7 **Be it enacted by the General Assembly of Virginia:**

8 1. § 1. That the Department of General Services (the Department) is directed to (i) determine which
9 state-owned structures have a higher likelihood of being involved in a natural or man-made emergency
10 that may require special access by law-enforcement personnel and (ii) study the desirability and
11 feasibility of coordinating with local law enforcement in the installation of key boxes (a) containing keys
12 or other credentials or access cards that may be necessary for law-enforcement officials to gain access
13 to such structure or an area within such structure during an emergency and (b) listed in accordance
14 with UL LLC Standards 437 and 1037 in strategic locations on the outside of such structures. To the
15 extent that the Department determines that installation of such key boxes is desirable and feasible, it
16 may implement procedures to do so. The Department shall report its findings to the Governor and the
17 General Assembly by December 1, 2020.
