Coordination of services for preadmission screening and discharge planning. A. The community services board shall fulfill the following responsibilities: 12 13 1. Be responsible for coordinating the community services necessary to accomplish effective preadmission screening and discharge planning for persons referred to the community services board. 14 15 When preadmission screening reports are required by the court on an emergency basis pursuant to Article 5 (§ 37.2-814 et seq.) of Chapter 8, the community services board shall ensure the development 16 17 of the report for the court. To accomplish this coordination, the community services board shall establish a structure and procedures involving staff from the community services board and, as appropriate, 18 19 representatives from (i) the state hospital or training center serving the board's service area, (ii) the local 20 department of social services, (iii) the health department, (iv) the Department for Aging and 21 Rehabilitative Services office in the board's service area, (v) the local school division, and (vi) other 22 public and private human services agencies, including licensed hospitals. 23 2. Provide preadmission screening services prior to the admission for treatment pursuant to 24 § 37.2-805 or Article 5 (§ 37.2-814 et seq.) of Chapter 8 of any person who requires emergency mental health services while in a city or county served by the community services board. Provide, in consultation with the appropriate state hospital or training center, discharge planning 34 for any individual who, prior to admission, resided in a city or county served by the community services 35 board or who chooses to reside after discharge in a city or county served by the board and who is to be 36 released from a state hospital or training center pursuant to § 37.2-837. Upon initiation of discharge 37 planning, the community services board that serves the city or county where the individual resided prior 38 to admission shall inform the individual that he may choose to return to the county or city in which he 39 resided prior to admission or to any other county or city in the Commonwealth. If the individual is 40 unable to make informed decisions regarding his care, the community services board shall so inform his 41 authorized representative, who may choose the county or city in which the individual shall reside upon 42 discharge. In either case and to the extent permitted by federal law, for individuals who choose to return to the county or city in which they resided prior to admission, the community services board shall make 43 44 every reasonable effort to place the individuals in such county or city. The plan shall include the mental health, developmental, 52 53 substance abuse, social, educational, medical, employment, housing, legal, advocacy, transportation, and 54 other services that the individual will need upon discharge into the community and identify the public or

private agencies that have agreed to provide these services.
No individual shall be discharged from a state hospital or training center without completion by the
community services board of the discharge plan described in this subdivision. If state hospital or training
center staff identify an individual as ready for discharge and the community services board that is
responsible for the individual's care disagrees, the community services board shall document in the

60 treatment plan within 30 days of the individual's identification any reasons for not accepting the 61 individual for discharge. If the state hospital or training center disagrees with the community services board and the board refuses to develop a discharge plan to accept the individual back into the 62 63 community, the state hospital or training center or the community services board shall ask the 64 Commissioner to review the state hospital's or training center's determination that the individual is ready 65 for discharge in accordance with procedures established by the Department in collaboration with state 66 hospitals, training centers, and community services boards. If the Commissioner determines that the individual is ready for discharge, a discharge plan shall be developed by the Department to ensure the 67 availability of adequate services for the individual and the protection of the community. The Commissioner also shall verify that sufficient state-controlled funds have been allocated to the 68 69 community services board through the performance contract. If sufficient state-controlled funds have 70 been allocated, the Commissioner may contract with a private provider, another community services 71 72 board, or a behavioral health authority to deliver the services specified in the discharge plan and withhold allocated funds applicable to that individual's discharge plan from the community services 73 74 board in accordance with subsections C and E of § 37.2-508.

and the community policy and management team, but it remains responsible for performing the
functions set out in subdivisions A 2 and A 3 in the case of children.

The judge or special justice shall ascertain if the person is then 101 willing and capable of seeking voluntary admission for inpatient treatment. In determining whether a 102 person is capable of consenting to voluntary admission, the judge or special justice may consider evidence regarding the person's past compliance or noncompliance with treatment. If the judge or special 103 104 justice finds that the person is capable and willingly accepts voluntary admission for inpatient treatment, the judge or special justice shall require him to accept voluntary admission for a minimum period of 105 treatment not to exceed 72 hours. After such minimum period of treatment, the person shall give the 106 facility 48 hours' notice prior to leaving the facility. During this notice period, the person shall not be 107 discharged except as provided in § 37.2-837, 37.2-838, or 37.2-840. 118 D. A written explanation of the involuntary admission process and the statutory protections
119 associated with the process shall be given to the person, and its contents shall be explained by an
120 attorney prior to the commitment hearing. The written explanation shall describe, at a minimum, the

These reports, if not contested, may 148 149 constitute sufficient evidence upon which the district court judge or special justice may base his 150 decision. The examiner, if not physically present at the hearing, and the treating physician at the facility 151 of temporary detention shall be available whenever possible for questioning during the hearing through a 152 two-way electronic video and audio or telephonic communication system as authorized in § 37.2-804.1.

153 B. Any employee or designee of the local community services board, as defined in § 37.2-809, 154 representing the community services board that prepared the preadmission screening report shall attend 155 the hearing in person or, if physical attendance is not practicable, shall participate in the hearing through 156 a two-way electronic video and audio or telephonic communication system as authorized in § 37.2-804.1. 157 Where a hearing is held outside of the service area of the community services board that prepared the 158 preadmission screening report, and it is not practicable for a representative of the board to attend or 159 participate in the hearing, arrangements shall be made by the board for an employee or designee of the board serving the area in which the hearing is held to attend or participate on behalf of the board that prepared the preadmission screening report. The employee or designee of the local community services 160 161 162 board, as defined in § 37.2-809, representing the community services board that prepared the preadmission screening report or attending or participating on behalf of the board that prepared the 163 164 preadmission screening report shall not be excluded from the hearing pursuant to an order of 165 sequestration of witnesses. The community services board that prepared the preadmission screening 166 report shall remain responsible for the person subject to the hearing and, prior to the hearing, shall send the preadmission screening report through certified mail, personal delivery, facsimile with return receipt 167 168 acknowledged, or other electronic means to the community services board attending the hearing. Where 169 a community services board attends the hearing on behalf of the community services board that prepared 170 the preadmission screening report, the attending community services board shall inform the community 171 services board that prepared the preadmission screening report of the disposition of the matter upon the 172 conclusion of the hearing. In addition, the attending community services board shall transmit the 173 disposition through certified mail, personal delivery, facsimile with return receipt acknowledged, or other 174 electronic means.

175 At least 12 hours prior to the hearing, the court shall provide to the community services board that 176 prepared the preadmission screening report the time and location of the hearing. If the representative of 177 the community services board will be present by telephonic means, the court shall provide the telephone 178 number to the board.

183 been admitted, including whether the person recently has been found unrestorably incompetent to stand 184 trial after a hearing held pursuant to subsection E of § 19.2-169.1, if the judge or special justice finds by clear and convincing evidence that (a) the person has a mental illness and there is a substantial 185 186 likelihood that, as a result of mental illness, the person will, in the near future, (1) cause serious physical harm to himself or others as evidenced by recent behavior causing, attempting, or threatening 187 188 harm and other relevant information, if any, or (2) suffer serious harm due to his lack of capacity to 189 protect himself from harm or to provide for his basic human needs, and (b) all available less restrictive 190 treatment alternatives to involuntary inpatient treatment, pursuant to subsection D, that would offer an 191 opportunity for the improvement of the person's condition have been investigated and determined to be 192 inappropriate, the judge or special justice shall by written order and specific findings so certify and order that the person be admitted involuntarily to a facility for a period of treatment not to exceed 30 193 days from the date of the court order. Such involuntary admission shall be to a facility designated by 194 195 the community services board that serves the county or city in which the person was examined as 196 provided in § 37.2-816. If the community services board does not designate a facility at the commitment 197 hearing, the person shall be involuntarily admitted to a facility designated by the Commissioner. Upon 198 the expiration of an order for involuntary admission, the person shall be released unless he is 199 involuntarily admitted by further petition and order of a court, which shall be for a period not to exceed 200 180 days from the date of the subsequent court order, or such person makes application for treatment on 201 a voluntary basis as provided for in § 37.2-805 or is ordered to mandatory outpatient treatment pursuant 202 to subsection D. Prior to releasing a person following expiration of an order for involuntary admission, 203 the treating physician or his designee shall notify the person's representative, if any, and any other individual identified and requested by the person to be notified of the date on which the person will be 204 205 released.

Upon motion of the treating physician, a family member or personal representative of the person, or 206 207 the community services board serving the county or city where the facility is located, the county or city 208 where the person resides, or the county or city where the person receives treatment, a hearing shall be 209 held prior to the release date of any involuntarily admitted person to determine whether such person 210 should be ordered to mandatory outpatient treatment pursuant to subsection D upon his release if such person, on at least two previous occasions within 36 months preceding the date of the hearing, has been 211 212 (A) involuntarily admitted pursuant to this section or (B) the subject of a temporary detention order and 213 voluntarily admitted himself in accordance with subsection B of § 37.2-814. A district court judge or 214 special justice shall hold the hearing within 72 hours after receiving the motion for a mandatory 215 outpatient treatment order; however, if the 72-hour period expires on a Saturday, Sunday, or legal 216 holiday, the hearing shall be held by the close of business on the next day that is not a Saturday, 217 Sunday, or legal holiday.

218 C1. In the order for involuntary admission, the judge or special justice may authorize the treating 219 physician to discharge the person to mandatory outpatient treatment under a discharge plan developed 220 pursuant to subsection C2, if the judge or special justice further finds by clear and convincing evidence 221 that (i) the person has a history of lack of compliance with treatment for mental illness that at least 222 twice within the past 36 months has resulted in the person being subject to an order for involuntary 223 admission pursuant to subsection C; (ii) in view of the person's treatment history and current behavior, 224 the person is in need of mandatory outpatient treatment following inpatient treatment in order to prevent 225 a relapse or deterioration that would be likely to result in the person meeting the criteria for involuntary inpatient treatment; (iii) as a result of mental illness, the person is unlikely to voluntarily participate in 226 227 outpatient treatment unless the court enters an order authorizing discharge to mandatory outpatient treatment following inpatient treatment; and (iv) the person is likely to benefit from mandatory 228 229 outpatient treatment. The duration of mandatory outpatient treatment shall be determined by the court 230 based on recommendations of the community services board, but shall not exceed 90 days. Upon 231 expiration of the order for mandatory outpatient treatment, the person shall be released unless the order 232 is continued in accordance with § 37.2-817.4.

233 C2. Prior to discharging the person to mandatory outpatient treatment under a discharge plan as 234 authorized pursuant to subsection C1, the treating physician shall determine, based upon his professional 235 judgment, that (i) the person (a) in view of the person's treatment history and current behavior, no 236 longer needs inpatient hospitalization, (b) requires mandatory outpatient treatment at the time of 237 discharge to prevent relapse or deterioration of his condition that would likely result in his meeting the 238 criteria for involuntary inpatient treatment, and (c) has agreed to abide by his discharge plan and has the 239 ability to do so; and (ii) the ordered treatment will be delivered on an outpatient basis by the community 240 services board or designated provider to the person. Prior to discharging a person to mandatory 241 outpatient treatment under a discharge plan who has not executed an advance directive, the treating physician or his designee shall give to the person a written explanation of the procedures for executing 242 243 an advance directive in accordance with the Health Care Decisions Act (§ 54.1-2981 et seq.) and an 244 advance directive form, which may be the form set forth in § 54.1-2984. In no event shall the treating

The discharge plan *shall be* developed by the treating physician and facility staff in 248 conjunction with the community services board and, the person, and, to the extent possible, any other 249 individual identified and requested by the person to be involved and to participate in preparing the 250 discharge plan. The discharge plan shall be 253 submitted to the court for approval and, upon approval by the court, shall be filed and incorporated into 254 the order entered pursuant to subsection C1. The discharge plan shall be provided to the person and any 255 other individual identified and requested by the person to receive the discharge plan by the community services board at the time of the person's discharge from the inpatient facility. The community services 256 257 board where the person resides upon discharge shall monitor the person's compliance with the discharge 258 plan and report any material noncompliance to the court in accordance with § 37.2-817.1.

259 D. After observing the person and considering (i) the recommendations of any treating or examining 260 physician or psychologist licensed in Virginia, if available, (ii) any past actions of the person, (iii) any 261 past mental health treatment of the person, (iv) any examiner's certification, (v) any health records available, (vi) the preadmission screening report, and (vii) any other relevant evidence that may have 262 263 been admitted, if the judge or special justice finds by clear and convincing evidence that (a) the person 264 has a mental illness and that there exists a substantial likelihood that, as a result of mental illness, the 265 person will, in the near future, (1) cause serious physical harm to himself or others as evidenced by recent behavior causing, attempting, or threatening harm and other relevant information, if any, or (2) 266 267 suffer serious harm due to his lack of capacity to protect himself from harm or to provide for his basic 268 human needs; (b) less restrictive alternatives to involuntary inpatient treatment that would offer an opportunity for improvement of his condition have been investigated and are determined to be 269 270 appropriate; (c) the person has agreed to abide by his treatment plan and has the ability to do so; and 271 (d) the ordered treatment will be delivered on an outpatient basis by the community services board or 272 designated provider to the person, the judge or special justice shall by written order and specific findings 273 so certify and order that the person be admitted involuntarily to mandatory outpatient treatment. Less 274 restrictive alternatives shall not be determined to be appropriate unless the services are actually available 275 in the community.

276 E. Mandatory outpatient treatment may include day treatment in a hospital, night treatment in a 277 hospital, outpatient involuntary treatment with anti-psychotic medication pursuant to Chapter 11 278 (§ 37.2-1100 et seq.), or other appropriate course of treatment as may be necessary to meet the needs of 279 the person. Mandatory outpatient treatment shall not include the use of restraints or physical force of 280 any kind in the provision of the medication. The community services board that serves the county or 281 city in which the person resides shall recommend a specific course of treatment and programs for the provision of mandatory outpatient treatment. The duration of mandatory outpatient treatment shall be 282 283 determined by the court based on recommendations of the community services board, but shall not 284 exceed 90 days. Upon expiration of an order for mandatory outpatient treatment, the person shall be 285 released from the requirements of the order unless the order is continued in accordance with 286 § 37.2-817.4. Prior to releasing a person following expiration of an order for involuntary admission, the 287 treating physician shall notify the person's representative, if any, and any other person identified and 288 requested by the person to be notified of the date on which the person will be released.

The district court judge or special justice shall hold a hearing within five days after receiving the 383 petition for review of the mandatory outpatient treatment plan or discharge plan; however, if the fifth 384 day is a Saturday, Sunday, legal holiday, or day on which the court is lawfully closed, the hearing shall 385 be held by the close of business on the next day that is not a Saturday, Sunday, legal holiday, or day on 386 which the court is lawfully closed. If the person is being detained under a temporary detention order, the 387 hearing shall be scheduled within the same time frame provided for a commitment hearing under 388 § 37.2-814. The clerk shall provide notice of the hearing to the person, the community services board, 389 all treatment providers listed in the comprehensive mandatory outpatient treatment order or discharge 390 plan, and the original petitioner for the person's involuntary treatment. Upon receipt of such notice, the 391 community services board shall forward a copy of the notice to any other person to whom a copy of the discharge plan was provided pursuant to subsection C2 of § 37.2-817 or comprehensive mandatory 392 393 outpatient treatment plan was provided pursuant to subsection G of § 37.2-817.

394 If the person is not represented by counsel, the court shall appoint an attorney to represent the person 395 in this hearing and any subsequent hearings under §§ 37.2-817.3 and 37.2-817.4, giving consideration to 396 appointing the attorney who represented the person at the proceeding that resulted in the issuance of the 397 mandatory outpatient treatment order or order authorizing discharge to mandatory outpatient treatment 398 following inpatient treatment. The same judge or special justice that presided over the hearing resulting 399 in the mandatory outpatient treatment order or order authorizing discharge to mandatory outpatient 400 treatment following inpatient treatment need not preside at the noncompliance hearing or any subsequent 401 hearings. The community services board shall offer to arrange the person's transportation to the hearing 402 if the person is not detained and has no other source of transportation.

403 B. If requested by the person, the community services board, a treatment provider listed in the 404 comprehensive mandatory outpatient treatment plan or discharge plan, or the original petitioner for the 405 person's involuntary treatment, the court shall appoint an examiner in accordance with § 37.2-815 who 406 shall personally examine the person and certify to the court whether or not he has probable cause to 407 believe that the person meets the criteria for involuntary inpatient admission or mandatory outpatient 408 treatment as specified in subsections C, C1, C2, and D of § 37.2-817. The examination shall include all applicable requirements of § 37.2-815. The certification of the examiner may be admitted into evidence 409 410 without the appearance of the examiner at the hearing if not objected to by the person or his attorney. If 411 the person is not detained in an inpatient facility, the community services board shall arrange for the 412 person to be examined at a convenient location and time. The community services board shall offer to 413 arrange for the person's transportation to the examination, if the person has no other source of 414 transportation and resides within the service area or an adjacent service area of the community services 415 board. If the person refuses or fails to appear, the community services board shall notify the court, or a 416 magistrate if the court is not available, and the court or magistrate shall issue a mandatory examination 417 order and capias directing the primary law-enforcement agency in the jurisdiction where the person 418 resides to transport the person to the examination. 421 C. If the person fails to appear for the hearing, the court shall, after consideration of any evidence 422 from the person, from the community services board, or from any treatment provider identified in the 423 mandatory outpatient treatment plan or discharge plan regarding why the person failed to appear at the 424 hearing, either (i) reschedule the hearing pursuant to subsection A, (ii) issue an emergency custody order 425 pursuant to § 37.2-808, or (iii) issue a temporary detention order pursuant to § 37.2-809.

426 D. After hearing the evidence regarding the person's material noncompliance with the mandatory
 427 outpatient treatment order or order authorizing discharge to mandatory outpatient treatment following

434 2. Upon finding that the person continues to meet the criteria for mandatory outpatient treatment 435 specified in subsection C1, C2, or D of § 37.2-817, and that a continued period of mandatory outpatient 436 treatment appears warranted, the judge or special justice shall renew the order for mandatory outpatient 437 treatment, making any necessary modifications that are acceptable to the community services board or treatment provider responsible for the person's treatment. In determining the appropriateness of 438 439 outpatient treatment, the court may consider the person's material noncompliance with the previous 440 mandatory treatment order; or

441 3. Upon finding that neither of the above dispositions is appropriate, the judge or special justice shall 442 rescind the order for mandatory outpatient treatment or order authorizing discharge to mandatory outpatient treatment following inpatient treatment. 443

444 Upon entry of an order for involuntary inpatient admission, transportation shall be provided in 445 accordance with § 37.2-829.

If the court agrees with the 453 454 455 community services board's determination, the court shall rescind the order. Otherwise, the court shall 456 schedule a hearing and provide notice of the hearing in accordance with subsection A of § 37.2-817.2.

457 B. At any time after 30 days from entry of the mandatory outpatient treatment order or from the 458 discharge of the person from involuntary inpatient treatment pursuant to an order authorizing discharge 459 to mandatory outpatient treatment following inpatient treatment, the person may petition the court to rescind the order on the grounds that he no longer meets the criteria for mandatory outpatient treatment 460 461 as specified in subsection C1 or D of § 37.2-817. The court shall schedule a hearing and provide notice 462 of the hearing in accordance with subsection A of § 37.2-817.2. The community services board required to monitor the person's compliance with the mandatory outpatient treatment order or order authorizing 463 464 discharge to mandatory outpatient treatment following inpatient treatment shall provide a preadmission 465 screening report as required in § 37.2-816. After observing the person, and considering the person's 466 current condition, any material noncompliance with the mandatory outpatient treatment order or order authorizing discharge to mandatory outpatient treatment following inpatient treatment on the part of the 467 468 person, and any other relevant evidence referred to in subsection C of § 37.2-817, shall make one of the 469 dispositions specified in subsection D of § 37.2-817.2. The person may not file a petition to rescind the 470 order more than once during a 90-day period. 471

§ 37.2-817.4. Continuation of mandatory outpatient treatment order.

477 B. If the person who is the subject of the order and the monitoring community services board, if it 478 did not initiate the petition, join the petition, the court shall grant the petition and enter an appropriate 479 order without further hearing. The community services board shall forward a copy of such order to any 480 individual identified and requested by the person to be involved and to participate in preparing the 481 discharge plan pursuant to subsection C2 of § 37.2-817. If either the person or the monitoring community services board does not join the petition, the court shall schedule a hearing and provide 482 483 notice of the hearing in accordance with subsection A of § 37.2-817.2.

484 C. Upon receipt of the petition, the court shall appoint an examiner who shall personally examine the 485 person pursuant to subsection B of § 37.2-815. The community services board required to monitor the 486 person's compliance with the mandatory outpatient treatment order or order authorizing discharge to mandatory outpatient treatment following inpatient treatment shall provide a preadmission screening 487 **488** report as required in § 37.2-816.
