Be it enacted by the General Assembly of Virginia:

§ 63.2-100. Definitions.

As used in this title, unless the context requires a different meaning:

"Abused or neglected child" means any child less than 18 years of age:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health. However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care commits or allows to be committed any act of sexual exploitation or any sexual act upon a child in violation of the law;

5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian or other person standing in loco parentis;

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55.1-2000, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902; or

7. Who has been identified as a victim of sex trafficking or severe forms of trafficking as defined in the Trafficking Victims Protection Act of 2000, 22 U.S.C § 7102 et seq., and in the Justice for Victims of Trafficking Act of 2015, 42 U.S.C. § 5101 et seq.

If a civil proceeding under this title is based solely on the parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended emergency medical services agency that employs emergency medical services providers, within 14 days of the child's birth. For purposes of terminating parental rights pursuant to § 16.1-283 and placement for adoption, the court may find such a child is a neglected child upon the ground of abandonment.

345 "Title IV-E Foster Care" means a federal program authorized under §§ 472 and 473 of the Social

348 **§ 63.2-900.1. Kinship foster care.**

349 A. The local board shall, in accordance with regulations adopted by the Board, determine whether the
350 child has any relative who may be eligible to become a kinship foster parent. Searches for relatives
351 eligible to serve as kinship foster parents shall be conducted at the time the child enters foster care, at
352 least annually thereafter, and prior to any subsequent changes to the child's placement setting. The local
353 board shall take all reasonable steps to provide notice to such relatives of their potential eligibility to
354 become kinship foster parents and explain any opportunities such relatives may have to participate in the
355 placement and care of the child, including opportunities available through kinship foster care or kinship
356 guardianship.

357 B. Kinship foster care placements pursuant to this section shall be subject to all requirements of, and
358 shall be eligible for all services related to, foster care placement contained in this chapter. Subject to
359 approval by the Commissioner, a local board may grant a waiver of the Board's standards for foster
360 home approval, set forth in regulations, that are not related to safety. Waivers granted pursuant to this
361 subsection shall be considered and, if appropriate, granted on a case-by-case basis and shall include
362 consideration of the unique needs of each child to be placed. Upon request by a local board, the
363 Commissioner shall review the local board's decision and reasoning to grant a waiver and shall verify
364 that the foster home approval standard being waived is not related to safety. The approval or disapproval
365 by the Commissioner of the local board's waiver shall not be considered a case decision as defined in §
366 2.2-4001.

367 C. The kinship foster parent shall be eligible to receive payment at the full foster care rate for the
368 care of the child.

369 D. A child placed in kinship foster care pursuant to this section shall not be removed from the
370 physical custody of the kinship foster parent, provided that the child has been living with the kinship
371 foster parent for six consecutive months and the placement continues to meet approval standards for
372 foster care, unless (i) the kinship foster parent consents to the removal; (ii) removal is agreed upon at a
373 family partnership meeting as defined by the Department; (iii) removal is ordered by a court of
374 competent jurisdiction; or (iv) removal is warranted pursuant to § 63.2-1517.

375 E. For purposes of this section, "relative" means an adult who is (a) related to the child by blood,
376 marriage, or adoption or (ii) fictive kin of the child.

377 **§ 63.2-905. Foster care services.**

383 agency designated by the community policy and management team and the parents or guardians where
384 legal custody remains with the parents or guardians, (iii) has been committed or entrusted to a local
385 board or licensed child placing agency, or (iv) is living with a relative participating in the

387 consistent with 42 U.S.C. § 673 or the State-Funded Kinship Guardianship Assistance program set forth
388 in § 63.2-1306. Foster care services also include the provision and restoration of independent living
389 services to a person who is over the age of 18 years but who has not yet reached the age of 21 years, in
390 accordance with § 63.2-905.1.

391 **§ 63.2-1305. Federal-Funded Kinship Guardianship Assistance program.**

392 A. The Federal-Funded Kinship Guardianship Assistance program is established to facilitate
393 placements with relatives and ensure permanency for children for whom adoption or being returned
394 home are not appropriate permanency options. Kinship guardianship assistance payments may include
395 Title IV-E maintenance payments, state-funded maintenance payments, state special services payments,
396 and nonrecurring expense payments made pursuant to this section.

397 B. A child is eligible for kinship guardianship assistance under the program if:

404 4. The child demonstrates a strong attachment to the prospective kinship guardian, and the
405 prospective kinship guardian has a strong commitment to caring permanently for the child; and

407 older.

409 meets such criteria, the child may be placed in the same kinship guardianship with his eligible sibling,
410 in accordance with 42 U.S.C. § 671(a)(31), if the local department and kinship guardian agree that such
411 placement is appropriate. In such cases, kinship guardianship assistance may be paid on behalf of each
412 sibling so placed.

413 D. In order to receive payments under 42 U.S.C. § 674(a)(5) or pursuant to the Children's Services
414 Act (§ 2.2-5200 et seq.), the local department and the prospective kinship guardian of a child who meets

428 kinship guardian.

429 E. A kinship guardianship assistance payment on behalf of a child pursuant to this section shall not
430 exceed the foster care maintenance payment that would have been paid on behalf of the child had the
431 child remained in a foster family home.
