90 **§ 6.2-2603. Bond required.**

91 The application for a license shall be accompanied by a bond filed with the Commissioner with

105 B. For the purpose of investigating individuals who are members, senior officers, directors, trustees,
106 and principals of an applicant, such persons shall consent to a criminal history records check and
107 submit to fingerprinting. Each member, senior officer, director, trustee, and principal shall pay for the
108 cost of such fingerprinting and criminal history records check. Such persons shall cause their
109 fingerprints, personal descriptive information, and records check fees to be submitted to either of the
110 following, as prescribed by the Commission:

111 1. The Commissioner, who shall forward these items to the Central Criminal Records Exchange. The
112 Central Criminal Records Exchange shall (i) conduct a search of its own criminal history records and
113 forward such individuals' fingerprints and personal descriptive information to the Federal Bureau of
114 Investigation for the purpose of obtaining national criminal history record information regarding such
115 individuals and (ii) forward the results of the state and national records searches to the Commissioner
116 or his designee, who shall be an employee of the Commission; or

117 2. The Registry, provided that it is capable of processing criminal history records checks.

118 C. If any member, senior officer, director, trustee, or principal of an applicant fails to cause his
119 fingerprints, personal descriptive information, or records check fees to be submitted in accordance with
120 subsection B, the application for a qualified education loan servicer license shall be denied.

§ 6.2-2605. Qualifications.

A. Upon the filing and investigation of an application for a license, compliance by the applicant with the provisions of §§ 6.2-2602 and 6.2-2603, and compliance by the persons identified in subsection B of § 6.2-2604 with the provisions contained therein, the Commission shall issue and deliver to the applicant the license applied for to engage in business under this chapter at the location specified in the application if it finds that:

1. The financial responsibility, character, experience, and general fitness of the applicant and its members, senior officers, directors, trustees, and principals are such as to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with the law;

2. The application does not contain any false statement of a material fact; and

3. The application does not omit any statement of a material fact that is required by § 6.2-2602.

B. If the Commission fails to make such findings, no license shall be issued and the Commissioner shall notify the applicant of the denial and the reasons for such denial.

§ 6.2-2606. Licenses; place of business; changes; renewal.

A. Each license shall state the address at which the principal place of business is to be conducted and shall state fully the legal name of the licensee as well as any fictitious names by which the licensee is conducting business under this chapter. Licenses shall not be transferable or assignable, by operation of law or otherwise. No licensee shall use any names other than the legal name or fictitious names set forth on the license issued by the Commission.

B. Every licensee shall notify the Commissioner, in writing, at least 30 days prior to relocating its principal place of business and confirm the change in writing within five days after such relocation.

C. Every licensee shall within 10 days notify the Commissioner, in writing, of (i) any change to its legal name; (ii) any change to or additional fictitious name by which the licensee is conducting business under this chapter; and (iii) the name, address, and position of each new member, senior officer, director, trustee, and principal. At the direction of the Commissioner, any such individual shall be treated as a member, senior officer, director, trustee, or principal of an applicant for the purpose of being investigated pursuant to subsection B of § 6.2-2604. The licensee shall provide such other information with respect to the changes and persons identified in this subsection as the Commissioner may reasonably require.

D. Every license shall remain in force until it expires or has been surrendered, revoked, or suspended. The expiration, surrender, revocation, or suspension of a license shall not affect any preexisting legal right or obligation of such licensee.

E. Notwithstanding any other provision of this chapter, a qualified education loan servicer license shall expire at the end of each calendar year unless it is renewed by a licensee prior to the expiration date. A licensee may renew its license by (i) requesting renewal through the Registry and (ii) complying with any requirements associated with such renewal request that are imposed by the Registry. If a qualified education loan servicer license has expired, the Commission may by regulation permit the former licensee to seek license reinstatement after the license expiration date by renewing its license in accordance with this subsection and paying a reinstatement fee as prescribed by the Commission.

§ 6.2-2607. Retention of records; responding to the Bureau.

A. Each licensee shall maintain in its principal place of business such books, accounts, and records as the Commissioner may reasonably require in order to determine whether such person is complying with the provisions of this chapter and other laws applicable to the conduct of its business. Such books, accounts, and records shall be maintained apart and separate from any other business in which the qualified education loan servicer is involved. Each licensee shall maintain adequate records of each qualified education loan transaction for at least three years after final payment is made on such loan or the assignment of such qualified education loan, whichever occurs first.

B. To safeguard the privacy of qualified education loan borrowers, records containing personal financial information shall be shredded, incinerated, or otherwise disposed of by a licensee in a secure manner. Licensees may arrange for the shredding, incineration, or other disposal of the records from a business record destruction vendor.

C. When the Bureau requests a written response, books, records, documentation, or other information from a licensee in connection with the Bureau's investigation, enforcement, or examination of compliance with applicable laws, the licensee shall deliver a written response as well as any requested books, records, documentation, or information within the time period specified in the Bureau's request. If no time period is specified, a written response as well as any requested books, records, documentation, or information shall be delivered by the licensee to the Bureau not later than 30 days from the date of such request. In determining the specified time period for responding to the Bureau and when considering a request for an extension of time to respond, the Bureau shall take into consideration the volume and complexity of the requested written response, books, records, documentation, or information and such other factors as the Bureau determines to be relevant under the circumstances.

§ 6.2-2608. Acquisition of control; application.

A. Except as provided in this section, no person shall acquire, directly or indirectly, 25 percent or more of the voting shares of a corporation or 25 percent or more of the ownership of any other person licensed to conduct business under this chapter unless such person first:

1. Files an application with the Commission in such form as the Commissioner may prescribe from time to time;

2. Delivers such other information to the Commissioner as the Commissioner may require concerning the financial responsibility, background, experience, and general fitness of the applicant and of any proposed new directors, senior officers, principals, trustees, or members of the licensee;

3. Submits and furnishes to the Commissioner information concerning the identity of the applicant and of any proposed new directors, senior officers, principals, trustees, or members of the licensee. a. The Commissioner, who shall forward these items to the Central Criminal Records Exchange. The Central Criminal Records Exchange shall (i) conduct a search of its own criminal history records and forward such individuals' fingerprints and personal descriptive information to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding such individuals and (ii) forward the results of the state and national records search to the Commissioner or his designee, who shall be an employee of the Commission; or

b. The Registry, provided that it is capable of processing criminal history records checks; and

4. Pays such application fee as the Commission may prescribe.

B. Upon the filing and investigation of an application, the Commission shall permit the applicant to acquire the interest in the licensee if it finds that the applicant and any proposed new directors, members, senior officers, trustees, and principals of the licensee have the financial responsibility, character, experience, and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law. The Commission shall grant or deny the application within 60 days from the date a completed application accompanied by the required fee is filed unless the period is extended by order of the Commissioner reciting the reasons for the extension. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.

C. The provisions of this section shall not apply to the acquisition of an interest in a licensee (i) directly or indirectly, including an acquisition by merger or consolidation, by or with a person licensed or exempt from licensing under this chapter; (ii) directly or indirectly, by merger or consolidation by or with a person affiliated through common ownership with the licensee; or (iii) by bequest, descent, survivorship, or operation of law. The person acquiring an interest in a licensee in a transaction that is exempt from filing an application by this subsection shall send written notice of such acquisition to the Commissioner within 30 days of its closing.

A. In order to defray the costs of their examination, supervision, and regulation, every licensee under this chapter shall pay an annual fee calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the business volume of such licensees, the actual costs of their examinations, and other factors relating to their supervision and regulation. All such fees shall be assessed on or before April 1 for every calendar year. All such fees shall be paid by the licensee to the State Treasurer on or before May 1 following each assessment.
