2020 SESSION

20100602D **SENATE BILL NO. 1061** 1 2 Offered January 17, 2020 3 A BILL to amend and reenact § 15.2-958.3 of the Code of Virginia, relating to C-PACE loans; 4 residential dwellings and condominiums. 5 Patrons-Petersen and Boysko 6 7 Referred to Committee on General Laws and Technology 8 9 Be it enacted by the General Assembly of Virginia: 1. That § 15.2-958.3 of the Code of Virginia is amended and reenacted as follows: 10 § 15.2-958.3. Financing clean energy, resiliency, and stormwater management programs. 11 A. Any locality may, by ordinance, authorize contracts to provide loans for the initial acquisition and 12 13 installation of clean energy, resiliency, or stormwater management improvements with free and willing 14 property owners of both existing properties and new construction. Such an ordinance shall include but 15 not be limited to the following: 1. The kinds of renewable energy production and distribution facilities, energy usage efficiency 16 improvements, resiliency improvements, water usage efficiency improvements, or stormwater 17 management improvements for which loans may be offered. Resiliency improvements may include 18 19 mitigation of flooding or the impacts of flooding or stormwater management improvements with a 20 preference for natural or nature-based features and living shorelines as defined in § 28.2-104.1; 21 2. The proposed arrangement for such loan program, including (i) a statement concerning the source 22 of funding that will be used to pay for work performed pursuant to the contracts; (ii) the interest rate 23 and time period during which contracting property owners would repay the loan; and (iii) the method of apportioning all or any portion of the costs incidental to financing, administration, and collection of the 24 25 arrangement among the consenting property owners and the locality; 26 3. (i) A minimum and maximum aggregate dollar amount that may be financed with respect to a 27 property and (ii) if a locality or other public body is originating the loan, a maximum aggregate dollar 28 amount that may be financed with respect to loans originated by the locality or other public body; 29 4. In the case of a loan program described in clause (ii) of subdivision 3, a method for setting 30 requests from property owners for financing in priority order in the event that requests appear likely to 31 exceed the authorization amount of the loan program. Priority shall be given to those requests from property owners who meet established income or assessed property value eligibility requirements; 32 33 5. Identification of a local official authorized to enter into contracts on behalf of the locality. A 34 locality may contract with a third party for professional services to administer such loan program; 35 6. Identification of any fee that the locality intends to impose on the property owner requesting to 36 participate in the loan program to offset the cost of administering the loan program. The fee may be 37 assessed as (i) a program application fee paid by the property owner requesting to participate in the 38 program, (ii) a component of the interest rate on the assessment in the written contract between the 39 locality and the property owner, or (iii) a combination of clauses (i) and (ii); and 40 7. A draft contract specifying the terms and conditions proposed by the locality. 41 B. The locality may combine the loan payments required by the contracts with billings for water or sewer charges, real property tax assessments, or other billings; in such cases, the locality may establish 42 the order in which loan payments will be applied to the different charges. The locality may not combine 43 44 its billings for loan payments required by a contract authorized pursuant to this section with billings of another locality or political subdivision, including an authority operating pursuant to Chapter 51 (§ 45 46 15.2-5100 et seq.), unless such locality or political subdivision has given its consent by duly adopted 47 resolution or ordinance. C. The locality shall offer private lending institutions the opportunity to participate in local loan 48 49 programs established pursuant to this section. D. In order to secure the loan authorized pursuant to this section, the locality shall be authorized to 50 51 place a voluntary special assessment lien equal in value to the loan against any property where such 52 clean energy systems, resiliency improvements, or stormwater management improvements are being 53 installed. The locality may bundle or package said loans for transfer to private lenders in such a manner that would allow the voluntary special assessment liens to remain in full force to secure the loans. 54 55 E. A voluntary special assessment lien on real property other than a residential dwelling with fewer than five dwelling units or a condominium project as defined in § 55.1-2000: 1. Shall have the same priority status as a property tax lien against real property, except that such

56 57

1/9/23 12:51

58 voluntary special assessment lien shall have priority over any previously recorded mortgage or deed of INTRODUCED

59 trust lien only if (i) a written subordination agreement, in a form and substance acceptable to each prior 60 lienholder in its sole and exclusive discretion, is executed by the holder of each mortgage or deed of

61 trust lien on the property and recorded with the special assessment lien in the land records where the

62 property is located, and (ii) evidence that the property owner is current on payments on loans secured by

63 a mortgage or deed of trust lien on the property and on property tax payments, that the property owner

64 is not insolvent or in bankruptcy proceedings, and that the title of the benefited property is not in dispute is submitted to the locality prior to recording of the special assessment lien;

66 2. Shall run with the land, and that portion of the assessment under the assessment contract that has not yet become due is not eliminated by foreclosure of a property tax lien;

3. May be enforceable by the local government in the same manner that a property tax lien against real property may be enforced by the local government. A local government shall be entitled to recover costs and expenses, including attorney fees, in a suit to collect a delinquent installment of an assessment in the same manner as in a suit to collect a delinquent property tax; and

4. May incur interest and penalties for delinquent installments of the assessment in the same manneras delinquent property taxes.

F. Prior to the enactment of an ordinance pursuant to this section, a public hearing shall be held at
which interested persons may object to or inquire about the proposed loan program or any of its
particulars. The public hearing shall be advertised once a week for two successive weeks in a newspaper
of general circulation in the locality.
