§ 18.2-308.2:2. (Effective until July 1, 2021) Criminal history record information check required for the transfer of certain firearms.

A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a form to be provided by the Department of State Police, to have the dealer obtain criminal history record information. Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction; ~~or been the subject of a temporary detention order pursuant to § 37.2-809 and subsequently agreed to a voluntary admission pursuant to § 37.2-805;~~ and (iv) is the applicant subject to an emergency substantial risk order or a substantial risk order entered pursuant to § 19.2-152.13 or 19.2-152.14 and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:6 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective

59 purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing
60 that the original date of issue of the driver's license was more than 30 days prior to the attempted
61 purchase.

62 In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any
63 person who is not a citizen of the United States or who is not a person lawfully admitted for permanent
64 residence.

65 Upon receipt of the request for a criminal history record information check, the State Police shall (a)
66 review its criminal history record information to determine if the buyer or transferee is prohibited from
67 possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates
68 that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number
69 for that inquiry.

70 2. The State Police shall provide its response to the requesting dealer during the dealer's request or
71 by return call without delay. A dealer who fulfills the requirements of subdivision 1 and is told by the
72 State Police that a response will not be available by the end of the dealer's third business day may
73 immediately complete the sale or transfer and shall not be deemed in violation of this section with
74 respect to such sale or transfer.

75 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
76 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
77 months, from any dealer's request for a criminal history record information check pertaining to a buyer
78 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
79 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
80 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
81 number and the transaction date.

82 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
83 deliver the written consent form required by subsection A to the Department of State Police. The State
84 Police shall immediately initiate a search of all available criminal history record information to
85 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
86 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
87 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
88 the jurisdiction where the sale or transfer occurred and the dealer without delay.

89 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
90 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
91 residents of other states under the terms of subsections A and B upon furnishing the dealer with one
92 photo-identification form issued by a governmental agency of the person's state of residence and one
93 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

94 6. For the purposes of this subsection, the phrase "dealer's third business day" shall not include
95 December 25.

96 C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the
97 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
98 subdivision B 5, to any person who is a dual resident of Virginia and another state pursuant to
99 applicable federal law unless he has first obtained from the Department of State Police a report
100 indicating that a search of all available criminal history record information has not disclosed that the
101 person is prohibited from possessing or transporting a firearm under state or federal law.

102 To establish personal identification and dual resident eligibility for purposes of this subsection, a
103 dealer shall require any prospective purchaser to present one photo-identification form issued by a
104 governmental agency of the prospective purchaser's state of legal residence and other documentation of
105 dual residence within the Commonwealth. The other documentation of dual residence in the
106 Commonwealth may include (i) evidence of currently paid personal property tax or real estate tax or a
107 current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f)
108 automobile registration, or (g) hunting or fishing license; (ii) other current identification allowed as
109 evidence of residency by 27 C.F.R. § 178.124 and ATF Ruling 2001-5; or (iii) other documentation of
110 residence determined to be acceptable by the Department of Criminal Justice Services and that
111 corroborates that the prospective purchaser currently resides in Virginia.

112 D. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
113 exercise his right of access to and review and correction of criminal history record information under
114 § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within
115 30 days of such denial.

116 E. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history
117 record information under false pretenses, or who willfully and intentionally disseminates or seeks to
118 disseminate criminal history record information except as authorized in this section shall be guilty of a
119 Class 2 misdemeanor.

211 inventory to any other person, a dealer may require such other person to consent to have the dealer
212 obtain criminal history record information to determine if such other person is prohibited from
213 possessing or transporting a firearm by state or federal law. The Department of State Police shall
214 establish policies and procedures in accordance with 28 C.F.R. § 25.6 to permit such determinations to
215 be made by the Department of State Police, and the processes established for making such
216 determinations shall conform to the provisions of this section.

217 R. Except as provided in subdivisions 1 and 2, it shall be unlawful for any person who is not a
218 licensed firearms dealer to purchase more than one handgun within any 30-day period. For the purposes
219 of this subsection, "purchase" does not include the exchange or replacement of a handgun by a seller for
220 a handgun purchased from such seller by the same person seeking the exchange or replacement within
221 the 30-day period immediately preceding the date of exchange or replacement. A violation of this
222 subsection is punishable as a Class 1 misdemeanor.

224 enhanced background check, as described in this subsection, by special application to the Department of
225 State Police listing the number and type of handguns to be purchased and transferred for lawful business

232 (§ 2.2-4000 et seq.), for the implementation of an application process for purchases of handguns above
233 the limit.

234 Upon being satisfied that these requirements have been met, the Department of State Police shall
235 immediately issue to the applicant a nontransferable certificate, which shall be valid for seven days from
236 the date of issue. The certificate shall be surrendered to the dealer by the prospective purchaser prior to
237 the consummation of such sale and shall be kept on file at the dealer's place of business for inspection
238 as provided in § 54.1-4201 for a period of not less than two years. Upon request of any local

240 local law-enforcement agency to serve as its agent to receive applications and, upon authorization by the
241 Department of State Police, issue certificates immediately pursuant to this subdivision. Applications and
242 certificates issued under this subdivision shall be maintained as records as provided in subdivision B 3.
243 The Department of State Police shall make available to local law-enforcement agencies all records

The firearms dealer shall attach a copy of the official police report or summary thereof to the original copy of the Virginia firearms transaction report completed for the transaction and retain it for the period prescribed by the Department of State Police;
- g. A person who trades in a handgun at the same time he makes a handgun purchase and as a part of the same transaction, provided that no more than one transaction of this nature is completed per day;

For purposes of this subdivision, "private sale" means a purchase from a person who makes occasional sales, exchanges, or purchases of firearms for the enhancement of a personal collection of curios or relics or who sells all or part of such collection of curios and relics; or
- j. A law-enforcement officer. For purposes of this subdivision, "law-enforcement officer" means any employee of a police department or sheriff's office that is part of or administered by the Commonwealth or any political subdivision thereof and who is responsible for the prevention and detection of crime and the enforcement of the penal, traffic, or highway laws of the Commonwealth.

§ 18.2-308.2:2. (Effective July 1, 2021) Criminal history record information check required for the transfer of certain firearms.

A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a form to be provided by the Department of State Police, to have the dealer obtain criminal history record information. Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated, or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction; ~~or been the subject of a temporary detention order pursuant to § 37.2-809 and subsequently agreed to a voluntary admission pursuant to § 37.2-805;~~ and (iv) is the applicant subject to an emergency substantial risk order or a substantial risk order entered pursuant to § 19.2-152.13 or 19.2-152.14 and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:6 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade, or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded, or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish

personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request or by return call without delay. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a response will not be available by the end of the dealer's third business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30 days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under state or federal law. However, the log on requests made may be maintained for a period of 12 months, and such log shall consist of the name of the purchaser, the dealer identification number, the unique approval number, and the transaction date.

4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or deliver the written consent form required by subsection A to the Department of State Police. The State Police shall immediately initiate a search of all available criminal history record information to determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal law. If the search discloses information indicating that the buyer or transferee is so prohibited from possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in the jurisdiction where the sale or transfer occurred and the dealer without delay.

5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by persons who are citizens of the United States or persons lawfully admitted for permanent residence but residents of other states under the terms of subsections A and B upon furnishing the dealer with one photo-identification form issued by a governmental agency of the person's state of residence and one other form of identification determined to be acceptable by the Department of Criminal Justice Services.

6. For the purposes of this subsection, the phrase "dealer's third business day" does not include December 25.

C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of subdivision B 5, to any person who is a dual resident of Virginia and another state pursuant to applicable federal law unless he has first obtained from the Department of State Police a report indicating that a search of all available criminal history record information has not disclosed that the person is prohibited from possessing or transporting a firearm under state or federal law.

To establish personal identification and dual resident eligibility for purposes of this subsection, a dealer shall require any prospective purchaser to present one photo-identification form issued by a governmental agency of the prospective purchaser's state of legal residence and other documentation of dual residence within the Commonwealth. The other documentation of dual residence in the

Commonwealth may include (i) evidence of currently paid personal property tax or real estate tax or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; (ii) other current identification allowed as evidence of residency by 27 C.F.R. § 178.124 and ATF Ruling 2001-5; or (iii) other documentation of residence determined to be acceptable by the Department of Criminal Justice Services and that corroborates that the prospective purchaser currently resides in Virginia.

D. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

E. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history record information under false pretenses, or who willfully and intentionally disseminates or seeks to disseminate criminal history record information except as authorized in this section, shall be guilty of a Class 2 misdemeanor.

F. For purposes of this section:

"Actual buyer" means a person who executes the consent form required in subsection B or C, or other such firearm transaction records as may be required by federal law.

"Antique firearm" means:

1. Any firearm (including any firearm with a matchlock, flintlock, percussion cap, or similar type of ignition system) manufactured in or before 1898;

2. Any replica of any firearm described in subdivision 1 of this definition if such replica (i) is not designed or redesigned for using rimfire or conventional centerfire fixed ammunition or (ii) uses rimfire or conventional centerfire fixed ammunition that is no longer manufactured in the United States and that is not readily available in the ordinary channels of commercial trade;

3. Any muzzle-loading rifle, muzzle-loading shotgun, or muzzle-loading pistol that is designed to use black powder, or a black powder substitute, and that cannot use fixed ammunition. For purposes of this subdivision, the term "antique firearm" shall not include any weapon that incorporates a firearm frame or receiver, any firearm that is converted into a muzzle-loading weapon, or any muzzle-loading weapon that can be readily converted to fire fixed ammunition by replacing the barrel, bolt, breech-block, or any combination thereof; or
