C. The Commissioner may designate such persons as he deems fit, including private or governmental entities, including comprehensive community colleges in the Virginia Community College System, to administer the knowledge and skills tests required of applicants for a commercial driver's license. Any person so designated shall comply with all statutes and regulations with respect to the administration of such tests.

The Commissioner shall require all state and third party test examiners to successfully complete a formal commercial driver's license test examiner training course and examination before certifying them to administer commercial driver's license knowledge and skills tests. The Commissioner may, by regulation, determine whether any other visual tests will satisfy the requirements of this title for commercial drivers.

E. No person who fails the behind-the-wheel examination for a commercial driver's license administered by the Department three times shall be permitted to take such examination a fourth time until he successfully completes, subsequent to the third examination failure, the in-vehicle component of driver instruction at a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.) or a comprehensive community college in the Virginia Community College System, or a comparable course approved by the Department or the Department of Education. The Department shall notify the affected schools and comprehensive community colleges if new relevant topics are added to the course curriculum. Schools and comprehensive community colleges shall have 45 calendar days after such notice is issued to update their course curriculum and to certify to the Department in a format prescribed by the Department that the school or comprehensive community college has added the new topics to the course curriculum.

The provisions of this subsection shall not apply to persons placed under medical control pursuant to § 46.2-322.

Such test results shall be electronically transmitted directly from the Commonwealth to the licensing state in an efficient and secure manner. The Department may charge a fee of not more than \$85 to any such applicant.

I. The Department shall accept the results of skills tests administered to applicants by any other state in fulfillment of the applicant's testing requirements for commercial licensure in the Commonwealth.

J. The Department may administer skills performance evaluations in accordance with its agreement with the FMCSA. Notwithstanding the provisions of § 46.2-208, any medical information that is collected as part of the evaluation may be released to and inspected by the FMCSA.

The Commissioner shall revoke the certification to administer commercial driver's license tests for any test examiner who (i) does not successfully complete the required refresher training every four years or (ii) does not pass the required nationwide criminal background check.
