6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: See Item 8.

8. Fiscal Implications: The proposed legislation is not expected to have a fiscal impact on the Department of Elections.

The proposed legislation expands applicability of an existing Class 5 felony offense. According to Virginia Criminal Sentencing Commission data, the provisions of this bill are not expected to increase the need for state-responsible (prison) beds. Accordingly, pursuant to §30-19.1:4 of the Code of Virginia, the Virginia Criminal Sentencing Commission estimates a fiscal impact of \$0 for periods of imprisonment in state adult correctional facilities and states that it cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.

While the legislation may increase the future local-responsible (jail) bed space needs, the magnitude of the impact cannot be determined. Any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$4.00 a day for each misdemeanor or otherwise local-responsible prisoner held in a jail and \$12.00 a day for each state-responsible prisoner. It also funds a considerable portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2019), the estimated total state support for local jails averaged \$34.07 per inmate, per day in FY 2018.

9. Specific Agency or Political Subdivisions Affected: Virginia Department of Elections, State Board of Elections, general registrars, and localities.

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is similar or identical to HB19.
