**2. Patron:** Barker

**3. Committee:** Passed Both Houses

**4. Title:** Department of Motor Vehicles; driver's license eligibility

**5. Summary:** This bill authorizes the Department of Motor Vehicles to issue a driver's license and special identification card to an applicant with a valid, unexpired Employment Authorization Document.

**6. Budget Amendment Necessary:** No.

**7. Fiscal Impact Estimates:** Final. See Item #8.

**8. Fiscal Implications:** Making the appropriate changes to the Department of Motor Vehicles' (DMV) information systems would cost \$19,175 and require 322 staff hours. This legislation will not result in a significant expenditure increase for the agency. The staff hours required to implement the bill can be accomplished during the normal work schedules for DMV employees, given current workloads. DMV would be able to absorb this cost within its existing resources assuming other legislative proposals with fiscal impacts to DMV are not passed. DMV's current fiscal outlook precludes funding the cumulative burden of implementing the programming and staffing requirements of multiple pieces of legislation without improved revenue streams.

**9. Specific Agency or Political Subdivisions Affected:** Department of Motor Vehicles.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
