

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact §§ 54.1-3304.1 and 54.1-3467 of the Code of Virginia, relating to*
3 *Schedule VI controlled substances; hypodermic syringes and needles; limited-use license.*

4 [H 1654]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That §§ 54.1-3304.1 and 54.1-3467 of the Code of Virginia are amended and reenacted as**
8 **follows:**9 **§ 54.1-3304.1. Authority to license and regulate practitioners; permits.**10 A. The Board of Pharmacy shall have the authority to license and regulate the dispensing of
11 controlled substances by practitioners of the healing arts. Except as prescribed in this chapter or by
12 Board regulations, it shall be unlawful for any practitioner of the healing arts to dispense controlled
13 substances within the Commonwealth unless licensed by the Board to sell controlled substances.14 B. Facilities from which practitioners of the healing arts dispense controlled substances shall obtain a
15 permit from the Board and comply with the regulations for practitioners of the healing arts to sell
16 controlled substances. Facilities in which only one practitioner of the healing arts is licensed by the
17 Board to sell controlled substances shall be exempt from fees associated with obtaining and renewing
18 such permit.19 *C. The Board of Pharmacy may issue a limited-use license for the purpose of dispensing Schedule VI*
20 *controlled substances, excluding the combination of misoprostol and methotrexate, and hypodermic*
21 *syringes and needles for the administration of prescribed controlled substances to a doctor of medicine,*
22 *osteopathic medicine, or podiatry, a nurse practitioner, or a physician assistant, provided that such*
23 *limited-use licensee is practicing at a nonprofit facility. Such facility shall obtain a limited-use permit*
24 *from the Board and comply with regulations for such a permit.*25 **§ 54.1-3467. Distribution of hypodermic needles or syringes, gelatin capsules, quinine or any of**
26 **its salts.**27 A. Distribution by any method, of any hypodermic needles or syringes, gelatin capsules, quinine or
28 any of its salts, in excess of one-fourth ounce shall be restricted to licensed pharmacists or to others
29 who have received a license or a permit from the Board.30 B. (Expires July 1, 2020) Nothing in this section shall prohibit the dispensing or distributing of
31 hypodermic needles and syringes by persons authorized by the State Health Commissioner pursuant to a
32 comprehensive harm reduction program established pursuant to § 32.1-45.4 who are acting in accordance
33 with the standards and protocols of such program for the duration of the declared public health
34 emergency.35 C. Nothing in this section shall prohibit the dispensing or distributing of hypodermic needles and
36 syringes by persons authorized to dispense naloxone in accordance with the provisions of subsection Y
37 of § 54.1-3408 and who, in conjunction with such dispensing of naloxone, dispenses or distributes
38 hypodermic needles and syringes. *Nothing in this section shall prohibit the dispensing of hypodermic*
39 *needles and syringes for the administration of prescribed drugs by prescribers licensed to dispense*
40 *Schedule VI controlled substances at a nonprofit facility pursuant to § 54.1-3304.1.*41 **2. That the Board of Pharmacy shall promulgate regulations to implement the provisions of this**
42 **act to be effective within 280 days of its enactment.**
