2. Patron: Hope

3. Committee: Joint Conference Committee

4. Title: Family day homes; storage of firearms.

5. Summary: Requires that all firearms in a licensed family day home, registered family day home, or family day home approved by a family day system be stored unloaded in a locked container, compartment, or cabinet. The bill also requires that, during the family day home's hours of operation, ammunition be stored separate from all firearms in a locked container, compartment, or cabinet. Additionally, this bill would allow local ordinances regulating the possession and storage of firearms, ammunition, or components or combination thereof at child-care facilities to be more extensive in scope than comparable state statutes or regulation that apply to family day homes.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: None.

8. Fiscal Implications: This legislation will not expand the Department's legal authority or service population. Likewise, it will not impact the Department's programs or services. Similar regulations already exist regarding storage of firearms and ammunition in family day homes regulated by the Department of Social Services.

9. Specific Agency or Political Subdivisions Affected: Department of Social Services

10. Technical Amendment Necessary: No.

11. Other Comments: The Joint Conference Committee substitute renders this bill identical to SB593-S1.
