Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; and (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, or been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction.

INTRODUCED

SB22

59 Upon receipt of the request for a criminal history record information check, the State Police shall (a)
60 review its criminal history record information to determine if the buyer or transferee is prohibited from
61 possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates
62 that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number
63 for that inquiry.

64 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or
65 by return call without delay. If the criminal history record information check indicates the prospective
66 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity
67 and committed to the custody of the Commissioner of Behavioral Health and Developmental Services,
68 the State Police shall have until the end of the dealer's next business day to advise the dealer if its
69 records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state
70 or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled
71 the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be
72 deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or
73 other circumstances beyond the control of the State Police, the dealer shall be advised immediately of
74 the reason for such delay and be given an estimate of the length of such delay. After such notification,
75 the State Police shall, as soon as possible but in no event later than the end of the dealer's next business
76 day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from
77 possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of
78 subdivision 1 and is told by the State Police that a response will not be available by the end of the
79 dealer's next business day may immediately complete the sale or transfer and shall not be deemed in
80 violation of this section with respect to such sale or transfer.

81 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
82 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
83 months, from any dealer's request for a criminal history record information check pertaining to a buyer
84 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
85 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
86 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
87 number and the transaction date.

88 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
89 deliver the written consent form required by subsection A to the Department of State Police. The State
90 Police shall immediately initiate a search of all available criminal history record information to
91 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
92 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
93 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
94 the jurisdiction where the sale or transfer occurred and the dealer without delay.

95 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
96 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
97 residents of other states under the terms of subsections A and B upon furnishing the dealer with one
98 photo-identification form issued by a governmental agency of the person's state of residence and one
99 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

100 6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include
101 December 25.

102 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the
103 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
104 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the
105 Department of State Police a report indicating that a search of all available criminal history record
106 information has not disclosed that the person is prohibited from possessing or transporting a firearm
107 under state or federal law. The dealer shall obtain the required report by mailing or delivering the
108 written consent form required under subsection A to the State Police within 24 hours of its execution. If
109 the dealer has complied with the provisions of this subsection and has not received the required report
110 from the State Police within 10 days from the date the written consent form was mailed to the
111 Department of State Police, he shall not be deemed in violation of this section for thereafter completing
112 the sale or transfer.

113 D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting
114 or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check
115 through the dealer as provided in subsection C.

116 E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
117 exercise his right of access to and review and correction of criminal history record information under
118 § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within
119 30 days of such denial.

120 F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history
