Be it enacted by the General Assembly of Virginia:

1. That § 64.2-2000 of the Code of Virginia is amended and reenacted as follows:

§ 64.2-2000. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Advance directive" shall have the same meaning as provided in the Health Care Decisions Act (§ 54.1-2981 et seq.).

"Conservator" means a person appointed by the court who is responsible for managing the estate and financial affairs of an incapacitated person and, where the context plainly indicates, includes a "limited conservator" or a "temporary conservator." The term includes (i) a local or regional program designated by the Department for Aging and Rehabilitative Services as a public conservator pursuant to Article 6 (§ 51.5-149 et seq.) of Chapter 14 of Title 51.5 or (ii) any local or regional tax-exempt charitable organization established pursuant to § 501(c)(3) of the Internal Revenue Code to provide conservatorial services to incapacitated persons. Such tax-exempt charitable organization shall not be a provider of direct services to the incapacitated person. If a tax-exempt charitable organization has been designated by the Department for Aging and Rehabilitative Services as a public conservator, it may also serve as a conservator for other individuals.

"Estate" includes both real and personal property.

"Facility" means a state or licensed hospital, training center, psychiatric hospital, or other type of residential or outpatient mental health or mental retardation facility. When modified by the word "state," "facility" means a state hospital or training center operated by the Department of Behavioral Health and Developmental Services, including the buildings and land associated with it.

"Guardian" means a person appointed by the court who is responsible for the personal affairs of an incapacitated person, including responsibility for making decisions regarding the person's support, care, health, safety, habilitation, education, therapeutic treatment, and, if not inconsistent with an order of involuntary admission, residence. Where the context plainly indicates, the term includes a "limited guardian" or a "temporary guardian." The term includes (i) a local or regional program designated by the Department for Aging and Rehabilitative Services as a public guardian pursuant to Article 6 (§ 51.5-149 et seq.) of Chapter 14 of Title 51.5 or (ii) any local or regional tax-exempt charitable organization established pursuant to § 501(c)(3) of the Internal Revenue Code to provide guardian services to incapacitated persons. Such tax-exempt charitable organization shall not be a provider of direct services to the incapacitated person. If a tax-exempt charitable organization has been designated by the Department for Aging and Rehabilitative Services as a public guardian, it may also serve as a guardian for other individuals.

"Incapacitated person" means an adult who has been found by a court to be incapable of receiving and evaluating information effectively or responding to people, events, or environments to such an extent that the individual lacks the capacity to (i) meet the essential requirements for his health, care, safety, or therapeutic needs without the assistance or protection of a guardian or (ii) manage property or financial affairs or provide for his support or for the support of his legal dependents without the assistance or protection of a conservator. A finding that the individual displays poor judgment alone shall not be considered sufficient evidence that the individual is an incapacitated person within the meaning of this definition. A finding that the individual has a particular [~~clinical~~] diagnosis shall not alone be sufficient evidence that the individual is an incapacitated person within the meaning of this definition. A finding that a person is incapacitated shall be construed as a finding that the person is "mentally incompetent" as that term is used in Article II, Section 1 of the Constitution of Virginia and Title 24.2 unless the court order entered pursuant to this chapter specifically provides otherwise.

"Individual receiving services" or "individual" means a current direct recipient of public or private mental health, developmental, or substance abuse treatment, rehabilitation, or habilitation services and includes the terms "consumer," "patient," "resident," "recipient," or "client."

"Limited conservator" means a person appointed by the court who has only those responsibilities for managing the estate and financial affairs of an incapacitated person as specified in the order of
