3. Committee: Appropriations

4. Title: Virginia Public Procurement Act; purchase programs for recycled goods; climate positive materials.

5. Summary: Requires the Department of General Services to make agencies aware of the availability of recycled materials and products certified as climate positive. The term "climate positive" is defined as having a net negative carbon footprint.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: See Item 8.

8. Fiscal Implications: This legislation requires the Director of the Department of General Services (DGS) to make agencies aware of materials and products certified as climate positive. To the extent that such awareness would change agencies' purchasing behavior, there may be an impact on the cost of the goods procured. The impact would depend on the types of goods and materials procured, the number of available vendors, and other market conditions. The impact is currently indeterminate.

9. Specific Agency or Political Subdivisions Affected: Department of General Services (DGS) and all state public bodies under DGS purview, such as through the Higher Education Restructuring Act.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
