C. The disclosure packet shall be delivered in accordance with the written request and instructions of the seller or the seller's authorized agent, including whether the disclosure packet shall be delivered electronically or in hard copy, and shall specify the complete contact information for the parties to whom the disclosure packet shall be delivered. The disclosure packet required by this section shall not, in and of itself, be deemed a security as defined in § 13.1-501.

D. The seller or the seller's authorized agent may request that the disclosure packet be provided in hard copy or in electronic form. An association or common interest community manager may provide the disclosure packet electronically; however, the seller or the seller's authorized agent shall have the right to request that the association disclosure packet be provided in hard copy. The seller or the seller's authorized agent shall continue to have the right to request a hard copy of the disclosure packet in person at the principal place of business of the association. The disclosure packet shall not be delivered in hard copy if the requester has requested delivery of such disclosure packet electronically. If the disclosure packet is provided electronically by a website link, the preparer shall not cause the website link to expire within the subsequent 90-day period. The preparer shall not charge another fee during the subsequent 12-month period, except that the preparer may charge an update fee for a financial update or for an inspection as provided in § 55.1-1810. If the seller or the seller's authorized agent asks that the disclosure packet be provided in electronic format, the seller or the seller's authorized agent may request that an electronic copy be provided to each of the following named in the request: the seller, the seller's authorized agent, the purchaser, the purchaser's authorized agent, and not more than one other person designated by the requester. If so requested, the property owners' association or its common interest community manager may require the seller or the seller's authorized agent to pay the fee specified in § 55.1-1810. Regardless of whether the disclosure packet is delivered in paper form or electronically, the preparer of the disclosure packet shall provide such disclosure packet directly to the persons designated by the requester to the addresses or, if applicable, the email addresses provided by the requester.

**§ 55.1-1814. Exceptions to disclosure requirements.**

A. The contract disclosures required by § 55.1-1808 and the association disclosure packet required by § 55.1-1809 shall not be provided in the case of:

2. A disposition of a lot pursuant to court order if the court so directs;
3. A disposition of a lot by foreclosure or deed in lieu of foreclosure;
4. A disposition of a lot by a sale at an auction, where the association disclosure packet was made available as part of an auction package for prospective purchasers prior to the auction sale; or

If such disclosures are not requested, a statement in the contract of sale that the purchaser is not acquiring the lot for such purpose shall be conclusive and may be relied upon by the seller of the lot. The person or entity acquiring the lot shall nevertheless be obligated to abide by the declaration, bylaws, rules and regulations, and architectural guidelines of the association as to all matters.

B. In any transaction in which an association disclosure packet is required and a trustee acts as the seller in the sale or resale of a lot, the trustee shall obtain the association disclosure packet from the association and provide the packet to the purchaser.

C. In the case of an initial disposition of a lot by the declarant, the association disclosure packet required by § 55.1-1809 need not include the information referenced in subdivisions A 2, 3, 5, or 9 of § 55.1-1809, and it shall include the information referenced in subdivision A ~~17~~ 18 of § 55.1-1809 only if the association has filed an annual report prior to the date of such disclosure packet.
