INTRODUCED

HB260

59 Upon receipt of the request for a criminal history record information check, the State Police shall (a)
60 review its criminal history record information to determine if the buyer or transferee is prohibited from
61 possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates
62 that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number
63 for that inquiry.

64 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or
65 by return call without delay. If the criminal history record information check indicates the prospective
66 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity
67 and committed to the custody of the Commissioner of Behavioral Health and Developmental Services,
68 the State Police shall have until the end of the dealer's next business day to advise the dealer *within five*
69 *business days* if its records indicate the buyer or transferee is prohibited from possessing or transporting
70 a firearm by state or federal law. If not so advised by the end of the dealer's next business day *within*
71 *five business days*, a dealer who has fulfilled the requirements of subdivision 1 may immediately
72 complete the sale or transfer and shall not be deemed in violation of this section with respect to such
73 sale or transfer. In case of electronic failure or other circumstances beyond the control of the State
74 Police, the dealer shall be advised immediately of the reason for such delay and be given an estimate of
75 the length of such delay. After such notification, the State Police shall, as soon as possible but in no
76 event later than the end of the dealer's next *fifth* business day, inform the requesting dealer if its records
77 indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state or
78 federal law. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a
79 response will not be available by the end of the dealer's next business day may immediately complete
80 the sale or transfer and shall not be deemed in violation of this section with respect to such sale or
81 transfer.

82 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
83 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
84 months, from any dealer's request for a criminal history record information check pertaining to a buyer
85 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
86 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
87 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
88 number and the transaction date.

89 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
90 deliver the written consent form required by subsection A to the Department of State Police. The State
91 Police shall immediately initiate a search of all available criminal history record information to
92 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
93 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
94 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
95 the jurisdiction where the sale or transfer occurred and the dealer without delay.

96 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
97 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
98 residents of other states under the terms of subsections A and B upon furnishing the dealer with one
99 photo-identification form issued by a governmental agency of the person's state of residence and one
100 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

101 6. For the purposes of this subsection, the phrase "~~dealer's next business day~~" "*within five business*
102 *days*" shall not include December 25.

103 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the
104 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
105 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the
106 Department of State Police a report indicating that a search of all available criminal history record
107 information has not disclosed that the person is prohibited from possessing or transporting a firearm
108 under state or federal law. The dealer shall obtain the required report by mailing or delivering the
109 written consent form required under subsection A to the State Police within 24 hours of its execution. If
110 the dealer has complied with the provisions of this subsection and has not received the required report
111 from the State Police within 10 days from the date the written consent form was mailed to the
112 Department of State Police, he shall not be deemed in violation of this section for thereafter completing
113 the sale or transfer.

114 D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting
115 or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check
116 through the dealer as provided in subsection C.

117 E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
118 exercise his right of access to and review and correction of criminal history record information under
