Referred to Committee on Agriculture, Chesapeake and Natural Resources

**Be it enacted by the General Assembly of Virginia:****1. That § 10.1-2211.2 of the Code of Virginia is amended and reenacted as follows:****§ 10.1-2211.2. Disbursement of funds appropriated for caring for historical African American cemeteries and graves.**

A. For purposes of this section:

"Historical African American cemetery" means a cemetery that was established prior to January 1, 1900, for interments of African Americans.

"Qualified organization" means a charitable corporation, charitable association, or charitable trust that has been granted tax-exempt status under § 501(c)(3) of the Internal Revenue Code and whose primary purpose is the preservation of historical cemeteries and graves or any person or locality that owns a historical African American cemetery.

B. At the direction of the Director, the Comptroller of the Commonwealth shall draw an annual warrant upon the State Treasurer from any sum that may be provided in the general appropriation act in favor of the treasurer of a qualified organization caring for any cemetery set forth in this subsection. Such appropriations shall be allocated on the basis of the number of graves, monuments, and markers in a cemetery of African Americans who lived at any time between January 1, 1800, and January 1, 1900, the dates to be determined by reference to grave markers or, at the discretion of the Director, other historical records. Such number of graves, monuments, and markers, as set forth opposite the cemetery name or as documented by the qualified organization, shall be multiplied by the rate of \$5 or the average actual cost of routine maintenance of a grave, monument, or marker, whichever is greater, to determine the amount of the allocation. The Department shall determine the average actual cost of routine maintenance of a grave, monument, or marker in a biennial survey of at least four properly maintained cemeteries, each located in a different geographical region of the Commonwealth.
