Summary: This bill authorizes the Board of Game and Inland Fisheries (the Board) to create a special license for hunting elk in the elk management zone that is required in addition to a general hunting license. The bill authorizes the Board to establish (i) quotas and procedures for selection to purchase a special elk license, (ii) a nonrefundable application fee of \$15 for residents and \$20 for nonresidents and a special elk license fee at no more than \$40 for residents and \$400 for nonresidents, and (iii) guidelines permitting the transfer of special elk licenses to individuals, cooperators who assist in meeting agency hunting objectives, or wildlife conservation organizations whose mission is to ensure the conservation of Virginia's wildlife resources.
