§ 16.1-228. Definitions.

When used in this chapter, unless the context otherwise requires:

"Abused or neglected child" means any child:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care commits or allows to be committed any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian, or other person standing in loco parentis;

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55.1-2000, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902; or

If a civil proceeding under this chapter is based solely on the parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended emergency medical services agency that employs emergency medical services personnel, within 14 days of the child's birth. 364 If the judge authorizes an abortion based on the best interests of the minor, such order shall
365 expressly state that such authorization is subject to the physician or his agent giving notice of intent to
366 perform the abortion; however, no such notice shall be required if the judge finds that such notice would

not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. Any such appeal shall be heard and decided no later than five days after the appeal is filed. The time periods required by this subsection shall be subject to subsection B of § 1-210. An order authorizing an abortion without consent or without notice shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

If either the original court or the circuit court fails to act within the time periods required by this subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without consent of or notice to an authorized person.

Nothing contained in this subsection shall be construed to authorize a physician to perform an abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult woman.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent has been obtained or the minor delivers to the physician a court order entered pursuant to this section and the physician or his agent provides such notice as such order may require. However, neither consent nor judicial authorization nor notice shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the facts justifying the exception in the minor's medical record.

For purposes of this subsection:

"Authorization" means the minor has delivered to the physician a notarized, written statement signed by an authorized person that the authorized person knows of the minor's intent to have an abortion and consents to such abortion being performed on the minor.

"Authorized person" means (i) a parent or duly appointed legal guardian or custodian of the minor or (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling with whom the minor regularly and customarily resides and who has care and control of the minor. Any person who knows he is not an authorized person and who knowingly and willfully signs an authorization statement consenting to an abortion for a minor is guilty of a Class 3 misdemeanor.

"Consent" means that (i) the physician has given notice of intent to perform the abortion and has received authorization from an authorized person, or (ii) at least one authorized person is present with the minor seeking the abortion and provides written authorization to the physician, which shall be witnessed by the physician or an agent thereof. In either case, the written authorization shall be incorporated into the minor's medical record and maintained as a part thereof.

"Medical emergency" means any condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function.

"Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual notice of his intention to perform such abortion to an authorized person, either in person or by telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at least 72 hours prior to the performance of the abortion.

"Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage as provided in § 18.2-72, 18.2-73, or 18.2-74.

428 "Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid
429 marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any
430 of the Armed Forces of the United States; (iii) willingly living separate and apart from his or her
431 parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an
432 order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.).

433 X. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) relating to standby guardians for minor
434 children.

435 Y. Petitions involving minors filed pursuant to § 32.1-45.1 relating to obtaining a blood specimen or
436 test results.

437 The ages specified in this law refer to the age of the child at the time of the acts complained of in
438 the petition.

439 Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of
440 any process in a proceeding pursuant to subdivision A 3, except as provided in subdivision A 6 of
441 § 17.1-272, or subsection B, D, M, or R.

442 Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of
443 subsection W shall be guilty of a Class 3 misdemeanor.

444 **§ 16.1-269.1. Trial in circuit court; preliminary hearing; direct indictment; remand.**

445 A. Except as provided in subsections B and C, if a juvenile 14 years of age or older at the time of
446 an alleged offense is charged with an offense which would be a felony if committed by an adult, the
447 court shall, on motion of the attorney for the Commonwealth and prior to a hearing on the merits, hold
448 a transfer hearing and may retain jurisdiction or transfer such juvenile for proper criminal proceedings to
449 the appropriate circuit court having criminal jurisdiction of such offenses if committed by an adult. Any
450 transfer to the appropriate circuit court shall be subject to the following conditions:

451 1. Notice as prescribed in §§ 16.1-263 and 16.1-264 shall be given to the juvenile and his parent,
452 guardian, legal custodian or other person standing in loco parentis; or attorney;

453 2. The juvenile court finds that probable cause exists to believe that the juvenile committed the
454 delinquent act as alleged or a lesser included delinquent act which would be a felony if committed by
455 an adult;

456 3. The juvenile is competent to stand trial. The juvenile is presumed to be competent and the burden
457 is on the party alleging the juvenile is not competent to rebut the presumption by a preponderance of the
458 evidence; and

459 4. The court finds by a preponderance of the evidence that the juvenile is not a proper person to
460 remain within the jurisdiction of the juvenile court. In determining whether a juvenile is a proper person
461 to remain within the jurisdiction of the juvenile court, the court shall consider, but not be limited to, the
462 following factors:

463 a. The juvenile's age;

464 b. The seriousness and number of alleged offenses, including (i) whether the alleged offense was
465 committed in an aggressive, violent, premeditated, or willful manner; (ii) whether the alleged offense
466 was against persons or property, with greater weight being given to offenses against persons, especially
467 if death or bodily injury resulted; (iii) whether the maximum punishment for such an offense is greater
468 than 20 years confinement if committed by an adult; (iv) whether the alleged offense involved the use
469 of a firearm or other dangerous weapon by brandishing, threatening, displaying or otherwise employing
470 such weapon; and (v) the nature of the juvenile's participation in the alleged offense;

471 c. Whether the juvenile can be retained in the juvenile justice system long enough for effective
472 treatment and rehabilitation;

473 d. The appropriateness and availability of the services and dispositional alternatives in both the
474 criminal justice and juvenile justice systems for dealing with the juvenile's problems;

475 e. The record and previous history of the juvenile in this or other jurisdictions, including (i) the
476 number and nature of previous contacts with juvenile or circuit courts, (ii) the number and nature of
477 prior periods of probation, (iii) the number and nature of prior commitments to juvenile correctional
478 centers, (iv) the number and nature of previous residential and community-based treatments, (v) whether
479 previous adjudications and commitments were for delinquent acts that involved the infliction of serious
480 bodily injury, and (vi) whether the alleged offense is part of a repetitive pattern of similar adjudicated
481 offenses;

482 f. Whether the juvenile has previously absconded from the legal custody of a juvenile correctional
483 entity in this or any other jurisdiction;

484 g. The extent, if any, of the juvenile's degree of intellectual disability or mental illness;

485 h. The juvenile's school record and education;

486 i. The juvenile's mental and emotional maturity; and

487 j. The juvenile's physical condition and physical maturity.

488 No transfer decision shall be precluded or reversed on the grounds that the court failed to consider
489 any of the factors specified in subdivision 4.

B. The juvenile court shall conduct a preliminary hearing whenever a juvenile 14 16 years of age or older is charged with murder in violation of § 18.2-31, 18.2-32 or 18.2-40, or aggravated malicious wounding in violation of § 18.2-51.2.

C. The juvenile court shall conduct a preliminary hearing whenever a juvenile 14 16 years of age or older is charged with murder in violation of § 18.2-33; felonious injury by mob in violation of § 18.2-41; abduction in violation of § 18.2-48; malicious wounding in violation of § 18.2-51; malicious wounding of a law-enforcement officer in violation of § 18.2-51.1; felonious poisoning in violation of § 18.2-54.1; adulteration of products in violation of § 18.2-54.2; robbery in violation of § 18.2-58 or carjacking in violation of § 18.2-58.1; rape in violation of § 18.2-61; forcible sodomy in violation of § 18.2-67.1; object sexual penetration in violation of § 18.2-67.2; manufacturing, selling, giving, distributing, or possessing with intent to manufacture, sell, give, or distribute a controlled substance or an imitation controlled substance in violation of § 18.2-248 if the juvenile has been previously adjudicated delinquent on two or more occasions of violating § 18.2-248 provided the adjudications occurred after the juvenile was at least 14 16 years of age; manufacturing, selling, giving, distributing, or possessing with intent to manufacture, sell, give, or distribute methamphetamine in violation of § 18.2-248.03 if the juvenile has been previously adjudicated delinquent on two or more occasions of violating § 18.2-248.03 provided the adjudications occurred after the juvenile was at least 14 16 years of age; or felonious manufacturing, selling, giving, distributing, or possessing with intent to manufacture, sell, give, or distribute anabolic steroids in violation of § 18.2-248.5 if the juvenile has been previously adjudicated delinquent on two or more occasions of violating § 18.2-248.5 provided the adjudications occurred after the juvenile was at least 14 16 years of age, provided the attorney for the Commonwealth gives written notice of his intent to proceed pursuant to this subsection. *Prior to giving written notice of his intent to proceed pursuant to this subsection, the attorney for the Commonwealth shall submit a written request to the director of the court services unit to complete a report as described in subsection B of § 16.1-269.2 unless waived by the juvenile and his attorney or other legal representative. The report shall be filed with the court and mailed or delivered to (i) the attorney for the Commonwealth and (ii) counsel for the juvenile, or, if the juvenile is not represented by counsel, to the juvenile and a parent, guardian, or other person standing in loco parentis with respect to the juvenile, within 21 days of the date of the written request. After reviewing the report, if the attorney for the Commonwealth still intends to proceed pursuant to this subsection, he shall then provide the written notice of such intent, which shall include affirmation that he reviewed the report.* The notice shall be filed with the court and mailed or delivered to counsel for the juvenile or, if the juvenile is not then represented by counsel, to the juvenile and a parent, guardian or other person standing in loco parentis with respect to the juvenile at least seven days prior to the preliminary hearing. If the attorney for the Commonwealth elects not to give such notice, or if he elects to withdraw the notice prior to certification of the charge to the grand jury, he may proceed as provided in subsection A.

D. Upon a finding of probable cause pursuant to a preliminary hearing under subsection B or C, the juvenile court shall certify the charge, and all ancillary charges, to the grand jury. Such certification shall divest the juvenile court of jurisdiction as to the charge and any ancillary charges. Nothing in this subsection shall divest the juvenile court of jurisdiction over any matters unrelated to such charge and ancillary charges which may otherwise be properly within the jurisdiction of the juvenile court.

If the court does not find probable cause to believe that the juvenile has committed the violent juvenile felony as charged in the petition or warrant or if the petition or warrant is terminated by dismissal in the juvenile court, the attorney for the Commonwealth may seek a direct indictment in the circuit court. If the petition or warrant is terminated by nolle prosequi in the juvenile court, the attorney for the Commonwealth may seek an indictment only after a preliminary hearing in juvenile court.

If the court finds that the juvenile was not (i) for the purposes of subsection A, 14 years of age or older or (ii) for purposes of subsection B or C, 16 years of age or older, at the time of the alleged commission of the offense or that the conditions specified in subdivision A 1, 2, or 3 have not been met, the case shall proceed as otherwise provided for by law.

E. An indictment in the circuit court cures any error or defect in any proceeding held in the juvenile court except with respect to the juvenile's age. If an indictment is terminated by nolle prosequi, the Commonwealth may reinstate the proceeding by seeking a subsequent indictment.

§ 16.1-269.2. Admissibility of statement; investigation and report; bail.

A. Statements made by the juvenile at the transfer hearing provided for under § 16.1-269.1 shall not be admissible against him over objection in any criminal proceedings following the transfer, except for purposes of impeachment.

B. Prior to a transfer hearing pursuant to subsection A of § 16.1-269.1 or a preliminary hearing pursuant to subsection C of § 16.1-269.1, a study and report to the court, in writing, relevant to the factors set out in subdivision A 4 of § 16.1-269.1, as well as an assessment of any affiliation with a criminal street gang as defined in § 18.2-46.1, shall be made by the probation services or other qualified

agency designated by the court. Upon motion of the attorney for the Commonwealth for a transfer hearing pursuant to subsection A of § 16.1-269.1, the attorney for the Commonwealth shall provide notice to the designated probation services or other qualified agency of the need for a transfer report. Counsel for the juvenile and the attorney for the Commonwealth shall have full access to the study and report and any other report or data concerning the juvenile which are available to the court. The court shall not consider the report until a finding has been made concerning probable cause. If the court so orders, the study and report may be expanded to include matters provided for in § 16.1-273, whereupon it may also serve as the report required by this subsection, but on the condition that it will not be submitted to the judge who will preside at any subsequent hearings except as provided for by law.

C. After the completion of the hearing, whether or not the juvenile court decides to retain jurisdiction over the juvenile or transfer such juvenile for criminal proceedings in the circuit court, the juvenile court shall set bail for the juvenile in accordance with Chapter 9 (§ 19.2-119 et seq.) of Title 19.2, if bail has not already been set.

§ 16.1-277.1. Time limitation.

A. When a child is held continuously in secure detention, he shall be released from confinement if there is no adjudicatory or transfer hearing conducted by the court for the matters upon which he was detained within twenty-one days from the date he was first detained.

B. If a child is not held in secure detention or is released from same after having been confined, an adjudicatory or transfer hearing on the matters charged in the petition or petitions issued against him shall be conducted within 120 days from the date the petition or petitions are filed.

C. When a child is held in secure detention after the completion of his adjudicatory hearing or is detained when the juvenile court has retained jurisdiction as a result of a transfer hearing, he shall be released from such detention if the disposition hearing is not completed within thirty days from the date of the adjudicatory or transfer hearing.

D. The time limitations provided for in this section shall be tolled during any period in which (i) the whereabouts of the child are unknown, (ii) the child has escaped from custody, ~~or~~ (iii) the child has failed to appear pursuant to a court order, *or (iv) a report is being prepared pursuant to the written request by the attorney for the Commonwealth in accordance with subsection C of § 16.1-269.1.* The limitations also may be extended by the court for a reasonable period of time based upon good cause shown, provided that the basis for such extension is recorded in writing and filed among the papers of the proceedings. For the purposes of this section, good cause includes, but is not limited to, extension of limitations necessary to obtain the presence of a witness to testify regarding the results of scientific analyses or examinations *and good cause shown by the director of the court services unit completing a report pursuant to subsection C of § 16.1-269.1 that additional time is needed for the completion of the report.*
