information required by the Department;

132 3. File an amended composite return pursuant to § 58.1-395 if such return previously was filed on
133 behalf of nonresident partners;

134 4. File an amended return pursuant to § 58.1-392; and

135 5. Pay any additional amount that may be required pursuant to the provisions of §§ 58.1-395 and
136 58.1-486.2.

137 C. Except as provided under § 58.1-321, no later than one year after the final determination date,
138 each direct partner subject to tax pursuant to the provisions of Article 2 (§ 58.1-320 et seq.), 6
139 (§ 58.1-360 et seq.), or 10 (§ 58.1-400) shall:

140 1. File a federal adjustments report that identifies the distributive share of adjustments reported to
141 such direct partner under subdivision B 2; and

142 2. Pay any additional amount of tax due as if final federal adjustments had been properly reported,
143 including any penalty and interest due under this title. Such payment may be reduced by any credit for
144 related amounts paid or withheld and remitted on behalf of the direct partner pursuant to subdivision B
145 3, 4, or 5.

146 § 58.1-399.1. Elective payment by a partnership.

147 A. Notwithstanding §§ 58.1-390.2 and 58.1-399, an audited partnership may make an elective
148 payment pursuant to the provisions of this section. Such partnership shall:

149 1. No later than 90 days after the final determination date, file a completed federal adjustments
150 report, which shall include any information required by the Department;

151 2. No later than 90 days after a final determination date, notify the Department that it is making an
152 elective payment; and

153 3. No later than one year after the final determination date, pay the elective payment amount
154 specified in subsection B. Such amount shall be in lieu of taxes owed by the direct and indirect
155 partners.

156 B. The elective payment amount shall be the amount of final federal adjustments, subject to the
157 following modifications:

158 1. The elective payment amount shall exclude the distributive share of final federal adjustments that
159 is reported to a direct exempt partner;

160 2. For the total distributive shares of the remaining final federal adjustments reported to (i) any
161 direct corporate partner subject to tax under § 58.1-400 and (ii) any direct exempt partner subject to
162 tax under § 58.1-400 on its unrelated business income or other taxable income, such adjustments shall
163 be apportioned or allocated, as applicable, pursuant to the provisions of §§ 58.1-405 through 58.1-423
164 and, after such apportionment or allocation, shall be multiplied by the tax rate specified in § 58.1-400
165 and, after such multiplication, shall be included in the elective payment;

166 3. For the total distributive shares of the remaining final federal adjustments reported to any
167 nonresident direct partner that is subject to tax under Article 2 (§ 58.1-320 et seq.) or 6 (§ 58.1-360 et
168 seq.), such adjustments shall be sourced to Virginia pursuant to applicable laws governing sourcing,
169 and any adjustments sourced to Virginia shall be multiplied by the highest tax rate specified in
170 § 58.1-320 and, after such multiplication, shall be included in the elective payment;

171 4. For the total distributive shares of the remaining final federal adjustments reported to any tiered
172 partner, the elective payment shall include the amount specified in this subdivision. Subject to the
173 modifications specified in this subdivision, the amount shall (i) include that portion of the adjustments
174 that are of a type that would be sourced to Virginia pursuant to applicable laws governing sourcing,
175 and (ii) include all adjustments that are of a type that would not be subject to sourcing in Virginia
176 pursuant to applicable laws governing sourcing. However, the amount specified in clause (ii) shall
177 exclude any amount that can be established, under guidelines issued by the Department, to be properly
178 (a) allocable to a nonresident indirect partner, (b) allocable to a partner that is not subject to tax on
179 such amount, or (c) excludable under procedures for alternative reporting and payment as specified in
180 § 58.1-399.3. The amount specified in clauses (i) and (ii), as reduced by the exclusions specified in
181 clauses (a), (b), and (c), shall be multiplied by the highest tax rate specified in § 58.1-320 or 58.1-360,
182 as applicable, and, after such multiplication, shall be included in the elective payment;

183 5. For the total distributive shares of the remaining final federal adjustments reported to any
184 resident direct partner that is subject to tax under § 58.1-320 or 58.1-360, such adjustments shall be
185 multiplied by the highest tax rate specified in § 58.1-320 or 58.1-360, as applicable, and, after such
186 multiplication, shall be included in the elective payment; and

187 6. Any penalty and interest provided for by this title shall be included in the elective payment.

188 **§ 58.1-399.2. Tiered partners.**

189 A. The following categories of partners shall be subject to the reporting and payment requirements
190 specified in § 58.1-399, entitled to make elections as provided in § 58.1-399.1, and entitled to elect an
191 alternative reporting and payment method as provided in § 58.1-399.3:

- 192 1. Any direct tiered partner of an audited partnership;
- 193 2. Any indirect tiered partner of an audited partnership; and
- 194 3. Any partner of a partner specified in subdivision 1 or 2.

195 B. A partner subject to the provisions of subsection A shall make required reports and payments no
196 later than 90 days after the time for filing and providing statements to tiered partners and their partners
197 pursuant to the provisions of § 6226 of the Internal Revenue Code and any regulations promulgated
198 thereunder. The Department may establish procedures and deadlines for reports and payments required
199 pursuant to this section.

200 **§ 58.1-399.3. Alternative reporting and payment method.**

201 Under procedures adopted by and subject to the approval of the Department, an audited partnership
202 or a tiered partner may enter into an agreement with the Department to use an alternative reporting
203 and payment method. However, the Department shall enter into such agreement only if such audited
204 partnership or tiered partner demonstrates, to the satisfaction of the Department, that the alternative
205 method is reasonably expected to provide for the reporting and payment of taxes, penalties, and interest
206 due under the provisions of this article. Application for approval of an alternative reporting and
207 payment method shall be made by the audited partnership or tiered partner within the applicable time
208 period specified in § 58.1-399.1 or 58.1-399.2.

209 **§ 58.1-399.4. Effect of election.**

210 A. If a partnership or partner makes an election pursuant to § 58.1-399.1 or 58.1-399.3, such
211 election shall not be revocable by such partnership or partner. However, the Department may make a
212 discretionary determination that allows such election to be revoked.

213 B. If properly reported and paid by the audited partnership or tiered partner, the amount determined
214 pursuant to § 58.1-399.1 or 58.1-399.3 shall be treated as paid in lieu of taxes owed by a direct or
215 indirect partner, to the extent applicable, on the final federal adjustments. A direct partner or indirect
216 partner shall be prohibited from claiming any subtraction, deduction, credit, or refund for such amount.
217 This section shall not prohibit a partner that is a direct partner and a resident partner from (i) claiming
218 a credit against taxes paid to Virginia pursuant to § 58.1-332 or (ii) claiming a credit for any amount
219 paid by the audited partnership or tiered partner on the resident partner's behalf to another jurisdiction
220 in accordance with the provisions of § 58.1-332.

221 **§ 58.1-399.5. Failure to pay.**

222 If an audited partnership or tiered partner fails to timely make any report or payment required by
223 this article, the Department may assess the direct and indirect partners of such partnership or partner
224 for any taxes owed.

225 **§ 58.1-399.6. De minimis exception.**

226 The Department may establish a de minimis tax liability amount. If a partner or partnership has a
227 tax liability less than such amount, the Department may exempt such partner or partnership from the
228 reporting and payment requirements of this article.

229 **§ 58.1-399.7. Administration.**

230 A. For partners and partnerships subject to the provisions of this article, the Department shall
231 assess, collect from, and refund any Virginia income tax, interest, and penalties arising from final
232 federal adjustments as set forth in this article. If any partner or partnership makes an election pursuant
233 to § 58.1-399.1, the Department shall assess and collect in-lieu-of amounts, interest, and penalties
234 arising from final federal adjustments as if the in-lieu-of-amounts are a corporate income tax imposed
235 pursuant to the provisions of Article 10 (§ 58.1-400 et seq.). Penalties and interest imposed on a partner
236 or partnership shall be determined based on the date the partnership return for the reviewed year
237 originally was due. If any partner or partnership subject to § 58.1-399 fails to file its federal
238 adjustments report within the time required, the provisions of § 58.1-394.1 shall be applicable to such
239 report, mutatis mutandis.

240 B. Notwithstanding the provisions of subsection C of § 58.1-312 and clause (ii) of § 58.1-1823, an
241 assessment shall be issued and an amended return for refund shall be filed by the following dates:

- 242 1. If a partner or partnership files with the Department a federal adjustments report or an amended
243 Virginia tax return within the time period specified in § 58.1-399, or § 58.399.1, as applicable, the
244 Department may assess any amounts, including taxes, in-lieu-of-amounts, interest, and penalties arising

245 from those federal adjustments, if the Department issues a notice of assessment to the partner or
246 partnership no later than the expiration of the one-year period following the date of filing with the
247 Department of the federal adjustments report.

248 2. If a partner or partnership fails to file the federal adjustments report within the time period
249 specified in § 58.1-399, or § 58.399.1, as applicable, or if the federal adjustments report filed by the
250 partner or partnership omits final federal adjustments or understates the correct amount of tax owed,
251 the Department may assess amounts or additional amounts including taxes, in-lieu-of-amounts, interest,
252 and penalties arising from the final federal adjustments, if the Department issues a notice of assessment
253 to the partner or partnership no later than the expiration of the one-year period following the date of
254 filing with the Department of the federal adjustments report.

255 3. An amended return for refund arising from federal adjustments made by the Internal Revenue
256 Service shall be filed no later than one year from the date a federal adjustments report, as required by
257 § 58.1-399, or § 58.399.1, as applicable, was due to the Department, including any extensions issued
258 pursuant to the provisions of this section. The partner or partnership may, on the federal adjustments
259 report, report additional tax due, report a claim for refund or credit of a tax, and make any other
260 adjustments resulting from adjustments to the partner's or partnership's federal taxable income,
261 including adjustments to its net operating losses.

262 4. Unless otherwise agreed to in writing by the partnership or partner and the Department, any
263 adjustments by the Department or by the partner or partnership that are made pursuant to the one-year
264 statute of limitations provided for in this subsection are limited to adjustments to the partner's or
265 partnership's tax liability that arise from federal adjustments.

266 C. The one-year statute of limitations provided for in subsection B may be extended:

267 1. Automatically, upon written notice to the Department, by 60 days for an audited partnership or a
268 tiered partner that has 10,000 or more direct partners; or

269 2. By written agreement between the partnership or partner and the Department pursuant to
270 § 58.1-101.

271 D. 1. Any extension granted pursuant to subsection C shall extend by an equal time period the last
272 day for the Department to assess any additional amounts arising from the adjustments to federal taxable
273 income and the period for filing a claim for refund or credit of taxes.

274 2. The one-year statute of limitations provided for in subsection B shall not affect the time within
275 which or the amount for which an assessment may otherwise be made or a refund sought under this
276 title.

277 **§ 58.1-499. Refunds to individual taxpayers; crediting overpayment against estimated tax for**
278 **ensuing year.**

279 A. In the case of any overpayment of any tax, addition to tax, interest or penalties imposed on an
280 individual income taxpayer by this chapter, whether by reason of excessive withholding, overestimating
281 and overpaying estimated tax, error on the part of the taxpayer, or an erroneous assessment of tax, the
282 Tax Commissioner shall order a refund of the amount of the overpayment to the taxpayer. The
283 overpayment shall be refunded out of the state treasury on the order of the Tax Commissioner upon the
284 Comptroller.

285 B. If a refund of an overpayment of individual income tax payments is made payable jointly to a
286 husband and wife who receive a final divorce decree after filing a joint income tax return, separate
287 income tax returns on a single form, an amendment thereto, or other claim resulting in the issuance of a
288 refund, the Tax Commissioner shall order the reissuance of the refund in separate checks to the husband
289 and to the wife if the unnegotiated joint refund check is returned to Department with a certification, in a
290 form satisfactory to the Department, made by one spouse that the other spouse refuses to endorse the
291 joint refund check or cannot be located. In making such certification, the spouse returning the check
292 shall agree to indemnify the Commonwealth for any amounts that the Commonwealth may be required
293 to pay to the other spouse with respect to such refund. A certified copy of the final divorce decree,
294 including any agreement with respect to the division of property between the spouses, shall be provided
295 with the certification. If the final divorce decree addresses the apportionment or ownership of the
296 refunded amount, the refund shall be apportioned and separate payments ordered as provided therein. If
297 the final divorce decree does not address the apportionment or ownership of the refunded amount, the
298 amount of the refund shall be divided equally between the husband and wife. The reissuance of refund
299 payments pursuant to this subsection shall not affect the joint and several liability of the husband and
300 wife for tax liabilities for the period for which the return or returns were filed.

301 C. Whenever the annual income tax return of an individual income taxpayer indicates in the place
302 provided thereon that the taxpayer has overpaid his tax for the taxable year by reason of excessive
303 withholding or overestimating and overpaying estimated tax, or both, the amount of the overpayment as
304 shown on his return, subject to correction for error, may be credited against the estimated income tax for
305 the ensuing year at the taxpayer's election and according to regulations prescribed by the Department

306 and such overpayments by either a husband or wife on a separate return may be credited to the tax for
307 the ensuing year of either of them or may be credited to their joint tax at the election of the person to
308 whom the overpayment is payable; or otherwise such amount shall be refunded to him as soon as
309 practicable. Interest on such refund shall be allowed and computed in accordance with § 58.1-1833. The
310 making of any refund shall not absolve any taxpayer of any income tax liability which may in fact exist
311 and the Tax Commissioner may make an assessment for any deficiency in the manner provided by law.

312 D. No refund under this section, however, shall be made for any overpayment of less than one dollar
313 except on special written application of the taxpayer, nor shall any refund of any amount under this
314 section be made, whether on discovery by the Department or on written application of the taxpayer, if
315 such discovery is not made or such written application is not received within three years from the last
316 day prescribed by law for the timely filing of the return, or within ~~sixty days~~ *one year* from the final
317 determination ~~of date, as defined in § 58.1-311.2, for any change or correction~~ in the liability of the
318 taxpayer for any federal tax upon which the state tax is based, whichever is later.

319 E. Notwithstanding the provisions of the Setoff Debt Collection Act, Article 21 (§ 58.1-520 et seq.)
320 of this chapter, whenever any taxpayer is entitled to a refund under this section, or under § 58.1-309 or
321 §§ 58.1-1821 through 58.1-1830 and such taxpayer owes the Commonwealth a past due income tax, or
322 balance thereof, for any year, the amount of such refund may be credited on such past due income tax
323 or balance, to the extent indicated.

324 **§ 58.1-1823. Reassessment and refund upon the filing of amended return or the payment of an**
325 **assessment.**

326 Any person filing a tax return or paying an assessment required for any tax administered by the
327 Department may file an amended return with the Department within the later of (i) three years from the
328 last day prescribed by law for the timely filing of the return; (ii) one year from the final determination
329 ~~of date, as defined in § 58.1-311.2, for any change or correction~~ in the liability of the taxpayer for any
330 federal tax upon which the state tax is based, provided that the refund does not exceed the amount of
331 the decrease in Virginia tax attributable to such federal change or correction; (iii) two years from the
332 filing of an amended Virginia return resulting in the payment of additional tax, provided that the
333 amended return raises issues relating solely to such prior amended return and that the refund does not
334 exceed the amount of the payment with such prior amended return; (iv) two years from the payment of
335 an assessment, provided that the amended return raises issues relating solely to such assessment and that
336 the refund does not exceed the amount of such payment; or (v) one year from the final determination of
337 any change or correction in the income tax of the taxpayer for any other state, provided that the refund
338 does not exceed the amount of the decrease in Virginia tax attributable to such change or correction. If
339 the Department is satisfied, by evidence submitted to it or otherwise, that the tax assessed and paid upon
340 the original return exceeds the proper amount, the Department may reassess the taxpayer and order that
341 any amount excessively paid be refunded to him. The Department may reduce such refund by the
