B. "Tier I offense" as defined in this section, "Tier II offense" as defined in this section, "Tier III offense" as defined in this section, and "murder" as defined in this section includes any similar offense under the laws of any foreign country or any political subdivision thereof or the United States or any political subdivision thereof.

C. 1. Any offense under the laws of any foreign country or any political subdivision thereof or the United States or any political subdivision thereof that is similar to (i) any Tier I, II, or III offense or (ii) murder as defined in this section shall require registration and reregistration in accordance with this chapter in a manner consistent with the registration and reregistration obligations imposed by the similar offense listed or defined in this section, unless such offense requires more stringent registration and reregistration obligations under the laws of the jurisdiction where the offender was convicted. In instances where more stringent registration and reregistration obligations are required under the laws of the jurisdiction where the offender was convicted, the offender shall register and reregister as required

by this chapter in a manner most similar with the registration obligations imposed under the laws of the jurisdiction where the offender was convicted.

2. Any offense for which registration in a sex offender and crimes against minors registry is required under the laws of the jurisdiction where the offender was convicted shall require registration and reregistration in accordance with this chapter in the manner most similar with the registration and reregistration obligations imposed under the laws of the jurisdiction where the offender was convicted unless such offense is similar to (i) any Tier I, II, or III offense or (ii) murder as defined in this section and the registration and reregistration obligations imposed by the similar offense listed or defined in this section are more stringent than those registration and reregistration obligations imposed under the laws of the jurisdiction where the offender was convicted. In instances where the similar offense listed or defined in this section imposes more stringent registration and reregistration obligations, the offender shall register and reregister as required by this chapter in a manner consistent with the registration and reregistration obligations imposed by the similar offense listed or defined in this section.

D. Juveniles adjudicated delinquent shall not be required to register; however, where the offender is a juvenile over the age of 13 at the time of the offense who is tried as a juvenile and is adjudicated delinquent on or after July 1, 2005, of any offense for which registration is required, the court may, in its discretion and upon motion of the attorney for the Commonwealth, find that the circumstances of the offense require offender registration. In making its determination, the court shall consider all of the following factors that are relevant to the case: (i) the degree to which the delinquent act was committed with the use of force, threat, or intimidation, (ii) the age and maturity of the complaining witness, (iii) the age and maturity of the offender, (iv) the difference in the ages of the complaining witness and the offender, (v) the nature of the relationship between the complaining witness and the offender, (vi) the offender's prior criminal history, and (vii) any other aggravating or mitigating factors relevant to the case. The attorney for the Commonwealth may file such a motion at any time during which the offender is within the jurisdiction of the court for the offense that is the basis for such motion. Prior to any hearing on such motion, the court shall appoint a qualified and competent attorney-at-law to represent the offender unless an attorney has been retained and appears on behalf of the offender or counsel has already been appointed.

E. Prior to entering judgment of conviction of an offense for which registration is required if the victim of the offense was a minor, physically helpless, or mentally incapacitated, when the indictment, warrant, or information does not allege that the victim of the offense was a minor, physically helpless, or mentally incapacitated, the court shall determine by a preponderance of the evidence whether the victim of the offense was a minor, physically helpless, or mentally incapacitated, as defined in § 18.2-67.10, and shall also determine the age of the victim at the time of the offense if it determines the victim to be a minor. When such a determination is required, the court shall advise the defendant of its determination and of the defendant's right to make a motion to withdraw a plea of guilty or nolo contendere pursuant to § 19.2-296. If the court grants the defendant's motion to withdraw his plea of guilty or of nolo contendere, his case shall be heard by another judge, unless the parties agree otherwise. Failure to make such determination or so advise the defendant does not otherwise invalidate the underlying conviction.

The court shall order any person convicted of a misdemeanor violation of ~~subsection B of § 18.2-346~~ § 18.2-346.01 or of § 18.2-348 or 18.2-349 to pay a \$100 fee, which shall be deposited into the Virginia Prevention of Sex Trafficking Fund to be used in accordance with § 9.1-116.4.

4. The midpoint of the initial recommended sentencing range for felony offenses not specified in subdivision 1, 2, or 3 shall be increased by 100 percent in cases in which the defendant has previously been convicted of a violent felony offense punishable by a maximum punishment of less than 40 years and by 300 percent in cases in which the defendant has previously been convicted of a violent felony offense punishable by a maximum term of imprisonment of 40 years or more.

B.
