3. Committee: Passed Both Houses

4. Title: Long-term care services and supports; preadmission screenings

5. Summary: The enrolled bill provides that every individual who applies for or requests community or institutional long-term care services and supports as defined in the state plan for medical assistance services may choose to receive services in a community or institutional setting. Further, individuals may choose the setting and provider of long-term care services and supports from a list of approved providers. The bill also clarifies requirements related to the performance of such long-term care services and supports screenings. The bill directs the Department of Medical Assistance Services (DMAS) to consider alternative assessment tools for long-term services and supports screenings and to report its findings and conclusions by December 1, 2020. Further, the bill requires the DMAS to report information related screenings on August 1 of each year.

6. Budget Amendment Necessary: No

7. Minimal Fiscal Impact

8. Fiscal Implications: DMAS reports that that the provisions of the substitute bill would require that training programs be updated to include nursing facilities. The estimated costs for these items are minimal; therefore, DMAS estimates no fiscal impact.
