682 remained in office until such delivery, and any bonds may bear the facsimile signature of, or may be
683 signed by, such persons as at the actual time of the execution of such bonds shall be the proper officers
684 to sign such bonds although at the date of such bonds such persons may not have been such officers.

685 E. The bonds may be issued in coupon or in registered form, or both, as the Authority may
686 determine, and provision may be made for the registration of any coupon bonds as to principal alone
687 and also as to both principal and interest, for the reconversion into coupon bonds of any bonds
688 registered as to both principal and interest, and for the interchange of registered and coupon bonds.

694 services itself. The Authority may sell such bonds in such manner, either at public or private sale, and
695 for such price as it may determine will best effect the purposes of this article.

696 F. The proceeds of the bonds of each issue shall be used solely for the purposes, and in furtherance
697 of the powers, of the Authority as may be provided in the resolution authorizing the issuance of such
698 bonds or in the trust agreement hereinafter mentioned securing the same.

699 G. In addition to the above powers, the Authority shall have the authority to issue interim receipts or
700 temporary bonds as provided in § 15.2-2616 and to execute and deliver new bonds in place of bonds
701 mutilated, lost, or destroyed as provided in § 15.2-2621.

702 H. All expenses incurred in carrying out the provisions of this article shall be payable solely from
703 funds available pursuant to the provisions of this article, and no liability shall be incurred by the
704 Authority hereunder beyond the extent to which moneys shall have been provided or received under the
705 provisions of this article.

706 I. At the discretion of the Authority, any bonds issued under the provisions of this article may be
707 secured by a trust indenture or agreement by and between the Authority and a corporate trustee, which
708 may be any trust company or bank having the powers of a trust company within or outside the
709 Commonwealth. Such trust indenture or agreement or the resolution providing for the issuance of such
710 bonds may pledge or assign the revenues to be received and provide for the mortgage of any rail
711 facilities or property or any part thereof. Such trust indenture or agreement or resolution providing for
712 the issuance of such bonds may contain such provisions for protecting and enforcing the rights and
713 remedies of the bondholders as may be reasonable and proper and not in violation of law, including
714 covenants providing for the repossession and sale by the Authority or any trustees under any trust
715 indenture or agreement of any rail facilities, or part thereof, upon any default under the lease or sale of
716 such rail facilities, setting forth the duties of the Authority in relation to the acquisition of property and
717 the planning, development, acquisition, construction, rehabilitation, establishment, improvement,
718 extension, enlargement, maintenance, repair, operation, and insurance of the rail facilities in connection
719 with which such bonds shall have been authorized; the amounts of rates, rents, fees, and other charges
720 to be charged; the collection of such rates, rents, fees, and other charges; the custody, safeguarding,
721 and application of all moneys; and conditions or limitations with respect to the issuance of additional
722 bonds. It is lawful for any national bank with its main office in the Commonwealth or any other state or
723 any bank or trust company incorporated under the laws of the Commonwealth or another state that may
724 act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to

726 resolution may set forth the rights of action by bondholders. In addition to the foregoing, any such trust
727 indenture or agreement or resolution may contain such other provisions as the Authority may deem
728 reasonable and proper for the security of the bondholders including, without limitation, provisions for
729 the assignment to a corporate trustee or escrow agent of any rights of the Authority in any project

2188 the development and/or operation of the transportation facility or facilities as a qualifying transportation
2189 facility serves the best interest of the public if:
2190 1. The private entity can develop and/or operate the transportation facility or facilities with a public
2191 contribution amount that is less than the maximum public contribution determined pursuant to subsection
2192 A of § 33.2-1803.1:1 for transportation facilities where the Department of Transportation, *the Virginia*
2193 *Passenger Rail Authority*, or the Department of Rail and Public Transportation is the responsible public
2194 entity;
2195 2. There is a public need for the transportation facility or facilities the private entity proposes to
2196 develop and/or operate as a qualifying transportation facility and for transportation facilities where the
2197 Department of Transportation or the Department of Rail and Public Transportation is the responsible
2198 public entity, such facility or facilities meet a need included in the plan developed pursuant to
2199 § 33.2-353;
2200 3. The plan for the development and/or operation of the transportation facility or facilities is
2201 anticipated to have significant benefits as determined pursuant to subdivision B 1 of § 33.2-1803.1;
2202 4. The private entity's plans will result in the timely development and/or operation of the
2203 transportation facility or facilities or their more efficient operation; and
2204 5. The risks, liabilities, and responsibilities transferred, assigned, or assumed by the private entity
2205 provide sufficient benefits to the public to not proceed with the development and/or operation of the
2206 transportation facility through other means of procurement available to the responsible public entity.
2207 In evaluating any request, the responsible public entity may rely upon internal staff reports prepared
2208 by personnel familiar with the operation of similar facilities or the advice of outside advisors or
2209 consultants having relevant experience.
2210 D. The responsible public entity shall not enter into a comprehensive agreement unless the chief
2211 executive officer of the responsible public entity certifies in writing to the Governor and the General

Assembly that:

1. The finding of public interest issued pursuant to § 33.2-1803.1 is still valid;

2. The transfer, assignment, and assumption of risks, liabilities, and permitting responsibilities and the mitigation of revenue risk by the private sector have not materially changed since the finding of public interest was issued pursuant to § 33.2-1803.1; and

3. The public contribution requested by the private entity does not exceed the maximum public contribution determined pursuant to subsection A of § 33.2-1803.1:1.

Changes to the project scope that do not impact the assignment of risks or liabilities or the mitigation of revenue risk shall not be considered material changes to the finding of public interest, provided that such changes were presented in a public meeting to the Commonwealth Transportation Board, other state board, or the governing body of a locality, as appropriate.

E. The responsible public entity may charge a reasonable fee to cover the costs of processing, reviewing, and evaluating the request submitted by a private entity pursuant to subsection A, including reasonable attorney fees and fees for financial and other necessary advisors or consultants. The responsible public entity shall also develop guidelines that establish the process for the acceptance and review of a proposal from a private entity pursuant to subsections A, B, C, and D. Such guidelines shall establish a specific schedule for review of the proposal by the responsible public entity, a process for alteration of that schedule by the responsible public entity if it deems that changes are necessary because of the scope or complexity of proposals it receives, the process for receipt and review of competing proposals, and the type and amount of information that is necessary for adequate review of proposals in each stage of review. For qualifying transportation facilities that have approved or pending state and federal environmental clearances, have secured significant right-of-way, have previously allocated significant state or federal funding, or exhibit other circumstances that could reasonably reduce the amount of time to develop and/or operate the qualifying transportation facility in accordance with the purpose of this chapter, the guidelines shall provide for a prioritized documentation, review, and selection process.

F. The approval of the responsible public entity shall be subject to the private entity's entering into an interim agreement or a comprehensive agreement with the responsible public entity. For any project with an estimated construction cost of over \$50 million, the responsible public entity also shall require the private entity to pay the costs for an independent audit of any and all traffic and cost estimates associated with the private entity's proposal, as well as a review of all public costs and potential liabilities to which taxpayers could be exposed (including improvements to other transportation facilities that may be needed as a result of the proposal, failure by the private entity to reimburse the responsible public entity for services provided, and potential risk and liability in the event the private entity defaults on the comprehensive agreement or on bonds issued for the project). This independent audit shall be conducted by an independent consultant selected by the responsible public entity, and all such information from such review shall be fully disclosed.

G. In connection with its approval of the development and/or operation of the transportation facility or facilities as a qualifying transportation facility, the responsible public entity shall establish a date for the acquisition of or the beginning of construction of or improvements to the qualifying transportation facility. The responsible public entity may extend such date.

H. The responsible public entity shall take appropriate action, as more specifically set forth in its guidelines, to protect confidential and proprietary information provided by the private entity pursuant to an agreement under subdivision 11 of § 2.2-3705.6.

I. The responsible public entity may also apply for, execute, and/or endorse applications submitted by private entities to obtain federal credit assistance for qualifying projects developed and/or operated pursuant to this chapter.

§ 33.2-1803.1. Finding of public interest.

A. Prior to the meeting of the Committee pursuant to subsection C of § 33.2-1803.2, the chief executive officer of the responsible public entity shall make a finding of public interest. Such finding shall include information set forth in subsection B. For transportation facilities where the Department of Transportation, *the Virginia Passenger Rail Authority*, or the Department of Rail and Public Transportation is the responsible public entity, the Secretary of Transportation, in his role as chairman of the Board, must concur with the finding of public interest.

B. At a minimum, a finding of public interest shall contain the following information:

1. A description of the benefits expected to be realized by the responsible public entity through the development and/or operation of the transportation facility, including person throughput, congestion mitigation, safety, economic development, environmental quality, and land use.

2. An analysis of the public contribution necessary for the development and/or operation of the facility or facilities pursuant to subsection A of § 33.2-1803.1:1, including a maximum public contribution that will be allowed under the procurement.

2273 3. A description of the benefits expected to be realized by the responsible public entity through the
2274 use of this chapter compared with the development and/or operation of the transportation facility through
2275 other options available to the responsible public entity.

2276 4. A statement of the risks, liabilities, and responsibilities to be transferred, assigned, or assumed by
2277 the private entity, which shall include the following:

2278 a. A discussion of whether revenue risk will be transferred to the private entity and the degree to
2279 which any such transfer may be mitigated through other provisions in the interim or comprehensive
2280 agreements;

2281 b. A description of the risks, liabilities, and responsibilities to be retained by the responsible public
2282 entity; and

2283 c. Other items determined appropriate by the responsible public entity in the guidelines for this
2284 chapter.

2285 5. The determination of whether the project has a high, medium, or low level of project delivery risk
2286 and a description of how such determination was made. If the qualifying transportation facility is
2287 determined to contain high risk, a description of how the public's interest will be protected through the
2288 transfer, assignment, or assumption of risks or responsibilities by the private entity in the event that
2289 issues arise with the development and/or operation of the qualifying transportation facility.

2290 6. If the responsible public entity proposes to enter into an interim or comprehensive agreement
2291 pursuant to subdivision 2 of § 33.2-1819, information and the rationale demonstrating that proceeding in
2292 this manner is more beneficial than proceeding pursuant to subdivision 1 of § 33.2-1819.

2293 **§ 33.2-1803.1:1. Public sector analysis and competition.**

2294 A. For any transportation facility under consideration for development and/or operation under this
2295 chapter by the Department of Transportation, *the Virginia Passenger Rail Authority*, or the Department
2296 of Rail and Public Transportation, the responsible public entity shall ensure competition throughout the
2297 procurement process by developing a public sector option based on the analysis conducted in subsection

2298 B. The public sector option shall identify a maximum public contribution.

2299 B. The responsible public entity shall undertake, in cooperation with the Secretary of Transportation
2300 and the Secretary of Finance, a public sector analysis of the cost for the responsible entity to develop
2301 and/or operate the transportation facility or facilities being considered for development and/or operation
2302 pursuant to this chapter. At a minimum, such analysis shall contain the following information:

2303 1. Any mitigation of risk of user-fee financing through assumptions related to competing facilities,
2304 compensation for high usage of the facility by high-occupancy vehicles, or other considerations that may
2305 mitigate the risk of user-fee financing.

2306 2. Whether the Department of Transportation, *the Virginia Passenger Rail Authority*, or the
2307 Department of Rail and Public Transportation intends to maintain and operate the facility, or if the
2308 public sector option is based on the transfer of such responsibilities to the private sector.

2309 3. Public contribution, if any, that would still be required to cover all costs necessary for the
2310 development and/or operation of the transportation facility in excess of financing available should the
2311 General Assembly authorize the use of debt secured by a pledge of net revenues derived from rates,
2312 fees, or other charges and the full faith and credit of the Commonwealth pursuant to Article X, Section
2313 9 (c) of the Constitution of Virginia.

2314 4. Funds provided to support nonuser fee generating components of the project that contribute to the
2315 benefits expected to be realized from the transportation facility pursuant to subdivision B 1 of
2316 § 33.2-1803.1.

2317 **§ 33.2-1803.2. Transportation Public-Private Partnership Steering Committee.**

2318 A. There is hereby established the Transportation Public-Private Partnership Steering Committee (the
2319 Committee) to evaluate and review financing options for the development and/or operation of
2320 transportation facility or facilities.

2321 The Committee shall consist of the following members:

2322 1. Two members of the Commonwealth Transportation Board;

2323 2. The staff director of the House Committee on Appropriations, or his designee, and the staff
2324 director of the Senate Committee on Finance, or his designee;

2325 3. A Deputy Secretary of Transportation who shall serve as the chairman;

2326 4. The chief financial officer of either the Department of Transportation or the Department of Rail
2327 and Public Transportation, as appropriate; and

2328 5. A nonagency public financial expert, as selected by the Secretary of Transportation.

2329 B. Prior to the initiation of any procurement pursuant to § 33.2-1803 by the Department of
2330 Transportation, *the Virginia Passenger Rail Authority*, or the Department of Rail and Public
2331 Transportation, the Committee shall meet to review the public sector analysis and competition developed
2332 pursuant to § 33.2-1803.1:1 and concur that:

2333 1. The assumptions regarding the project scope, benefits, and costs of the public sector option
2334 developed pursuant to § 33.2-1803.1:1 were fully and reasonably developed;

2. The assumed financing costs and valuation of both financial and construction risk mitigation included in the public sector option are financially sound and reflect the best interest of the public; and

3. The terms sheet developed for the proposed procurement contains all necessary elements.

C. After receipt of responses to the request for qualifications, but prior to the issuance of the first draft request for proposals, the Committee shall meet to determine that the development and/or operation of the transportation facility or facilities as a qualifying transportation facility serves the public interest pursuant to § 33.2-1803.1. If the Committee makes an affirmative determination, as evidenced by an affirmative vote of a majority of the members of the Committee, the Department of Transportation or the Department of Rail and Public Transportation may proceed with the procurement pursuant to § 33.2-1803.

D. Meetings of the Committee shall be open to the public, and meetings will be scheduled on an as-needed basis. However, the Committee may convene a closed session pursuant to the provisions of subdivisions A 6 and 29 of § 2.2-3711 to allow the Committee to review the public sector analysis and competition and to review proposals received pursuant to a request for qualifications.

E. The Committee shall, within 10 business days of any meeting, report on the findings of such meeting. Such report shall be made to the Chairmen of the House and Senate Committees on Transportation, the House Committee on Appropriations, and the Senate Committee on Finance.

F. Within 60 days of the execution of a comprehensive agreement pursuant to § 33.2-1803, the Department of Transportation or the Department of Rail and Public Transportation, as appropriate, shall, in closed session, brief the Committee on the details of the final bids received and the details of the evaluation of such bids.

§ 33.2-1809. Interim agreement.

A. Prior to or in connection with the negotiation of the comprehensive agreement, the responsible public entity may enter into an interim agreement with the private entity proposing the development and/or operation of the facility or facilities. Such interim agreement may (i) permit the private entity to commence activities for which it may be compensated relating to the proposed qualifying transportation facility, including project planning and development, advance right-of-way acquisition, design and engineering, environmental analysis and mitigation, survey, conducting transportation and revenue studies, and ascertaining the availability of financing for the proposed facility or facilities; (ii) establish the process and timing of the negotiation of the comprehensive agreement; and (iii) contain any other provisions related to any aspect of the development and/or operation of a qualifying transportation facility that the parties may deem appropriate.

B. Notwithstanding any provision of this chapter to the contrary, a responsible public entity may enter in to an interim agreement with multiple private entities if the responsible public entity determines in writing that it is in the public interest to do so.

C. The Department of Transportation, *the Virginia Passenger Rail Authority*, and the Department of Rail and Public Transportation shall not enter into an interim agreement for the development of a transportation facility under this chapter that either (i) establishes a process and timing of the negotiations of the comprehensive agreement or (ii) allows for competitive negotiations as set forth in § 2.2-4302.2.

§ 33.2-2300. U.S. Route 58 Corridor Development Fund.

There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the U.S. Route 58 Corridor Development Fund, referred to in this chapter as "the Fund," consisting of the first \$40 million of annual collections of the state recordation taxes imposed by Chapter 8 of Title 58.1, provided, however, that this dedication shall not affect the local recordation taxes under subsection B of § 58.1-802 and § 58.1-814 from the Commonwealth Transportation Fund pursuant to § 33.2-1524. The Fund shall also include such other funds as may be appropriated by the General Assembly and designated for the Fund and all interest, dividends, and appreciation that may accrue thereto. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund, but shall remain in the Fund. Allocations from the Fund may be paid to any authority, locality, or commission for the purposes specified in § 33.2-2301.

§ 33.2-2301. U.S. Route 58 Corridor Development Program.

A. The General Assembly declares it to be in the public interest that the economic development needs and economic growth potential of south-central and Southwest Virginia be addressed by the Fund. Moneys contained in the Fund shall be used for the costs of providing an adequate, modern, safe, and efficient highway system, generally along Virginia's southern boundary (the Program), including environmental and engineering studies, rights-of-way acquisition, construction, improvements, and financing costs.

B. Allocations from the Fund shall be made annually by the Commonwealth Transportation Board for the creation and enhancement of a safe, efficient highway system connecting the communities,

2396 businesses, places of employment, and residents of the southwestern-most portion of the Commonwealth
2397 to the communities, businesses, places of employment, and residents of the southeastern-most portion of
2398 the Commonwealth, thereby enhancing the economic development potential, employment opportunities,
2399 mobility, and quality along such highway.

2400 C. Allocations from the Fund shall not diminish or replace allocations made or planned to be made
2401 from other sources or diminish allocations to which any highway, project, facility, district, system, or
2402 locality would be entitled under other provisions of this title, but shall be supplemental to other
2403 allocations to the end that highway resource improvements in the U.S. Route 58 Corridor may be
2404 accelerated and augmented. Notwithstanding any contrary provisions of this title, allocations from the
2405 Fund may be applied to highway projects in the Interstate System, primary or secondary state highway
2406 system, or urban highway system. Allocations under this subsection shall not be limited to projects
2407 involving only existing U.S. Route 58 but may be made to projects involving other highways, provided
2408 that the broader goal of creation of an adequate modern highway system generally along Virginia's
2409 southern boundary is served thereby.

2410 D. The Commonwealth Transportation Board may expend such funds from all sources as may be
2411 lawfully available to initiate the Program and to support bonds and other obligations referenced in
2412 subsection F. Any moneys expended from the Transportation Trust Fund for the Program, other than
2413 moneys contained in the Fund, may be reimbursed from the Fund, to the extent permitted by Article X,
2414 Section 9 of the Constitution of Virginia.

2415 E. The Commonwealth Transportation Board is encouraged to utilize the existing four-lane divided
2416 highways, available rights-of-way acquired for additional four-laning, bypasses, connectors, and alternate
2417 routes.

2418 F. To the extent permitted by Article X, Section 9 of the Constitution of Virginia, moneys contained
2419 in the Fund may be used to secure payment of bonds or other obligations, and the interest thereon,
2420 issued in furtherance of the purposes of this section. In addition, the Commonwealth Transportation
2421 Board is authorized to receive, dedicate, or use legally available Transportation Trust Fund revenues and
2422 any other available sources of funds to secure the payment of bonds or other obligations, including
2423 interest thereon, in furtherance of the Program. No bond or other obligations payable from revenues of
2424 the Fund shall be issued unless specifically approved by the General Assembly. No bond or other
2425 obligations, secured in whole or in part by revenues of the Fund, shall pledge the full faith and credit of
2426 the Commonwealth.

2427 G. Forty million dollars shall be transferred annually to the Fund with the first such transfer to be
2428 made on July 1, 1990, or as soon thereafter as reasonably practicable. Such transfer shall be made by
2429 the issuance of a treasury loan at no interest in the amount of \$40 million to the Fund to ensure that the
2430 Fund is fully funded on the first day of the fiscal year. Such treasury loan shall be repaid from the
2431 Commonwealth's portion of the state recordation tax imposed by Chapter 8 (§ 58.1-800 et seq.) of Title
2432 58.1 designated for the Fund by § 33.2-2300 *Commonwealth Transportation Fund pursuant to subsection*
2433 *C of § 33.2-1524*. For each fiscal year following July 1, 1990, the Secretary of Finance is authorized to
2434 make additional treasury loans in the amount of \$40 million on July 1 of such fiscal years, and such
2435 treasury loans shall be repaid in a like manner as provided in this subsection.

2436 **§ 33.2-2400. Northern Virginia Transportation District Fund.**

2437 A. There is hereby created in the Department of the Treasury a special nonreverting fund that shall
2438 be a part of the Transportation Trust Fund and that shall be known as the Northern Virginia
2439 Transportation District Fund, referred to in this chapter as "the Fund," consisting of transfers pursuant to
2440 ~~§ 58.1-816 of an amount equal to the annual collections of the state recordation taxes attributable to the~~
2441 ~~Cities of Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park and the Counties of Arlington,~~
2442 ~~Fairfax, Loudoun, and Prince William; however, this dedication shall not affect the local recordation~~
2443 ~~taxes under subsection B of § 58.1-802 and § 58.1-814 from the Commonwealth Transportation Fund~~
2444 *pursuant to subsection C of § 33.2-1524*. The Fund shall also include any public rights-of-way use fees
2445 appropriated by the General Assembly; any state or local revenues, including any funds distributed
2446 pursuant to § 33.2-366, that may be deposited into the Fund pursuant to a contract between a
2447 jurisdiction participating in the Northern Virginia Transportation District Program and the
2448 Commonwealth Transportation Board; and any other funds as may be appropriated by the General
2449 Assembly and designated for the Fund and all interest, dividends, and appreciation that may accrue
2450 thereto. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general
2451 fund, but shall remain in the Fund, subject to the determination by the Commonwealth Transportation
2452 Board that a Category 2, 3, or 4 project may be funded.

2453 B. Allocations from the Fund may be paid (i) to any authority, locality, or commission for the
2454 purposes of paying the costs of the Northern Virginia Transportation District Program, which consists of
2455 the following: the Fairfax County Parkway, the Route 234 Bypass, Metrorail capital improvements
2456 attributable to Fairfax County including Metro parking expansions, Metrorail capital improvements
2457 including the Franconia-Springfield Metrorail Station and new rail car purchases, the Route 7

C. On or before July 15, 1994, \$19 million shall be transferred to the Fund. Such transfer shall be made by the issuance of a treasury loan at no interest in the amount of \$19 million in the event such amount is not included for the Fund in the general appropriation act enacted by the 1994 Session of the General Assembly. Such treasury loan shall be repaid from the Commonwealth's portion of the state recordation tax imposed by Chapter 8 (§ 58.1-800 et seq.) of Title 58.1 designated for the Fund by this section and § 58.1-816 *Commonwealth Transportation Fund pursuant to subsection C of § 33.2-1524.*

D. Beginning in fiscal year 2019, \$20 million each year shall be transferred from the Fund to the Washington Metropolitan Area Transit Authority Capital Fund established pursuant to § 33.2-3401.

§ 33.2-2509. Northern Virginia Transportation Authority Fund.

There is hereby created in the state treasury a special nonreverting fund for Planning District 8 to be known as the Northern Virginia Transportation Authority Fund, referred to in this chapter as "the Fund." The Fund shall be established on the books of the Comptroller. All revenues dedicated to the Fund pursuant to § §§ 58.1-638 and 58.1-802.4, any other funds that may be appropriated by the General Assembly, and any funds that may be received for the credit of the Fund from any other source shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. If the Authority determines that such moneys distributed to it exceed the amount required to meet the current needs and demands to fund transportation projects pursuant to § 33.2-2510, the Authority may invest such excess moneys to the same extent as provided in subsection A of § 33.2-1525 for excess funds in the Transportation Trust Fund.

§ 33.2-3601. Interstate 81 Corridor Improvement Fund.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Interstate 81 Corridor Improvement Fund. The Fund shall be established on the books of the Comptroller. All revenues dedicated to the Fund pursuant to §§ 46.2-702.1:1, 58.1-2217.1, 33.2-372 and 58.1-2299.20, and 58.1-2701, any other funds that may be appropriated by the General Assembly, and any funds that may be received for credit to the Fund from any other sources shall be paid into the state treasury and credited to the Fund. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund.

B. Moneys in the Fund shall be used only for capital, operating, and other improvement costs identified in the Plan.

C. The amounts deposited into the Fund and the distribution and expenditure of such amounts shall not be used to calculate or reduce the share of federal, state, or local revenues otherwise available to jurisdictions along the Interstate 81 corridor. Further, such revenues and moneys shall not be included in any computation of, or formula for, a locality's ability to pay for public education, upon which appropriations of state revenues to local governments for public education are determined.

§ 46.2-208. Records of Department; when open for inspection; release of privileged information.

A. All records in the office of the Department containing the specific classes of information outlined below shall be considered privileged records:

1. Personal information, including all data defined as "personal information" in § 2.2-3801;
2. Driver information, including all data that relates to driver's license status and driver activity; and
3. Vehicle information, including all descriptive vehicle data and title, registration, and vehicle activity data.

B. The Commissioner shall release such information only under the following conditions:

2519 1. Notwithstanding other provisions of this section, medical data included in personal data shall be
2520 released only to a physician, physician assistant, or nurse practitioner as provided in § 46.2-322.
2521 2. Insurance data may be released as specified in §§ 46.2-372, 46.2-380, and 46.2-706.

2524 4. When the person requesting the information is (i) the subject of the information, (ii) the parent or
2525 guardian of the subject of the information, (iii) the authorized representative of the subject of the
2526 information, or (iv) the owner of the vehicle that is the subject of the information, the Commissioner
2527 shall provide him with the requested information and a complete explanation of it. Requests for such
2528 information need not be made in writing or in person and may be made orally or by telephone, provided
2529 that the Department is satisfied that there is adequate verification of the requester's identity. When so
2530 requested in writing by (a) the subject of the information, (b) the parent or guardian of the subject of
2531 the information, (c) the authorized representative of the subject of the information, or (d) the owner of
2532 the vehicle that is the subject of the information, the Commissioner shall verify and, if necessary, correct
2533 the personal information provided and furnish driver and vehicle information in the form of an abstract
2534 of the record.
2535 5. On the written request of any insurance carrier, surety, or representative of an insurance carrier or
2536 surety, the Commissioner shall furnish such insurance carrier, surety, or representative an abstract of the
2537 record of any person subject to the provisions of this title. The abstract shall include any record of any
2538 conviction of a violation of any provision of any statute or ordinance relating to the operation or
2539 ownership of a motor vehicle or of any injury or damage in which he was involved and a report of
2540 which is required by § 46.2-372. No such report of any conviction or accident shall be made after 60
2541 months from the date of the conviction or accident unless the Commissioner or court used the
2542 conviction or accident as a reason for the suspension or revocation of a driver's license or driving
2543 privilege, in which case the revocation or suspension and any conviction or accident pertaining thereto
2544 shall not be reported after 60 months from the date that the driver's license or driving privilege has been
2545 reinstated. This abstract shall not be admissible in evidence in any court proceedings.
2546 6. On the written request of any business organization or its agent, in the conduct of its business, the
2547 Commissioner shall compare personal information supplied by the business organization or agent with
2548 that contained in the Department's records and, when the information supplied by the business
2549 organization or agent is different from that contained in the Department's records, provide the business
2550 organization or agent with correct information as contained in the Department's records. Personal
2551 information provided under this subdivision shall be used solely for the purpose of pursuing remedies
2552 that require locating an individual.
2553 7. The Commissioner shall provide vehicle information to any business organization or agent on such
2554 business' or agent's written request. Disclosures made under this subdivision shall not include any
2555 personal information and shall not be subject to the limitations contained in subdivision 6.

 2906 of nonprofit emergency medical services agencies that hold a valid license issued by the Commissioner
 2907 of Health and for the purchase of necessary equipment and supplies for use in such locality for
 2908 emergency medical services provided by nonprofit emergency medical services agencies that hold a valid
 2909 license issued by the Commissioner of Health.

2910 All revenues generated by the remaining \$0.25 of the \$4.25 fee approved by the 2008 Session of the
 2911 General Assembly shall be deposited into the Rescue Squad Assistance Fund and used only to pay for
 2912 the costs associated with the certification and recertification training of emergency medical services
 2913 personnel.

2914 The Comptroller shall clearly designate on the warrant, check, or other means of transmitting these
 2915 funds that such moneys are only to be used for purposes set forth in this subdivision. Such funds shall
 2916 be in addition to any local appropriations and local governing bodies shall not use these funds to
 2917 supplant local funds. Each local governing body shall report annually to the Board of Health on the use
 2918 of the funds returned to it pursuant to this section. In any case in which the local governing body grants
 2919 the funds to a regional emergency medical services council to be distributed to the nonprofit emergency
 2920 medical services agency that holds a valid license issued by the Commissioner of Health, the local
 2921 governing body shall remain responsible for the proper use of the funds. If, at the end of any fiscal
 2922 year, a report on the use of the funds returned to the locality pursuant to this section for that year has
 2923 not been received from a local governing body, any funds due to that local governing body for the next
 2924 fiscal year shall be retained until such time as the report has been submitted to the Board.

2925 B. All motor vehicles, trailers, and semitrailers registered as provided in subsection B of § 46.2-646
 2926 shall pay a registration fee equal to one-twelfth of all fees required by subsection A of this section or
 2927 § 46.2-697 for such motor vehicle, trailer, or semitrailer, computed to the nearest cent, multiplied by the
 2928 number of months in the registration period for such motor vehicles, trailers, and semitrailers.

2929 C. The manufacturer's shipping weight or scale weight shall be used for computing all fees required
 2930 by this section to be based upon the weight of the vehicle.

2931 D. The applicant for registration bears the burden of proof that the vehicle for which registration is
 2932 sought is entitled by weight, design, and use to be registered at the fee tendered by the applicant to the
 2933 Commissioner or to his authorized agent.

 2937 designed and used for the transportation of passengers shall be \$23 plus an amount determined by the
 2938 gross weight of the vehicle or combination of vehicles of which it is a part, when loaded to the
 2939 maximum capacity for which it is registered and licensed, according to the schedule of fees set forth in
 2940 this section. For each 1,000 pounds of gross weight, or major fraction thereof, for which any such
 2941 vehicle is registered, there shall be paid to the Commissioner the fee indicated in the following schedule
 2942 immediately opposite the weight group and under the classification established by the provisions of
 2943 subsection B of § 46.2-711 into which such vehicle, or any combination of vehicles of which it is a part,
 2944 falls when loaded to the maximum capacity for which it is registered and licensed. The fee for a pickup
 2945 or panel truck shall be \$33 \$13 if its gross weight is 4,000 pounds or less, and \$38 \$18 if its gross
 2946 weight is 4,001 pounds through 6,500 pounds. The fee shall be \$39 \$24 for any motor vehicle with a
 2947 gross weight of 6,501 pounds through 10,000 pounds.

C. When an owner elects to register and license a motor vehicle under subsection B of this section, the provisions of §§ 46.2-646 and 46.2-688 shall not apply.

D. Notwithstanding any other provision of law, no vehicle designed, equipped, and used to tow disabled or inoperable motor vehicles shall be required to register in accordance with any gross weight other than the gross weight of the towing vehicle itself, exclusive of any vehicle being towed.

E. All registrations and licenses issued for less than a full year shall expire on the date shown on the license and registration.

§ 46.2-752. Taxes and license fees imposed by counties, cities, and towns; limitations on amounts; disposition of revenues; requiring evidence of payment of personal property taxes and certain fines; prohibiting display of licenses after expiration; failure to display valid local license required by other localities; penalty.

A. Except as provided in § 46.2-755, counties, cities, and towns may levy and assess taxes and charge license fees on motor vehicles, trailers, and semitrailers. However, none of these taxes and license fees shall be assessed or charged by any county on vehicles owned by residents of any town located in the county when such town constitutes a separate school district if the vehicles are already subject to town license fees and taxes, nor shall a town charge a license fee to any new resident of the town, previously a resident of a county within which all or part of the town is situated, who has previously paid a license fee for the same tax year to such county. The amount of the license fee or tax imposed by any county, city, or town on any motor vehicle, trailer, or semitrailer shall not be greater than the annual or one-year fee imposed by the Commonwealth on the motor vehicle, trailer, or semitrailer *in effect on January 1, 2020*. The license fees and taxes shall be imposed in such manner, on such basis, for such periods, and subject to proration for fractional periods of years, as the proper local authorities may determine.

Owners or lessees of motor vehicles, trailers, and semitrailers who have served outside of the United States in the armed services of the United States shall have a 90-day grace period, beginning on the date they are no longer serving outside the United States, in which to comply with the requirements of this section. For purposes of this section, "the armed services of the United States" includes active duty service with the regular Armed Forces of the United States or the National Guard or other reserve component.

3032 accompanied by written evidence, in a form acceptable to the locality, of their active affiliation or
3033 membership, and no member of an emergency medical services agency or member of a volunteer fire

3051 the Virginia Defense Force shall be issued more than one such license free of charge.
3052 The governing body of any county, city, or town issuing licenses under this section may by
3053 ordinance provide for a 50 percent reduction in the fee charged for the issuance of any such license
3054 issued for any vehicle owned or leased by any person who is 65 years old or older. No such discount,
3055 however, shall be available for more than one vehicle owned or leased by the same person.
3056 The governing body of any county, city, or town issuing licenses free of charge under this subsection
3057 may by ordinance provide for (i) the limitation, restriction, or denial of such free issuance to an
3058 otherwise qualified applicant, including without limitation the denial of free issuance to a taxpayer who
3059 has failed to timely pay personal property taxes due with respect to the vehicle and (ii) the grounds for
3060 such limitation, restriction, or denial.
3061 The situs for the imposition of licensing fees under this section shall in all cases, except as
3062 hereinafter provided, be the county, city, or town in which the motor vehicle, trailer, or semitrailer is
3063 normally garaged, stored, or parked. If it cannot be determined where the personal property is normally
3064 garaged, stored, or parked, the situs shall be the domicile of its owner. In the event the owner of the
3065 motor vehicle is a full-time student attending an institution of higher education, the situs shall be the
3066 domicile of such student, provided the student has presented sufficient evidence that he has paid a
3067 personal property tax on the motor vehicle in his domicile.
3068 B. The revenue derived from all county, city, or town taxes and license fees imposed on motor
3069 vehicles, trailers, or semitrailers shall be applied to general county, city, or town purposes.
3070 C. A county, city, or town may require that no motor vehicle, trailer, or semitrailer shall be locally
3071 licensed until the applicant has produced satisfactory evidence that all personal property taxes on the
3072 motor vehicle, trailer, or semitrailer to be licensed have been paid and satisfactory evidence that any
3073 delinquent motor vehicle, trailer, or semitrailer personal property taxes owing have been paid which
3074 have been properly assessed or are assessable against the applicant by the county, city, or town. A
3075 county, city, or town may also provide that no motor vehicle license shall be issued unless the tangible

personal property taxes properly assessed or assessable by that locality on any tangible personal property used or usable as a dwelling titled by the Department of Motor Vehicles and owned by the taxpayer have been paid. Any county and any town within any such county may by agreement require that all personal property taxes assessed by either the county or the town on any vehicle be paid before licensure of such vehicle by either the county or the town.

C1. The Counties of Dinwiddie, Lee, and Wise may, by ordinance or resolution adopted after public notice and hearing and, with the consent of the treasurer, require that no license may be issued under this section unless the applicant has produced satisfactory evidence that all fees, including delinquent fees, payable to such county or local solid waste authority, for the disposal of solid waste pursuant to the Virginia Water and Waste Authorities Act (§ 15.2-5100 et seq.), or pursuant to § 15.2-2159, have been paid in full. For purposes of this subsection, all fees, including delinquent fees, payable to a county for waste disposal services described herein, shall be paid to the treasurer of such county; however, in Wise County, the fee shall be paid to the county or its agent.

D. The Counties of Arlington, Fairfax, Loudoun, and Prince William and towns within them and any city may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction unless all fines owed to the jurisdiction by the owner of the vehicle, trailer, or semitrailer for violation of the jurisdiction's ordinances governing parking of vehicles have been paid. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

E. If in any county imposing license fees and taxes under this section, a town therein imposes like fees and taxes on vehicles of owners resident in the town, the owner of any vehicle subject to the fees or taxes shall be entitled, on the owner's displaying evidence that he has paid the fees or taxes, to receive a credit on the fees or taxes imposed by the county to the extent of the fees or taxes he has paid to the town. Nothing in this section shall deprive any town now imposing these licenses and taxes from increasing them or deprive any town not now imposing them from hereafter doing so, but subject to the limitations provided in subsection D. The governing body of any county and the governing body of any town in that county wherein each imposes the license tax herein provided may provide mutual agreements so that not more than one license plate or decal in addition to the state plate shall be required.

F. Notwithstanding the provisions of subsection E, in a consolidated county wherein a tier-city exists, the tier-city may, in accordance with the provisions of the agreement or plan of consolidation, impose license fees and taxes under this section in addition to those fees and taxes imposed by the county, provided that the combined county and tier-city rates do not exceed the maximum provided in subsection A. No credit shall be allowed on the fees or taxes imposed by the county for fees or taxes paid to the tier-city, except as may be provided by the consolidation agreement or plan. The governing body of any county and the governing body of any tier-city in such county wherein each imposes the license tax herein may provide by mutual agreement that no more than one license plate or decal in addition to the state license plate shall be required.

G. Any county, city, or town may by ordinance provide that it shall be unlawful for any owner or operator of a motor vehicle, trailer, or semitrailer (i) to fail to obtain and, if any required by such ordinance, to display the local license required by any ordinance of the county, city or town in which the vehicle is registered, or (ii) to display upon a motor vehicle, trailer, or semitrailer any such local license, required by ordinance to be displayed, after its expiration date. The ordinance may provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor and may, in the case of a motor vehicle registered to a resident of the locality where such vehicle is registered, authorize the issuance by local law-enforcement officers of citations, summonses, parking tickets, or uniform traffic summonses for violations. Any such ordinance may also provide that a violation of the ordinance by the registered owner of the vehicle may not be discharged by payment of a fine except upon presentation of satisfactory evidence that the required license has been obtained. Nothing in this section shall be construed to require a county, city, or town to issue a decal or any other tangible evidence of a local license to be displayed on the licensed vehicle if the county's, city's, or town's ordinance does not require display of a decal or other evidence of payment. No ordinance adopted pursuant to this section shall require the display of any local license, decal, or sticker on any vehicle owned by a public service company, as defined in § 56-76, having a fleet of at least 2,500 vehicles garaged in the Commonwealth.

H. Except as provided by subsections E and F, no vehicle shall be subject to taxation under the provisions of this section in more than one jurisdiction. Furthermore, no person who has purchased a local vehicle license, decal, or sticker for a vehicle in one county, city, or town and then moves to and garages his vehicle in another county, city, or town shall be required to purchase another local license, decal, or sticker from the county, city, or town to which he has moved and wherein his vehicle is now garaged until the expiration date of the local license, decal, or sticker issued by the county, city, or town from which he moved.

3137 I. Purchasers of new or used motor vehicles shall be allowed at least a 10-day grace period,
3138 beginning with the date of purchase, during which to pay license fees charged by local governments
3139 under authority of this section.

3140 J. The treasurer or director of finance of any county, city, or town may enter into an agreement with
3141 the Commissioner whereby the Commissioner will refuse to issue or renew any vehicle registration of
3142 any applicant therefor who owes to such county, city, or town any local vehicle license fees or
3143 delinquent tangible personal property tax or parking citations. Before being issued any vehicle
3144 registration or renewal of such license or registration by the Commissioner, the applicant shall first
3145 satisfy all such local vehicle license fees and delinquent taxes or parking citations and present evidence
3146 satisfactory to the Commissioner that all such local vehicle license fees and delinquent taxes or parking
3147 citations have been paid in full. However, a vehicle purchased by an applicant subsequent to the onset
3148 of enforcement action under this subsection may be issued an initial registration for a period of up to 90
3149 days to allow the applicant to satisfy all applicable requirements under this subsection, provided that a
3150 fee sufficient for the registration period, as calculated under subsection B of § 46.2-694, is paid. Such
3151 initial registration shall not be eligible for the one-month registration extension provided for in
3152 § 46.2-646.2 for this same purpose. The Commissioner shall charge a reasonable fee to cover the costs
3153 of such enforcement action, and the treasurer or director of finance may add the cost of this fee to the
3154 delinquent tax bill or the amount of the parking citation. The treasurer or director of finance of any
3155 county, city, or town seeking to collect delinquent taxes or parking citations through the withholding of
3156 registration or renewal thereof by the Commissioner as provided for in this subsection shall notify the
3157 Commissioner in the manner provided for in his agreement with the Commissioner and supply to the
3158 Commissioner information necessary to identify the debtor whose registration or renewal is to be denied.
3159 Any agreement entered into pursuant to the provisions of this subsection shall provide the debtor notice
3160 of the intent to deny renewal of registration or issuance of registration for any currently unregistered
3161 vehicle at least 30 days prior to the expiration date of a current vehicle registration. For the purposes of
3162 this subsection, notice by first-class mail to the registrant's address as maintained in the records of the
3163 Department of Motor Vehicles shall be deemed sufficient. In the case of parking violations, the
3164 Commissioner shall only refuse to issue or renew the vehicle registration of any applicant therefor
3165 pursuant to this subsection for the vehicle that incurred the parking violations. The provisions of this
3166 subsection shall not apply to vehicles owned by firms or companies in the business of renting motor
3167 vehicles.

3168 K. The governing bodies of any two or more counties, cities, or towns may enter into compacts for
3169 the regional enforcement of local motor vehicle license requirements. The governing body of each
3170 participating jurisdiction may by ordinance require the owner or operator of any motor vehicle, trailer,
3171 or semitrailer to display on his vehicle a valid local license issued by another county, city, or town that
3172 is a party to the regional compact, provided that the owner or operator is required by the jurisdiction of
3173 situs, as provided in § 58.1-3511, to obtain and display such license. The ordinance may also provide
3174 that no motor vehicle, trailer, or semitrailer shall be locally licensed until the applicant has produced
3175 satisfactory evidence that (i) all personal property taxes on the motor vehicle, trailer, or semitrailer to be
3176 licensed have been paid to all participating jurisdictions and (ii) any delinquent motor vehicle, trailer, or
3177 semitrailer personal property taxes that have been properly assessed or are assessable by any
3178 participating jurisdiction against the applicant have been paid. Any city and any county having the urban
3179 county executive form of government, the counties adjacent to such county and towns within them may
3180 require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction or any other
3181 jurisdiction in the compact unless all fines owed to any participating jurisdiction by the owner of the
3182 vehicle for violation of any participating jurisdiction's ordinances governing parking of vehicles have
3183 been paid. The ordinance may further provide that a violation shall constitute a misdemeanor the penalty
3184 for which shall not exceed that of a Class 4 misdemeanor. Any such ordinance may also provide that a
3185 violation of the ordinance by the owner of the vehicle may not be discharged by payment of a fine and
3186 applicable court costs except upon presentation of satisfactory evidence that the required license has
3187 been obtained. The provisions of this subsection shall not apply to vehicles owned by firms or
3188 companies in the business of renting motor vehicles.

3189 L. In addition to the taxes and license fees permitted in subsection A, counties, cities, and towns may
3190 charge a license fee of no more than \$1 per motor vehicle, trailer, and semitrailer. Except for the
3191 provisions of subsection B, such fee shall be subject to all other provisions of this section. All funds
3192 collected pursuant to this subsection shall be paid pursuant to § 51.1-1204 to the Volunteer Firefighters'
3193 and Rescue Squad Workers' Service Award Fund to the accounts of all members of the Fund who are
3194 volunteers for fire departments or emergency medical services agencies within the jurisdiction of the
3195 particular county, city, or town.

3196 M. In any county, the county treasurer or comparable officer and the treasurer of any town located
3197 wholly or partially within such county may enter into a reciprocal agreement, with the approval of the
3198 respective local governing bodies, that provides for the town treasurer to collect license fees or taxes on

any motor vehicle, trailer, or semitrailer owed to the county that are non-delinquent, delinquent, or both or for the county treasurer to collect license fees or taxes on any motor vehicle, trailer, or semitrailer owed to the town that are non-delinquent, delinquent, or both. A treasurer or comparable officer collecting any such license fee or tax pursuant to an agreement entered into under this subsection shall account for and pay over such amounts to the locality owed such license fee or tax in the same manner as provided by law. As used in this subsection, with regard to towns, "treasurer" means the town officer or employee vested with authority by the charter, statute, or governing body to collect local taxes.

N. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

CHAPTER 7.

HIGHWAY USE FEE AND MILEAGE-BASED USER FEE PROGRAM.

§ 46.2-770. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Alternative fuel vehicle" means a vehicle that operates on a fuel that is not subject to the tax imposed pursuant to § 58.1-2217 and (i) is not subject to the tax imposed pursuant to § 58.1-2249, (ii) is not subject to the federal excise tax levied under § 4041 of the Internal Revenue Code, (iii) is a moped, or (iv) is not registered under the International Registration Plan.

"Fuel-efficient vehicle" means a vehicle that has a combined miles per gallon rating, as determined by the U.S. Environmental Protection Agency, of 25 or greater.

§ 46.2-771. Purpose.

The purpose of this chapter is to ensure more equitable contributions to the Commonwealth Transportation Fund from alternative fuel vehicles, electric vehicles, and fuel-efficient vehicles using highways in the Commonwealth.

§ 46.2-772. Highway use fee.

A. There is hereby imposed an annual highway use fee on any fuel-efficient, alternative fuel, or electric vehicle registered in the Commonwealth pursuant to § 46.2-694. The fee shall be collected by the Department at the time of the vehicle registration. If such a vehicle is registered for a period of other than one year as provided under § 46.2-646, the highway use fee shall be multiplied by the number of years or fraction thereof that the vehicle will be registered.

B. The Commissioner shall establish a fee schedule for the annual highway use fee imposed pursuant to subsection A pursuant to the parameters set forth herein. The fee for a vehicle shall be 85 percent of the difference between the gas tax paid by a vehicle with a combined fuel economy of 23.7 miles per gallon for the average number of miles traveled by a passenger vehicle in the Commonwealth in a year and the gas tax paid by a vehicle for the average number of miles traveled by a passenger vehicle in the Commonwealth in a year. The Commissioner shall update the fee schedule on an annual basis.

C. The Commissioner shall use combined fuel economy as determined by the U.S. Environmental Protection Agency for purposes of this chapter.

D. An alternative fuel, fuel-efficient, or electric vehicle shall not be subject to the fee set forth in this section in any year in which such vehicle is registered to participate in the mileage-based user fee program established pursuant to § 46.2-773.

§ 46.2-773. Mileage-based user fee program.

A. There is hereby established a mileage-based user fee program. The program shall be a voluntary program that allows owners of vehicles subject to the highway use fee pursuant to § 46.2-772 to pay a mileage-based fee in lieu of the highway use fee. No owner of a motor vehicle registered in the Commonwealth shall be required to participate in the program established pursuant to this section.

B. In any year that an owner pays the fee set forth in this section, such owner shall not be subject to the fee set forth in § 46.2-772 for the same vehicle. In no case shall the fees paid pursuant to this section during a 12-month period exceed the annual highway use fee that would have otherwise been paid.

C. The Commissioner shall establish a fee schedule for the mileage-based user fee program by dividing the amount of the highway use fee as determined pursuant to subsection B of § 46.2-772 by the average number of miles traveled by a passenger vehicle in the Commonwealth to determine a fee per mile driven.

D. The Department shall establish procedures for the collection of the fees set forth in this section. Such procedures may limit the total number of participants during the first four years of the program.

§ 46.2-774. Distribution of revenues.

All revenues collected pursuant to this chapter shall be deposited into the Commonwealth Transportation Fund established pursuant to § 33.2-1524.

§ 46.2-882. Determining speed with various devices; certificate as to accuracy of device; arrest without warrant.

3260 The speed of any motor vehicle may be determined by the use of (i) a laser speed determination
3261 device, (ii) radar, (iii) a microcomputer device that is physically connected to an odometer cable and
3262 both measures and records distance traveled and elapsed time to determine the average speed of a motor
3263 vehicle, ~~or~~ (iv) a microcomputer device that is located aboard an airplane or helicopter and measures
3264 and records distance traveled and elapsed time to determine the average speed of a motor vehicle being
3265 operated on highways within the Interstate System of highways as defined in § 33.2-100, *or* (v) *a speed*
3266 *monitoring system as provided in § 46.2-882.1.* The results of such determinations shall be accepted as
3267 prima facie evidence of the speed of such motor vehicle in any court or legal proceeding where the
3268 speed of the motor vehicle is at issue.

3269 In any court or legal proceeding in which any question arises about the calibration or accuracy of
3270 any laser speed determination device, radar, ~~or~~ microcomputer device, *or speed monitoring system* as
3271 described in this section used to determine the speed of any motor vehicle, a certificate, or a true copy
3272 thereof, showing the calibration or accuracy of ~~(i)~~ (a) the speedometer of any vehicle, ~~(ii)~~ (b) any tuning
3273 fork employed in calibrating or testing the radar or other speed determination device, or ~~(iii)~~ (c) any
3274 other method employed in calibrating or testing any laser speed determination device *or speed*
3275 *monitoring system*, and when and by whom the calibration was made, shall be admissible as evidence of
3276 the facts therein stated. No calibration or testing of such device *or system* shall be valid for longer than
3277 six months.

3278 The driver of any such motor vehicle may be arrested without a warrant under this section if the
3279 arresting officer is in uniform and displays his badge of authority and if the officer has observed the
3280 registration of the speed of such motor vehicle by the laser speed determination device, radar, or
3281 microcomputer device as described in this section, or has received a radio message from the officer who
3282 observed the speed of the motor vehicle registered by the laser speed determination device, radar, or
3283 microcomputer device as described in this section. However, in case of an arrest based on such a
3284 message, such radio message shall have been dispatched immediately after the speed of the motor
3285 vehicle was registered and furnished the license number or other positive identification of the vehicle
3286 and the registered speed to the arresting officer.

3287 Neither State Police officers nor local law-enforcement officers shall use laser speed determination
3288 devices or radar, as described herein in airplanes or helicopters for the purpose of determining the speed
3289 of motor vehicles.

3290 State Police officers may use laser speed determination devices, radar, and/or microcomputer devices
3291 as described in this section. All localities may use radar ~~and~~, laser speed determination devices, *or speed*
3292 *monitoring devices as provided in § 46.2-882.1* to measure speed. The Cities of Alexandria, Fairfax,
3293 Falls Church, Manassas, and Manassas Park and the Counties of Arlington, Fairfax, Loudoun, and Prince
3294 William and towns within such counties may use microcomputer devices as described in this section.

3295 ~~The~~ *With the exception of a speed monitoring system as defined in § 46.2-882.1, the* Division of
3296 Purchases and Supply, pursuant to § 2.2-1112, shall determine the proper equipment used to determine
3297 the speed of motor vehicles and shall advise the respective law-enforcement officials of the same. Police
3298 chiefs and sheriffs shall ensure that all such equipment and devices purchased on or after July 1, 1986,
3299 meet or exceed the standards established by the Division.

3300 **§ 46.2-882.1. Use of speed monitoring systems.**

3301 A. For purposes of this section:

3302 "Highway safety corridor" means those portions of highways in the primary state highway system
3303 and Interstate System designed in accordance with § 33.2-253.

3304 "Speed monitoring system" means a vehicle sensor that automatically produces two or more
3305 photographs, two or more microphotographs, video, or other recorded data of a motor vehicle traveling
3306 at a speed of at least 10 miles per hour in excess of the maximum applicable speed limit. For each such
3307 vehicle, at least two recorded images shall include the motor vehicle and the same stationary object
3308 near the motor vehicle and at least one recorded image shall include the license plate of the motor
3309 vehicle. All recorded images shall include the time, date, and location of the vehicle when the image is
3310 recorded.

3311 B. The Department of State Police shall establish a speed enforcement program by installing and
3312 operating a speed monitoring system in highway safety corridors for the purpose of recording violations
3313 of §§ 46.2-870 and 46.2-878.

3314 1. The operator of a vehicle shall be liable for a monetary penalty imposed pursuant to this section
3315 if such vehicle is found, as evidenced by information obtained from a speed monitoring system, to have
3316 violated the maximum speed limit in a designated highway safety corridor. Notwithstanding the
3317 provisions of § 46.2-947, such civil penalty imposed pursuant to this section shall not be doubled and
3318 shall not exceed the applicable fine set forth in the Traffic Infractions and Uniform Fine Schedule
3319 adopted by the Supreme Court for prepayments of fines for violations of §§ 46.2-870 and 46.2-878, and
3320 any prosecution shall be instituted and conducted in the same manner as prosecutions for traffic
3321 infractions. Any finding in a district court that an operator has violated the maximum applicable speed

limit in a highway safety corridor shall be appealable to the circuit court in a civil proceeding. Imposition of a penalty pursuant to this section shall not be deemed a conviction as an operator and shall not be made a part of the operating record of the person upon whom such liability is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

2. If a speed monitoring system is used, proof of a violation of § 46.2-870 or 46.2-878 shall be evidenced by information obtained from such system. A certificate, sworn to or affirmed by a technician employed or authorized by the speed monitoring system operator, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by a speed monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation of § 46.2-870 or 46.2-878.

3. In the prosecution for a violation of § 46.2-870 or 46.2-878, in which a summons was issued pursuant to this section, prima facie evidence that the vehicle described in the summons issued pursuant to this section was operated in violation of § 46.2-870 or 46.2-878, together with proof that the defendant was at the time of such violation the owner, lessee, or renter of the vehicle, shall constitute evidence a rebuttable presumption that such owner, lessee, or renter of the vehicle was the person who committed the violation. Such presumption shall be rebutted if the owner, lessee, or renter of the vehicle (i) files an affidavit by regular mail with the clerk of the general district court that he was not the operator of the vehicle at the time of the alleged violation or (ii) testifies in open court under oath that he was not the operator of the vehicle at the time of the alleged violation. Such presumption shall also be rebutted if a certified copy of a police report, showing that the vehicle had been reported to the police as stolen prior to the time of the alleged violation of § 46.2-870 or 46.2-878, is presented, prior to the return date established on the summons issued pursuant to this section, to the court adjudicating the alleged violation.

4. A summons for a violation of § 46.2-870 or 46.2-878 issued pursuant to this section shall be executed by mailing by first-class mail a copy thereof to the owner, lessee, or renter of the vehicle. In the case of a vehicle owner, the copy shall be mailed to the address contained in the records of or accessible to the Department of Motor Vehicles; in the case of a vehicle lessee or renter, the copy shall be mailed to the address contained in the records of the lessor or renter. Every such mailing shall include, in addition to the summons, a notice of (i) the summoned person's ability to rebut the presumption that he was the operator of the vehicle at the time of the alleged violation through the filing of an affidavit as provided in subdivision 3 and (ii) instructions for filing such affidavit, including the address to which the affidavit is to be sent. If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in § 19.2-76.3. No proceedings for contempt or arrest of a person summoned by mailing shall be instituted for failure to appear on the return date of the summons. If the summons is issued to an owner, lessee, or renter of a vehicle with a registration outside the Commonwealth and such person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons will be eligible for all legal collections activities. Any summons executed for a violation of § 46.2-870 or 46.2-878 shall provide to the person summoned at least 30 days from the mailing of the summons to inspect information collected by a speed monitoring system in connection with the violation. If the Department of State Police does not execute a summons for a violation § 46.2-870 or 46.2-878 within 14 days from the date of the violation, all information collected pertaining to that suspected violation shall be purged within 16 days from the date of the violation.

5. Information collected by a speed monitoring system installed and operated pursuant to this section shall be limited exclusively to that information that is necessary for the enforcement of speed limits in a highway safety corridor. On behalf of the Department of State Police, a private entity that operates a speed monitoring system may enter into an agreement with the Department of Motor Vehicles, in accordance with the provisions of subdivision B 21 of § 46.2-208, to obtain vehicle owner information regarding the registered owners of vehicles that fail to comply with the maximum speed limit in a highway safety corridor. Information provided to the operator of a speed monitoring system shall be protected in a database with security comparable to that of the Department of Motor Vehicles' system, and used only for enforcement against individuals who violate the provisions of this section. Notwithstanding any other provision of law, all photographs, microphotographs, electronic images, or other personal information collected by a speed monitoring system shall be used exclusively for enforcing applicable speed limits and shall not (i) be open to the public; (ii) be sold or used for sales, solicitation, or marketing purposes; (iii) be disclosed to any other entity except as may be necessary for the enforcement of a speed limit violation or to a vehicle owner or operator as part of a challenge to the violation; or (iv) be used in a court in a pending action or proceeding unless the action or proceeding relates to a speed limit violation or requested upon order from a court of competent jurisdiction. Information collected under this section pertaining to a specific violation shall be purged

3383 and not retained later than 60 days after the collection of any civil penalties. The Department of State
3384 Police when operating a speed monitoring system shall annually certify compliance with this section and
3385 make all records pertaining to such system available for inspection and audit by the Commissioner of
3386 Highways or the Commissioner of the Department of Motor Vehicles or his designee. Any person who
3387 discloses personal information in violation of the provisions of this subsection shall be subject to a civil
3388 penalty of \$1,000 per disclosure. Any unauthorized use or disclosure of such personal information shall
3389 be grounds for termination of the agreement between the Department of Motor Vehicles and the private
3390 entity.

3391 6. A private entity may enter into an agreement with the Department of State Police to be
3392 compensated for providing the speed monitoring system or equipment, and all related support services,
3393 to include consulting, operations, and administration. The Department of State Police shall enter into an
3394 agreement for compensation based on the value of the goods and services provided, not on the number
3395 of violations paid or monetary penalties imposed.

3396 7. The Department of State Police shall evaluate the system on a monthly basis to ensure all
3397 cameras are functioning properly and shall have the speed monitoring system calibrated on a
3398 semiannual basis by an independent laboratory that is unaffiliated with the manufacturer of the speed
3399 monitoring system or equipment. Evaluation and calibration results shall be made available to the
3400 public.

3401 8. The Department of Transportation shall place a conspicuous sign, in accordance with § 33.2-253,
3402 indicating the use of a speed monitoring system for speed enforcement in the highway safety corridor.
3403 There shall be a rebuttable presumption that such signs were in place at the time of the commission of
3404 the speed limit violation.

3405 9. Notwithstanding any other provision of this section, if a vehicle depicted in images recorded by a
3406 speed monitoring system is owned, leased, or rented by the Commonwealth, or a county, city, or town,
3407 then the Commonwealth, county, city, or town may access and use the recorded images and associated
3408 information for employee disciplinary purposes.

3409 **§ 46.2-947. Violations committed within highway safety corridor; report on benefits.**

3410 Notwithstanding any other provision of law, the fine for any moving violation of any provision of
3411 this chapter while operating a motor vehicle in a designated highway safety corridor pursuant to
3412 § 33.2-253 shall be no more than \$500 for any violation which is a traffic infraction and not less than
3413 \$200 for any violation which is a criminal offense. The otherwise applicable fines set forth in Rule 3B:2
3414 of the Rules of the Supreme Court shall be doubled in the case of a waiver of appearance and a plea of
3415 guilty under § 16.1-69.40:1 or § 19.2-254.2 for a violation of a provision of this chapter while operating
3416 a motor vehicle in a designated highway safety corridor pursuant to § 33.2-253. *The fine for any moving*
3417 *violation imposed pursuant to § 46.2-882.1 shall not be doubled.* The Commissioner shall report, on an
3418 annual basis, statistical data related to benefits derived from the designation of such highway safety
3419 corridors. This information may be posted on the Virginia Department of Transportation's official
3420 website. Notwithstanding the provisions of § 46.2-1300, the governing bodies of counties, cities and
3421 towns may not adopt ordinances providing for penalties under this section.

3422 **§ 46.2-1078.1. Use of handheld personal communications devices in certain motor vehicles;**
3423 **exceptions; penalty.**

3424 A. It is unlawful for any person to operate while driving a moving motor vehicle on the highways in
3425 the Commonwealth while using any to hold, in his hand, a handheld personal communications device to:
3426 to:

3427 1. Manually enter multiple letters or text in the device as a means of communicating with another
3428 person; or

3429 2. Read any email or text message transmitted to the device or stored within the device, provided
3430 that this prohibition shall not apply to any name or number stored within the device nor to any caller
3431 identification information while physically manipulating the device to view, read, or enter data.

3432 B. It is unlawful for any person while driving a moving motor vehicle in a highway work zone to
3433 hold in his hand a handheld personal communications device.

3434 C. The provisions of this section shall not apply to:

3435 1. The operator of any emergency vehicle while he is engaged in the performance of his official
3436 duties;

3437 2. An operator who is lawfully parked or stopped;

3438 3. The use of factory-installed or aftermarket global positioning systems (GPS) or wireless
3439 communications devices used to transmit or receive data as part of a digital dispatch system; or

3440 4. Any person using a handheld personal communications device to report an emergency;

3441 4. A person using an amateur radio or citizen band radio; or

3442 5. The operator of any Department of Transportation vehicle or vehicle operated pursuant to the
3443 Department of Transportation safety service patrol program or pursuant to a contract with the
3444 Department of Transportation for, or that includes, traffic incident management services as defined in

subsection B of § 46.2-920.1 during the performance of traffic incident management services.

D. A violation of subsection A is a traffic infraction punishable, for a first offense, by a fine of \$125 and, for a second or subsequent offense, by a fine of \$250. A violation of subsection B is punishable by a mandatory fine of \$250. *Upon a conviction under this section, the court shall furnish to the Commissioner of the Department of Motor Vehicles in accordance with § 46.2-383 an abstract of the record of such conviction, which shall become a part of the person's driving record.*

E. For the purposes of this section:

"Emergency vehicle" means:

1. Any law-enforcement vehicle operated by or under the direction of a federal, state, or local law-enforcement officer *while engaged in the performance of official duties*;

2. Any regional detention center vehicle operated by or under the direction of a correctional officer responding to an emergency call or operating in an emergency situation;

3. Any vehicle used to fight fire, including publicly owned state forest warden vehicles, when traveling in response to a fire alarm or emergency call;

4. Any emergency medical services vehicle designed or used for the principal purpose of *supplying resuscitation or emergency medical services relief* where human life is endangered;

5. Any Department of Emergency Management vehicle or Office of Emergency Medical Services vehicle, when responding to an emergency call or operating in an emergency situation;

6. Any Department of Corrections vehicle designated by the Director of the Department of Corrections, when (i) responding to an emergency call at a correctional facility, (ii) participating in a drug-related investigation, (iii) pursuing escapees from a correctional facility, or (iv) responding to a request for assistance from a law-enforcement officer; and

F. Distracted driving shall be included as a part of the driver's license knowledge examination.

§ 46.2-1094. Occupants of front seats of motor vehicles required to use safety lap belts and shoulder harnesses; penalty.

A. Any driver, and any other person at least 18 years of age and occupying ~~the front seat~~, *any seat* of a motor vehicle equipped or required by the provisions of this title to be equipped with a safety belt system, consisting of lap belts, shoulder harnesses, combinations thereof or similar devices, shall wear the appropriate safety belt system at all times while the motor vehicle is in motion on any public highway. A passenger under the age of 18 years, however, shall be protected as required by the provisions of Article 13 (§ 46.2-1095 et seq.) ~~of this chapter~~.

B. This section shall not apply to:

1. Any person for whom a licensed physician determines that the use of such safety belt system would be impractical by reason of such person's physical condition or other medical reason, provided the person so exempted carries on his person or in the vehicle a signed written statement of the physician identifying the exempted person and stating the grounds for the exemption; or

2. Any law-enforcement officer transporting persons in custody or traveling in circumstances which render the wearing of such safety belt system impractical; or

3. Any person while driving a motor vehicle and performing the duties of a rural mail carrier for the United States Postal Service; or

4. Any person driving a motor vehicle and performing the duties of a rural newspaper route carrier, newspaper bundle hauler or newspaper rack carrier; or

6. Personnel of commercial or municipal vehicles while actually engaged in the collection or delivery of goods or services, including but not limited to solid waste, where such collection or delivery requires the personnel to exit and enter the cab of the vehicle with such frequency and regularity so as to render the use of safety belt systems impractical and the safety benefits derived therefrom insignificant. Such personnel shall resume the use of safety belt systems when actual collection or delivery has ceased or when the vehicle is in transit to or from a point of final disposition or disposal, including but not limited to solid waste facilities, terminals, or other location where the vehicle may be principally garaged; or

7. Any person driving a motor vehicle and performing the duties of a utility meter reader; or

3506 the state treasury and credited to the Literary Fund. *Upon a conviction under this section, the court shall*
3507 *furnish the Commissioner of the Department of Motor Vehicles in accordance with § 46.2-383 an*
3508 *abstract of the record of such conviction, which shall become part of the person's driving record.* No
3509 assignment of demerit points shall be made under Article 19 of Chapter 3 (§ 46.2-489 et seq.) of this
3510 title and no court costs shall be assessed for violations of this section.

3511 D. A violation of this section shall not constitute negligence, be considered in mitigation of damages
3512 of whatever nature, be admissible in evidence or be the subject of comment by counsel in any action for
3513 the recovery of damages arising out of the operation, ownership, or maintenance of a motor vehicle, nor
3514 shall anything in this section change any existing law, rule, or procedure pertaining to any such civil
3515 action.

3516 E. A violation of this section may be charged on the uniform traffic summons form.

3517 F. No citation for a violation of this section shall be issued unless the officer issuing such citation
3518 has cause to stop or arrest the driver of such motor vehicle for the violation of some other provision of
3519 this Code or local ordinance relating to the operation, ownership, or maintenance of a motor vehicle or
3520 any criminal statute.

3521 G. The governing body of the City of Lynchburg may adopt an ordinance not inconsistent with the
3522 provisions of this section, requiring the use of safety belt systems. The penalty for violating any such
3523 ordinance shall not exceed a fine or civil penalty of ~~twenty-five dollars~~ \$25.

3524 **§ 46.2-1300. Powers of local authorities generally; erection of signs and markers; maximum**
3525 **penalties.**

3526 A. The governing bodies of counties, cities, and towns may adopt ordinances not in conflict with the
3527 provisions of this title to regulate the operation of vehicles on the highways in such counties, cities, and
3528 towns. They may also repeal, amend, or modify such ordinances and may erect appropriate signs or
3529 markers on the highway showing the general regulations applicable to the operation of vehicles on such
3530 highways. The governing body of any county, city, or town may by ordinance, or may by ordinance
3531 authorize its chief administrative officer to:

3532 1. Increase or decrease the speed limit within its boundaries, provided such increase or decrease in
3533 speed shall be based upon an engineering and traffic investigation by such county, city or town and
3534 provided such speed area or zone is clearly indicated by markers or signs;

3535 2. Authorize the city or town manager or such officer thereof as it may designate, to reduce for a
3536 temporary period not to exceed ~~sixty~~ 60 days, without such engineering and traffic investigation, the
3537 speed limit on any portion of any highway of the city or town on which work is being done or where
3538 the highway is under construction or repair;

3539 3. Require vehicles to come to a full stop or yield the right-of-way at a street intersection if one or
3540 more of the intersecting streets has been designated as a part of the primary state highway system in a
3541 town which has a population of less than 3,500;

3542 4. *Reduce the speed limit to less than 25 miles per hour on any highway within its boundaries that is*
3543 *located in a business district or residential district, provided such reduced speed limit is indicated by*
3544 *lawfully placed signs.*

3545 B. No such ordinance shall be violated if at the time of the alleged violation the sign or marker
3546 placed in conformity with this section is missing, substantially defaced, or obscured so that an ordinarily
3547 observant person under the same circumstances would not be aware of the existence of the ordinance.

3548 C. No governing body of a county, city, or town may provide penalties for violating a provision of
3549 an ordinance adopted pursuant to this section which is greater than the penalty imposed for a similar
3550 offense under the provisions of this title.

3551 D. No county whose roads are under the jurisdiction of the Department of Transportation shall
3552 designate, in terms of distance from a school, the placement of flashing warning lights unless the
3553 authority to do so has been expressly delegated to such county by the Department of Transportation, in
3554 its discretion.

3555 **§ 46.2-1507. Penalties.**

3556 Except as otherwise provided in this chapter, any person violating any of the provisions of this
3557 chapter may be assessed a civil penalty by the Board. No such civil penalty shall exceed \$1,000 for any
3558 single violation. Civil penalties collected under this chapter shall be deposited in the *Commonwealth*
3559 *Transportation Trust Fund* established pursuant to § 33.2-1524.

3560 **§ 46.2-1546. Registration of dealers; fees.**

3561 Every manufacturer, distributor, or dealer, before he commences to operate vehicles in his inventory
3562 for sale or resale, shall apply to the Commissioner for a dealer's certificate of vehicle registration and
3563 license plates. For the purposes of this article, a vehicle is in inventory when it is owned by or assigned
3564 to a dealer and is offered and available for sale or resale. All dealer's certificates of vehicle registration
3565 and license plates issued under this section may, at the discretion of the Commissioner, be placed in a
3566 system of staggered issue to distribute the work of issuing vehicle registration certificates and license
3567 plates as uniformly as practicable throughout the year. Dealerships which sold fewer than ~~twenty-five~~ 25

vehicles during the last ~~twelve~~ 12 months of the preceding license year shall be eligible to receive no more than two dealer's license plates; dealerships which sold at least ~~twenty-five~~ 25 but fewer than fifty 50 vehicles during the last ~~twelve~~ 12 months of the preceding license year shall be eligible to receive no more than four dealer's license plates. However, dealerships ~~which that~~ sold fifty 50 or more vehicles during their current license year may apply for additional license plates not to exceed four times the number of licensed salespersons employed by that dealership. Dealerships ~~which that~~ sold fifty 50 or more vehicles during the last ~~twelve~~ 12 months of the preceding license year shall be eligible to receive a number of dealer's license plates not to exceed four times the number of licensed salespersons employed by that dealership. A new applicant for a dealership shall be eligible to receive a number of dealer's license plates not to exceed four times the number of licensed salespersons employed by that dealership. For the purposes of this article, a salesperson or employee shall be considered to be employed only if he (i) works for the dealership at least ~~twenty-five~~ 25 hours each week on a regular basis and (ii) is compensated for this work. All salespersons' or employees' employment records shall be retained in accordance with the provisions of § 46.2-1529. A salesperson shall not be considered employed, within the meaning of this section, if he is an independent contractor as defined by the United States Internal Revenue Code. The fee for the issuance of dealer's license plates shall be determined by the Board, but not more than \$30 per license plate; however, the fee for the first two dealer's plates shall not be less than ~~twenty-four dollars~~ \$24 and the fee for additional dealer's license plates shall not be less than ~~ten dollars and forty cents~~ \$10.40 each. For the first two dealer's license plates issued by the Department to a dealer, ~~twenty-four dollars~~ \$24 shall be deposited into the Commonwealth Transportation Trust Fund established pursuant to § 33.2-1524 and the remainder shall be deposited into the Motor Vehicle Dealer Fund. For each additional dealer's license plate issued to a dealer, ~~ten dollars and forty cents~~ \$10.40 shall be deposited into the Transportation Trust Fund and the remainder shall be deposited into the Motor Vehicle Dealer Fund.

§ 46.2-1573. Hearings and other remedies; civil penalties.

A. In every case of a hearing before the Commissioner authorized under this article, the Commissioner shall give reasonable notice of each hearing to all interested parties, and the Commissioner's decision shall be binding on the parties, subject to the rights of judicial review and appeal as provided in Chapter 40 (§ 2.2-4000 et seq.) of Title 2.2. In every case of a hearing before the Commissioner authorized under this article based on a request or petition of a motor vehicle dealer, the manufacturer, factory branch, distributor, or distributor branch shall have the burden of proving by a preponderance of the evidence that the manufacturer, factory branch, distributor, or distributor branch has good cause to take the action or actions for which the dealer has filed the petition for a hearing or that such actions are reasonable if required under the relevant provision.

B. The hearing process before the Commissioner under this article shall commence within 90 days of the request for a hearing by prehearing conference between the hearing officer and the parties in person, by telephone, or by other electronic means designated by the Commissioner. The hearing officer will set the hearing on a date or dates consistent with the rights of due process of the parties. The Commissioner's decision shall be rendered within 60 days from the receipt of the hearing officer's recommendation. Hearings authorized under this article shall be presided over by a hearing officer selected from a list prepared by the Executive Secretary of the Supreme Court of Virginia within 60 days following the request for a hearing. Reasonable efforts shall be made to ensure that a hearing officer shall have at least five years of experience as a hearing officer in administrative hearings in the Commonwealth, shall have telephone and email capability, and shall be an active member of the Virginia State Bar. On request of the Commissioner, the Executive Secretary will name a hearing officer from the list, selected on a rotation system administered by the Executive Secretary. The hearing officer shall provide recommendations to the Commissioner within 90 days of the conclusion of the hearing.

C. Notwithstanding any contrary provision of this article, the Commissioner shall initiate investigations, conduct hearings, and determine the rights of parties under this article whenever he is provided information by the Motor Vehicle Dealer Board or any other person indicating a possible violation of any provision of this article. The Commissioner shall issue a response to the Motor Vehicle Dealer Board or person reporting the alleged violation and any other party to the investigation providing an explanation of action taken under this section and the reason for such action.

D. For purposes of any matter brought to the Commissioner under subdivisions 3, 4, 5, 6 and 7b of § 46.2-1569 with respect to which the Commissioner is to determine whether there is good cause for a proposed action or whether it would be unreasonable under the circumstances, the Commissioner shall consider:

1. The volume of the affected dealer's business in the relevant market area;
2. The nature and extent of the dealer's investment in its business;
3. The adequacy of the dealer's capitalization to the franchisor's standards and the adequacy of the dealer's facilities, equipment, parts, supplies, and personnel;

- 3629 4. The effect of the proposed action on the community;
3630 5. The extent and quality of the dealer's service under motor vehicle warranties;
3631 6. The dealer's performance under the terms of its franchise;
3632 7. Other economic and geographical factors reasonably associated with the proposed action; and
3633 8. The recommendations, if any, from a three-member panel composed of members of the Board

3634 who are franchised dealers not of the same line-make involved in the hearing and who are appointed to
3635 the panel by the Commissioner.

3636 E. An interested party in a hearing held pursuant to subsection A of this section shall comply with
3637 the effective date of compliance established by the Commissioner in his decision in such hearing, unless
3638 a stay or extension of such date is granted by the Commissioner or the Commissioner's decision is under
3639 judicial review and appeal as provided in subsection A of this section. If, after notice to such interested
3640 party and an opportunity to comment, the Commissioner finds an interested party has not complied with
3641 his decision by the designated date of compliance, unless a stay or extension of such date has been
3642 granted by the Commissioner or the Commissioner's decision is under judicial review and appeal, the
3643 Commissioner may assess such interested party a civil penalty not to exceed \$1,000 per day of
3644 noncompliance. Civil penalties collected under this subsection shall be deposited into the *Commonwealth*
3645 *Transportation Trust Fund* established pursuant to § 33.2-1524.

3646 F. During the hearing process, parties may obtain documents and materials by discovery pursuant to
3647 Rules 4:9 and 4:9A of the Supreme Court of Virginia. The parties shall exchange reports of experts,
3648 which shall meet the standard of Rule 4:1 of the Supreme Court of Virginia, at times to be established
3649 by the hearing officer. The parties may utilize any other form of discovery provided under the Rules of
3650 Supreme Court of Virginia if allowed by the hearing officer based on good cause shown. For discovery
3651 permitted under the Rules of Supreme Court of Virginia, a party may object to the discovery sought or
3652 seek to limit the discovery sought on any grounds permitted by the Rules or applicable law.

3653 **§ 58.1-608.3. Entitlement to certain sales tax revenues.**

3654 A. As used in this section, the following words and terms have the following meanings, unless some
3655 other meaning is plainly intended:

3656 "Bonds" means any obligations of a municipality for the payment of money.

3657 "Cost," as applied to any public facility or to extensions or additions to any public facility, includes:

3658 (i) the purchase price of any public facility acquired by the municipality or the cost of acquiring all of
3659 the capital stock of the corporation owning the public facility and the amount to be paid to discharge
3660 any obligations in order to vest title to the public facility or any part of it in the municipality; (ii)
3661 expenses incident to determining the feasibility or practicability of the public facility; (iii) the cost of
3662 plans and specifications, surveys and estimates of costs and of revenues; (iv) the cost of all land,
3663 property, rights, easements and franchises acquired; (v) the cost of improvements, property or
3664 equipment; (vi) the cost of engineering, legal and other professional services; (vii) the cost of
3665 construction or reconstruction; (viii) the cost of all labor, materials, machinery and equipment; (ix)
3666 financing charges; (x) interest before and during construction and for up to one year after completion of
3667 construction; (xi) start-up costs and operating capital; (xii) payments by a municipality of its share of the
3668 cost of any multijurisdictional public facility; (xiii) administrative expense; (xiv) any amounts to be
3669 deposited to reserve or replacement funds; and (xv) other expenses as may be necessary or incident to
3670 the financing of the public facility. Any obligation or expense incurred by the public facility in
3671 connection with any of the foregoing items of cost may be regarded as a part of the cost.

3672 "Municipality" means any county, city, town, authority, commission, or other public entity.

3673 "Public facility" means (i) any auditorium, coliseum, convention center, or conference center, which
3674 is owned by a Virginia county, city, town, authority, or other public entity and where exhibits, meetings,
3675 conferences, conventions, seminars, or similar public events may be conducted; (ii) any hotel which is
3676 owned by a foundation whose sole purpose is to benefit a baccalaureate public institution of higher
3677 education in the Commonwealth and which is attached to and is an integral part of such facility,
3678 together with any lands reasonably necessary for the conduct of the operation of such events; (iii) any
3679 hotel which is attached to and is an integral part of such facility; (iv) any hotel that is adjacent to a
3680 convention center owned by a public entity and where the hotel owner enters into a public-private
3681 partnership whereby the locality contributes infrastructure, real property, or conference space; or (v) a
3682 sports complex consisting of a minor league baseball stadium and related tournament, training, and
3683 parking facilities, where a municipality owns a component of the sports complex. However, such public
3684 facility must be located in the City of Fredericksburg, City of Hampton, City of Lynchburg, City of
3685 Newport News, City of Norfolk, City of Portsmouth, City of Richmond, City of Roanoke, City of
3686 Salem, City of Staunton, City of Suffolk, City of Virginia Beach, City of Winchester, or Town of Wise.
3687 Any property, real, personal, or mixed, which is necessary or desirable in connection with any such
3688 auditorium, coliseum, convention center, sports complex, or conference center, including, without
3689 limitation, facilities for food preparation and serving, parking facilities, and office space, is encompassed
3690 within this definition. However, structures commonly referred to as "shopping centers" or "malls" shall

not constitute a public facility hereunder. A public facility shall not include residential condominiums, townhomes, or other residential units. In addition, only a new public facility, or a public facility which will undergo a substantial and significant renovation or expansion, shall be eligible under subsection C. A new public facility is one whose construction began after December 31, 1991. A substantial and significant renovation entails a project whose cost is at least 50 percent of the original cost of the facility being renovated and shall have begun after December 31, 1991. A substantial and significant expansion entails an increase in floor space of at least 50 percent over that existing in the preexisting facility and shall have begun after December 31, 1991; or an increase in floor space of at least 10 percent over that existing in a public facility that qualified as such under this section and was constructed after December 31, 1991.

"Sales tax revenues" means such tax collections realized under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.), as limited herein. "Sales tax revenues" does not include the revenue generated by (i) the 0.5 percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly which shall be paid to the *Commonwealth Transportation Trust Fund as defined in established pursuant to § 33.2-1524*, (ii) the 1.0 percent of the state sales and use tax revenue distributed among the counties and cities of the Commonwealth pursuant to subsection D of § 58.1-638 on the basis of school age population, or (iii) any sales and use tax revenues generated by increases or allocation changes imposed by the 2013 Session of the General Assembly.

B. Notwithstanding the definition of "public facility" in subsection A, a development project that meets the requirements for a "development of regional impact" set forth herein shall be deemed to be a public facility under the provisions of this section. The locality in which the public facility is located shall be entitled to all sales tax revenues generated by transactions taking place at such public facility solely to pay the cost of any bonds issued to pay the cost, or portion thereof, of such public facility pursuant to subsection C. For purposes of this subsection, the development of regional impact must be located in the City of Bristol.

For purposes of this subsection, a "development of regional impact" means a development project (i) towards which the locality contributes infrastructure or real property as part of a public-private partnership with the developer that is equal to at least 20 percent of the aggregate cost of development, (ii) that is reasonably expected to require a capital investment of at least \$50 million, (iii) that is reasonably expected to generate at least \$5 million annually in state sales and use tax revenue from sales within the development, (iv) that is reasonably expected to attract at least one million visitors annually, (v) that is reasonably expected to create at least 2,000 permanent jobs, (vi) that is located in a locality that had a rate of unemployment at least three percentage points higher than the statewide average in November 2011, and (vii) that is located in a locality that is adjacent to a state that has adopted a Border Region Retail Tourism Development District Act. Within 30 days from the date of notification by a locality that it intends to contribute infrastructure or real property as part of a public-private partnership with the developer of a development of regional impact, the Department of Taxation shall review the findings of the locality with respect to clauses (i) through (vi) and shall file a written report with the Chairmen of the House Committee on Finance, the House Committee on Appropriations, and the Senate Committee on Finance.

C. Any municipality which has issued bonds (i) after December 31, 1991, but before January 1, 1996, (ii) on or after January 1, 1998, but before July 1, 1999, (iii) on or after January 1, 1999, but before July 1, 2001, (iv) on or after July 1, 2000, but before July 1, 2003, (v) on or after July 1, 2001, but before July 1, 2005, (vi) on or after July 1, 2004, but before July 1, 2007, (vii) on or after July 1, 2009, but before July 1, 2012, (viii) on or after January 1, 2011, but prior to July 1, 2015, or (ix) on or after January 1, 2013, but prior to July 1, 2020, to pay the cost, or portion thereof, of any public facility shall be entitled to all sales tax revenues generated by transactions taking place in such public facility. In the case of a public facility described in clause (v) of the definition of public facility, all such sales tax revenues shall be applied solely to repayment of the bonds issued to pay the cost, or portion thereof, of the municipality-owned component of the sports complex. Such entitlement shall continue for the lifetime of such bonds, or any refinancing or refunding thereof, but in no event shall such entitlement exceed 35 years from the initial date that any bonds were issued to pay the cost, or a portion thereof, of any public facility, and all such sales tax revenues shall be applied to repayment of the bonds. The State Comptroller shall remit such sales tax revenues to the municipality on a quarterly basis, subject to such reasonable processing delays as may be required by the Department of Taxation to calculate the actual net sales tax revenues derived from the public facility. The State Comptroller shall make such remittances to eligible municipalities, as provided herein, notwithstanding any provisions to the contrary in the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.). No such remittances shall be made until construction is completed and, in the case of a renovation or expansion, until the governing body of the municipality has certified that the renovation or expansion is completed; however, in the case of any public facility consisting of more than one building or structure, such remittances shall be made on

3752 a quarterly basis beginning with the first quarter in which any sales tax revenue is generated by
 3753 transactions taking place at any building or structure within such public facility, whether or not
 3754 construction of all or any portion, phase, building, or structure of such public facility has been
 3755 completed.

3756 D. Nothing in this section shall be construed as authorizing the pledging of the faith and credit of the
 3757 Commonwealth of Virginia, or any of its revenues, for the payment of any bonds. Any appropriation
 3758 made pursuant to this section shall be made only from sales tax revenues derived from the public
 3759 facility for which bonds may have been issued to pay the cost, in whole or in part, of such public
 3760 facility.

3761 **§ 58.1-638. Disposition of state sales and use tax revenue.**

3762 A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax
 3763 revenue collected under the preceding sections of this chapter.

3764 1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted
 3765 by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided
 3766 in this section, to the *Commonwealth Transportation Trust Fund* as defined in *established pursuant to*
 3767 *§ 33.2-1524*. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set
 3768 aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be
 3769 set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.7
 3770 percent shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The
 3771 Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into
 3772 the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue
 3773 received in the preceding month. All payments shall be made to the Fund on the last day of each
 3774 month.

3775 2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall
 3776 be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

3777 a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds
 3778 remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in
 3779 the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be
 3780 paid to any authority, locality or commission for the purposes hereinafter specified.

3781 b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth
 3782 Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to
 3783 support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary
 3784 ports within the Commonwealth. Expenditures for such capital needs are restricted to those capital
 3785 projects specified in subsection B of § 62.1-132.1.

3786 c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the
 3787 Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the
 3788 ports of Virginia, including but not limited to the ports of Richmond, Hopewell, and Alexandria.

3789 3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall
 3790 be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund.
 3791 The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds
 3792 remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in
 3793 the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be
 3794 allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall
 3795 be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the
 3796 Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access
 3797 for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington
 3798 Airports Authority (MWAA), as follows:

3799 Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation
 3800 Board from the Commonwealth Transportation Fund, shall be allocated as follows: 60 percent to
 3801 MWAA, up to a maximum annual amount of \$2 million, and 40 percent to air carrier airports as
 3802 provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air
 3803 carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a
 3804 than it received in fiscal year 1994-1995.

3805 Of the remaining amount:

3806 a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased
 3807 by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air
 3808 carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however,
 3809 shall receive less than \$50,000 nor more than \$2 million per year from this provision.

3810 b. Sixty percent of the funds shall be allocated as follows:

3811 (1) For the first six months of each fiscal year, the funds shall be allocated as follows:

3812 (a) Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever
 3813 airports on a discretionary basis, except airports owned or leased by MWAA; and

(b) Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports on a discretionary basis; and

(2) For the second six months of each fiscal year, all remaining funds shall be allocated by the Aviation Board for all eligible airports on a discretionary basis, except airports owned or leased by MWAA.

3a. There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the Commonwealth Space Flight Fund. The Commonwealth Space Flight Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it.

a. The amounts allocated to the Commonwealth Space Flight Fund pursuant to § 33.2-1526 shall be allocated by the Commonwealth Transportation Board to the Board of Directors of the Virginia Commercial Space Flight Authority to be used to support the capital needs, maintenance, and operating costs of any and all facilities owned and operated by the Virginia Commercial Space Flight Authority.

b. Commonwealth Space Flight Fund revenue shall be allocated by the Board of Directors to the Virginia Commercial Space Flight Authority in order to foster and stimulate the growth of the commercial space flight industry in Virginia.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund.

b. The amounts allocated pursuant to § 33.2-1526.1 shall be used to support the operating, capital, and administrative costs of public transportation at a state share determined by the Commonwealth Transportation Board, and these amounts may be used to support the capital project costs of public transportation and ridesharing equipment, facilities, and associated costs at a state share determined by the Commonwealth Transportation Board. Capital costs may include debt service payments on local or agency transit bonds.

c. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 33.2-1800 and for purposes as enumerated in subdivision 7 of § 33.2-1701 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. The Commonwealth Transit Capital Fund shall not be allocated without requiring a local match from the recipient.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are dependents living on any federal military or naval reservation or other federal property within the school

3875 division in which the institutions or federal military or naval reservation or other federal property is
3876 located. Such population estimate produced by the Weldon Cooper Center for Public Service of the
3877 University of Virginia shall account for members of the military services who are under 20 years of age
3878 within the school division in which the parents or guardians of such persons legally reside. Such
3879 population estimate produced by the Weldon Cooper Center for Public Service of the University of
3880 Virginia shall account for individuals receiving services in state hospitals, state training centers, or
3881 mental health facilities, persons who are confined in state or federal correctional institutions, or persons
3882 who attend the Virginia School for the Deaf and the Blind within the school division in which the
3883 parents or guardians of such persons legally reside. Such population estimate produced by the Weldon
3884 Cooper Center for Public Service of the University of Virginia shall account for persons who attend
3885 institutions of higher education within the school division in which the student's parents or guardians
3886 legally reside. To such estimate, the Department of Education shall add the population of students with
3887 disabilities, ages two through four and 20 through 21, as provided to the Department of Education by
3888 school divisions. The revenue so apportionable and distributable is hereby appropriated to the several
3889 counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other
3890 expenses incurred in the operation of the public schools, which shall be considered as funds raised from
3891 local resources. In any county, however, wherein is situated any incorporated town constituting a school
3892 division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays,
3893 debt and interest payments, or other expenses incurred in the operation of the public schools, the proper
3894 proportionate amount received by him in the ratio that the school population of such town bears to the
3895 school population of the entire county. If the school population of any city or of any town constituting a
3896 school division is increased by the annexation of territory since the last estimate of school population
3897 provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this
3898 section, be added to the school population of such city or town as shown by the last such estimate and a
3899 proper reduction made in the school population of the county or counties from which the annexed
3900 territory was acquired.

3901 E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a
3902 two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of
3903 hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment,
3904 wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the
3905 most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of
3906 Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated
3907 Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used,
3908 in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the
3909 Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be
3910 dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established
3911 under § 29.1-101.01, is equal to or in excess of \$35 million, any portion of sales and use tax revenues
3912 that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess
3913 of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board
3914 and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the
3915 balance in the Capital Improvement Fund is less than \$35 million.

3916 F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales
3917 and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the
3918 General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the
3919 Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under
3920 § 58.1-638.1 an amount equivalent to one-half of the net revenue generated from such one-half percent
3921 increase as provided in this subdivision. The transfers to the Public Education Standards of
3922 Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the
3923 net revenue generated (and collected in the succeeding month) from such one-half percent increase for
3924 the month of August 2004 and for each month thereafter.

3925 2. Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the
3926 revenue generated by a 0.125 percent sales and use tax shall be distributed to the Public Education
3927 Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1, and be
3928 used for the state's share of Standards of Quality basic aid payments.

3929 3. For the purposes of the Comptroller making the required transfers under subdivision 1 and 2, the
3930 Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of
3931 each month certifying the sales and use tax revenues generated in the preceding month. Within three
3932 calendar days of receiving such certification, the Comptroller shall make the required transfers to the
3933 Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

3934 G. (Contingent expiration date) Beginning July 1, 2013, of the remaining sales and use tax revenue,
3935 an amount equal to ~~the following percentages~~ 20 percent of the revenue generated by a one-half percent
3936 sales and use tax, such as that paid to the *Commonwealth Transportation Trust* Fund as provided in

subdivision subsection A 4, shall be paid to the Highway Maintenance and Operating Commonwealth Transportation Fund established pursuant to § 33.2-1530:

1. For fiscal year 2014, an amount equal to 10 percent;
2. For fiscal year 2015, an amount equal to 20 percent;
3. For fiscal year 2016, an amount equal to 30 percent; and
4. For fiscal year 2017 and thereafter, an amount equal to 35 percent § 33.2-1524.

The Highway Maintenance and Operating Fund's share of the net revenue distributable under this subsection shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

H. (Contingent expiration date) 1. The additional revenue generated by increases in the state sales and use tax from Planning District 8 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2509.

2. The additional revenue generated by increases in the state sales and use tax from Planning District 23 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2600.

3. The additional revenue generated by increases in the state sales and use tax in any other Planning District pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited into special funds that shall be established by appropriate legislation.

4. The net revenues distributable under this subsection shall be computed as an estimate of the net revenue to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

I. The Comptroller shall make all deposits under this section as soon as practicable.

§ 58.1-2701. (Contingent expiration date) Amount of tax.

A. Except as provided in subsection C, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth.

The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.0225. The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of \$150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier's IFTA return. For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year. The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2.

If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration

expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

D. ~~1. Except as provided in subdivision 2, all~~ All taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund ~~within deposited into~~ the Commonwealth Transportation Fund ~~established pursuant to § 33.2-1524.~~

2. The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway. For purposes of this subdivision, "net additional revenues" means the additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly, minus any refunds or remittances required to be paid.

§ 63.2-1716. Child day center operated by religious institution exempt from licensure; annual statement and documentary evidence required; enforcement; injunctive relief.

A. Notwithstanding any other provisions of this chapter, a child day center, including a child day center that is a child welfare agency operated or conducted under the auspices of a religious institution, shall be exempt from the licensure requirements of this subtitle, but shall comply with the provisions of this section unless it chooses to be licensed. If such religious institution chooses not to be licensed, it shall file with the Commissioner, prior to beginning operation of a child day center and thereafter annually, a statement of intent to operate a child day center, certification that the child day center has disclosed in writing to the parents or guardians of the children in the center the fact that it is exempt from licensure and has posted the fact that it is exempt from licensure in a visible location on the premises, the qualifications of the personnel employed therein, and documentary evidence that:

1. Such religious institution has tax exempt status as a nonprofit religious institution in accordance with § 501(c) of the Internal Revenue Code of 1954, as amended, or that the real property owned and exclusively occupied by the religious institution is exempt from local taxation.

2. Within the prior 90 days for the initial exemption and within the prior 180 days for exemptions thereafter, the local health department and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, have inspected the physical facilities of the child day center and have determined that the center is in compliance with applicable laws and regulations with regard to food service activities, health and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform Statewide Building Code.

3. The child day center employs supervisory personnel according to the following ratio of staff to children:

- a. One staff member to four children from ages zero to 16 months.
- b. One staff member to five children from ages 16 months to 24 months.
- c. One staff member to eight children from ages 24 months to 36 months.
- d. One staff member to 10 children from ages 36 months to five years.
- e. One staff member to 20 children from ages five years to nine years.
- f. One staff member to 25 children from ages nine years to 12 years.

Staff shall be counted in the required staff-to-children ratios only when they are directly supervising children. In each grouping of children, at least one adult staff member shall be regularly present. However, during designated daily rest periods and designated sleep periods of evening and overnight care programs, for children ages 16 months to six years, only one staff member shall be required to be present with the children under supervision. In such cases, at least one staff member shall be physically present in the same space as the children under supervision at all times. Other staff members counted for purposes of the staff-to-child ratio need not be physically present in the same space as the resting or sleeping children, but shall be present on the same floor as the resting or sleeping children and shall

have no barrier to their immediate access to the resting or sleeping children. The staff member who is physically present in the same space as the sleeping children shall be able to summon additional staff counted in the staff-to-child ratio without leaving the space in which the resting or sleeping children are located.

Staff members shall be at least 16 years of age. Staff members under 18 years of age shall be under the supervision of an adult staff member. Adult staff members shall supervise no more than two staff members under 18 years of age at any given time.

4. Each person in a supervisory position has been certified by a practicing physician or physician assistant to be free from any disability which would prevent him from caring for children under his supervision.

5. The center is in compliance with the requirements of:

- a. This section.
- b. Section 63.2-1724 relating to background checks.
- c. Section 63.2-1509 relating to the reporting of suspected cases of child abuse and neglect.

d. Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 regarding a valid Virginia driver's license or commercial driver's license; ~~Article 21 (§ 46.2-1157 et seq.)~~ *the applicable safety and equipment requirements* of Chapter 10 (§ 46.2-1000 et seq.) of Title 46.2, ~~regarding vehicle inspections~~; ensuring that any vehicle used to transport children is an insured motor vehicle as defined in § 46.2-705; and Article 13 (§ 46.2-1095 et seq.) of Chapter 10 of Title 46.2, regarding child restraint devices.

6. The following aspects of the child day center's operations are described in a written statement provided to the parents or guardians of the children in the center and made available to the general public: physical facilities, enrollment capacity, food services, health requirements for the staff and public liability insurance.

7. The individual seeking to operate the child day center is not currently ineligible to operate another child welfare agency due to a suspension or revocation of his license or license exemption for reasons involving child safety or any criminal conviction, including fraud, related to such child welfare agency.

8. A person trained and certified in first aid and cardiopulmonary resuscitation (CPR) will be present at the child day center whenever children are present or at any other location in which children attending the child day center are present.

9. The child day center is in compliance with all safe sleep guidelines recommended by the American Academy of Pediatrics.

B. The center shall establish and implement procedures for:

- 1. Hand washing by staff and children before eating and after toileting and diapering.
- 2. Appropriate supervision of all children in care, including daily intake and dismissal procedures to ensure safety of children.

3. A daily simple health screening and exclusion of sick children by a person trained to perform such screenings.

4. Ensuring that all children in the center are in compliance with the provisions of § 32.1-46 regarding the immunization of children against certain diseases.

5. Ensuring that all areas of the premises accessible to children are free of obvious injury hazards, including providing and maintaining sand or other cushioning material under playground equipment.

6. Ensuring that all staff are able to recognize the signs of child abuse and neglect.

7. Ensuring that all incidents involving serious physical injury to or death of children attending the child day center are reported to the Commissioner. Reports of serious physical injuries, which shall include any physical injuries that require an emergency referral to an offsite health care professional or treatment in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one business day after the death occurred.

C. The Commissioner may perform on-site inspections of religious institutions to confirm compliance with the provisions of this section and to investigate complaints that the religious institution is not in compliance with the provisions of this section. The Commissioner may revoke the exemption for any child day center in serious or persistent violation of the requirements of this section. If a religious institution operates a child day center and does not file the statement and documentary evidence required by this section, the Commissioner shall give reasonable notice to such religious institution of the nature of its noncompliance and may thereafter take such action as he determines appropriate, including a suit to enjoin the operation of the child day center.

D. Any person who has reason to believe that a child day center falling within the provisions of this section is not in compliance with the requirements of this section may report the same to the local department, the local health department or the local fire marshal, each of which may inspect the child day center for noncompliance, give reasonable notice to the religious institution, and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the child day center.

E. Nothing in this section shall prohibit a child day center operated by or conducted under the

auspices of a religious institution from obtaining a license pursuant to this chapter.

2. That § 2 of the first enactment of Chapter 8 of the Acts of Assembly of 1989, Special Session II, as amended by the second enactment of Chapter 538 of the Acts of Assembly of 1999 and by the first enactment of Chapter 296 of the Acts of Assembly of 2013, is amended and reenacted as follows:

§ 2. However, the additional amount of bonds that may be issued solely because of the amendments to this section by the 2013 Session of the General Assembly may be issued only if the debt service of such bonds can be met solely with the revenues provided to the Route 58 Corridor Development Fund pursuant to the provisions of § 58.1-815 of the Code of Virginia. The proceeds of such bonds shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all costs incurred or to be incurred for the construction of an adequate, modern, safe, and efficient highway system, generally along Virginia's southern boundary and which comprises the U.S. Route 58 Corridor Development Program as established in § ~~33.1-221.1:2~~ *33.2-2301*, consisting of the environmental and engineering studies, rights-of-way acquisition, construction and related improvements (the Project).

Of the foregoing four sections of the Project, construction of the Lover's Leap Section shall have priority over construction of the other three sections. However, construction of these other three sections

may proceed simultaneously with the construction of the Lover's Leap Section if such simultaneous construction does not delay construction of the Lover's Leap Section.

Such revenue bonds shall be issued by the Commonwealth Transportation Board and sold through the Treasury Board, which is hereby designated the sales and paying agent of the Commonwealth Transportation Board with respect to such bonds. The Treasury Board's duties shall include the approval of the terms and structure of the bonds.

9. That the reduction in the registration fees imposed pursuant to subsection A of § 46.2-697 of the Code of Virginia, as amended by this act, shall be deemed to have eliminated any increase in the registration fees imposed by Chapter 896 of the Acts of Assembly of 2007.

10. That the prioritization process established pursuant to subsection C of § 33.2-373 of the Code of Virginia, as added by this act, shall not apply to projects and strategies included or identified in the Interstate 81 Corridor Improvement Plan adopted by the Commonwealth Transportation Board on December 5, 2018.

The Transportation Board is further hereby authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper. The proceeds of such bonds and BANs, excluding amounts needed to fund issuance costs, reserve funds, capitalized interest, and other financing expenses, shall be used exclusively for the purpose of providing funds, together with any other available funds made available by the Transportation Board, the Virginia Department of Rail and Public Transportation, and the Virginia Passenger Rail Authority, to pay all or a portion of the costs of (i) acquiring, constructing, renovating, expanding, enlarging, improving, installing, and equipping the Rail Improvements, as defined in the preamble to this act, and the various rail facilities, structures, and equipment constructed or acquired in connection therewith; (ii) acquiring any lands, structures, fixtures, rights-of-way, franchises, easements, and other property rights and interests related to the Rail Improvements; and (iii) demolishing, removing, or relocating any buildings, structures, or fixtures on lands acquired for the Rail Improvements (any of which may be referred to as an "authorized capital project").

The proceeds of (a) bonds the issuance of which has been anticipated by BANs, (b) refunding bonds, and (c) refunding BANs shall be used to pay such BANs, refunded bonds, and refunded BANs.

§ 4. Details, sale of bonds and BANs.

The terms and structure of each issue of bonds and BANs shall be determined by the Transportation Board, subject to approval of the Treasury Board if required by the provisions of § 2.2-2416 of the Code of Virginia. The bonds and BANs shall be signed on behalf of the Transportation Board by the chairman or vice-chairman of the Transportation Board, or shall bear the facsimile signature of such officer, and shall bear the official seal of the Transportation Board, which shall be attested by the manual or facsimile signature of the secretary or assistant secretary of the Transportation Board. In the event that the bonds or BANs shall bear the facsimile signature of the chairman or vice-chairman of the Transportation Board, such bonds or BANs shall be signed by such administrative assistant as the chairman of the Transportation Board shall determine or by any registrar or paying agent that may be designated by the Transportation Board. If any officer whose signature or facsimile signature appears on any bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

§ 6. Sources for payment of expenses.

All expenses incurred under this act or in connection with the issuance of bonds or BANs shall be paid from the proceeds of bonds or BANs or from other available funds as the Transportation Board

shall determine.

The Transportation Board is further authorized to create debt service and sinking funds for the payments of the principal of and premium, if any, and interest on the bonds and BANs and other reserves required by any of the purchasers.

§ 8. Investments and contracts.

A. Pending the application of the proceeds of the bonds or BANs (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose to the payment of bonds or BANs, they may be invested by the State Treasurer or by a trustee in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer or trustee receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of the bonds and any BANs and shall be used in the same manner as required for principal of the bonds or BANs.

B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs, or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Commonwealth in connection with, incidental to, entering into, or maintaining, any (i) agreement that secures bonds or BANs or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts and arrangements may contain such payment, security, default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency, and any other criteria as may be appropriate. The determinations referred to in this subsection may be made by the Treasury Board or any public funds manager with professional investment capabilities duly authorized by the Treasury Board to make such determinations.

C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts entered into pursuant to this section may be invested in accordance with subsection A and may be pledged to and used to service any of the contracts or other arrangements entered into pursuant to subsection B.

§ 9. Security for bonds and BANs.

Subject to appropriation by the General Assembly of such amounts, the Toll Revenues are hereby irrevocably pledged for the payment of the principal of and premium, if any, and interest on bonds and BANs issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and premium, if any, and interest on the BANs or bonds to be paid or redeemed thereby. The bonds and BANs are further secured (a) to the extent required, by legally available revenues of the Transportation Trust Fund and (b) to the extent required, such other funds as may be appropriated by the General Assembly. Nothing in this act or the bonds or BANs shall be deemed to create or constitute a pledge of the faith and credit of the Commonwealth or any political subdivision thereof.

§ 10. Exemption of interest from tax.

The bonds and BANs issued under the provisions of this act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any county, city, or town, or other political subdivision thereof. The Transportation Board is authorized to take or refrain from taking any and all actions and to covenant to such effect, and to require the Transportation Board, the Virginia Department of Rail and Public Transportation, and the Virginia Passenger Rail Authority to do and to covenant likewise, to the extent that, in the judgment of the Transportation Board, it is appropriate in order that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on bonds and BANs may be

5105 made subject to inclusion in gross income of the holders thereof for federal income tax purposes.

5106 § 11. Refunding bonds and BANs.

5107 The Transportation Board is authorized, by and with the consent of the Governor, to sell and issue,
5108 at one time or from time to time, refunding bonds and BANs of the Commonwealth and to refund any or
5109 all of the bonds and BANs, respectively, issued under this act. Refunding bonds and BANs may be
5110 issued in a principal amount up to the amount necessary to pay at maturity or redeem the bonds and
5111 BANs to be refunded and pay all issuance costs and other financing expenses of the refunding. Such
5112 refunding bonds and BANs may be issued whether or not the obligations to be refunded are then subject
5113 to redemption.

5114 § 12. Defeasance.

5115 Any bond or BAN for which cash or direct obligations of the United States of America shall have
5116 been set aside in escrow with the State Treasurer or a bank or trust company, within or without the
5117 Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this
5118 act, and Article X, Section 9 (d) of the Constitution of Virginia.

5119 § 13. Legal investments.

5120 All obligations issued under the provisions of this act are hereby made securities in which all public
5121 officers and bodies of the Commonwealth and political subdivisions thereof, insurance companies and
5122 associations, savings banks and savings institutions, including savings and loan associations, trust
5123 companies, beneficial and benevolent associations, administrators, guardians, executors, trustees, and
5124 other fiduciaries in the Commonwealth may properly and legally invest funds under their control.

5125 § 14. Severability.

5126 The provisions of this act or the application thereof to any person or circumstances that are held
5127 invalid shall not affect the validity of other provisions or applications of this act which can be given
5128 effect without the invalid provisions or applications.

5129 § 15. Appropriation.

5130 The proceeds of the bonds are hereby appropriated for disbursement from the state treasury pursuant
5131 to Article X, Section 7 of the Constitution of Virginia and § 2.2-1819 of the Code of Virginia. The
5132 general conditions and general provisions of the general appropriation act enacted pursuant to Chapter
5133 15 (§ 2.2-1500 et seq.) of Title 2.2 of the Code of Virginia, as such general appropriation act may be
5134 amended from time to time, and all of the terms and conditions contained therein shall apply to the
5135 authorized capital project described in this act.
