During his tenure of office, the town manager shall reside within the County of Rockbridge, but he may reside outside of the town while in office only with the

182 prior approval of the council. The town manager shall serve at the pleasure of the town council.

183 § 4.2. Powers and duties of the town manager.

184 The town manager shall be responsible to the council for the proper management and administration
185 of all town affairs placed in his charge by or under this charter. The town manager shall have the
186 following powers and duties. The town manager shall:

187 1. Appoint and, when deemed necessary for the good of the service, suspend or remove any town
188 employee or appointive administrative official provided for, by, or under this charter, except as
189 otherwise provided by law, this charter, or personnel rules adopted pursuant to this charter. The town
190 manager may authorize any administrative official who is subject to the town manager's direction and
191 supervision to exercise these powers with respect to subordinates in that official's department, office, or
192 agency.

193 2. Direct and supervise the administration of all departments, offices, and agencies of the town,
194 except as otherwise provided by this charter or by other law.

195 3. Attend all council meetings and shall have the right to take part in discussion but may not vote.

196 4. See that all laws, provisions of this charter, and acts of the council, subject to enforcement by the
197 town manager or by officials subject to the town manager's direction and supervision, are faithfully
198 executed.

199 5. Prepare and submit the annual budget and capital program to the council and shall be

209 § 4.3. Temporary transfer of personnel between departments and removal of personnel.

213 § 4.4. Relations with boards, commissions, and agencies.

214 The town manager shall have the right to attend and participate in the proceedings of, but not to
215 vote in, the meetings of all boards, commissions, or agencies created by this charter or by ordinance
216 and any other board or commission the town council may designate. Nothing herein shall prevent the
217 council from appointing the town manager as a voting member of any board, commission, or agency for
218 which he otherwise would be eligible for membership.

219 § 4.5. Acting town manager.

220 The town council may designate a person to act as acting town manager in case of the absence,
221 incapacity, death, or resignation of the town manager, until his return to duty or the appointment of his
222 successor.

223 § 4.6. Removal.

224 The council may remove the town manager at any time at the pleasure of the council. The action of
225 the council in suspending or removing the town manager shall be final, it being the intention of this
226 charter to vest all authority and fix all responsibility for any such suspension or removal in the council.

227 Article 5.

228 Administrative Departments.

229 § 5.1. Creation of departments.

230 The council may establish all departments, offices, and agencies it determines are necessary for the
231 proper administration of the town with such powers and duties and subject to those regulations it deems
232 proper, consistent with the provisions of this charter and the Constitution and general laws of the
233 Commonwealth.

234 § 5.2. Direction by town manager.

235 All departments, offices, and agencies except as otherwise provided by this charter or by general law
236 shall be under the direction of the town manager and shall be administered by an official appointed by
237 and subject to the direction and supervision of the town manager.

238 Article 6.

239 Financial Procedures.

240 § 6.1. Fiscal year.

241 The fiscal year of the town shall begin on the first day of July and end on the last day of June.

242 § 6.2. Submission of budget and budget message.

243 On or before the first day of May of each year, the town manager shall submit to the council a

budget for the ensuing fiscal year and an accompanying message.

§ 6.3. Budget message.

The town manager's message shall explain the budget both in fiscal terms and in terms of the work programs. It shall explain the proposed financial policies of the town for the ensuing fiscal year, describe the important features of the budget, indicate any major changes from the current year in financial policies, expenditures, and revenues together with the reasons for such changes, summarize the town's debt position, and include such other material as the town manager deems desirable.

§ 6.4. Budget.

The budget shall provide a complete financial plan of all town funds and activities for the ensuing fiscal year and, except as required by law or this charter, shall be in such form as the town manager deems desirable or the council may require. In organizing the budget, the town manager shall utilize the most feasible combination of expenditure classification by fund, organization unit, program, purpose or activity, and object. The budget shall begin with a clear, general summary of its contents; shall show in detail all estimated income, indicating the proposed tax levies, and all proposed expenditures, including debt service, for the ensuing fiscal year; and shall be so arranged as to show comparative figures for actual income and expenditures of the preceding fiscal year. The budget shall indicate in separate sections:

1. Proposed expenditures for current operations during the ensuing fiscal year, detailed by offices, departments, and agencies in terms of their respective work programs, and the method of financing such expenditures;

2. Proposed capital expenditures during the ensuing fiscal year, detailed by offices, departments, and agencies when practicable, and the proposed method of financing each such capital expenditure; and

3. Anticipated net income or net loss for the ensuing fiscal year of each utility owned or operated by the town and the proposed method of its disposition; the town manager shall include in the budget subsidiary budgets for each such utility giving detailed income and expenditure information and proposed utility rates.

The total of proposed expenditures shall not exceed the total of estimated available funds.

§ 6.5. Council action on budget.

Pursuant to the provisions of general law, the council shall publish a brief synopsis of the budget in one or more newspapers having general circulation in the town and the time and place of a public hearing on the budget.

After the public hearing, the council may adopt the budget with or without any amendment to increase, decrease, or change expenditures, revenues, programs, tax levies, or any other amendment that the council deems necessary. In amending the budget, the council may add or increase programs or amounts and may delete or decrease any programs or amounts, except expenditures required by law or for debt service or for estimated cash deficit, provided that no amendment to the budget shall increase the authorized expenditures to any amount greater than the total of estimated available funds.

The council shall, by ordinance or resolution, adopt the budget before the first day of the fiscal year for which it is adopted, and said ordinance or resolution shall appropriate the amounts specified in the budget as expenditures from the funds indicated in the budget.

§ 6.6. Public records.

Copies of the budget and the capital program as adopted shall be public records and shall be made available to the public at suitable places in the town.

§ 6.7. Amendments after adoption.

The council may amend the budget during the fiscal year pursuant to the provisions of general law by the adoption of an ordinance or resolution.

To meet a public emergency affecting life, health, property, or the public peace, the council may make emergency appropriations. Such appropriations may be made by ordinance or resolution. To the extent that there are no available unappropriated funds to meet such appropriations, the council may, with the adoption of such ordinances or resolutions, authorize the issuance of emergency notes, which may be renewed from time to time, all as may be authorized by the Constitution and general law, but the emergency notes and renewals of any fiscal year shall be paid not later than the last day of the fiscal year next succeeding that in which the emergency appropriation was made.

If at any time during the fiscal year it appears probable to the town manager that the funds available will be insufficient to meet the amount appropriated, then the town manager shall report to the council without delay, indicating the estimated amount of the deficit, any remedial action taken, and recommendations as to any other steps to be taken. The council shall then take such further action as it deems necessary to prevent or minimize any deficit and for that purpose it may by ordinance or resolution reduce one or more appropriations.

§ 6.8. Lapse of appropriations.

Every appropriation, except an appropriation for a capital expenditure, shall lapse at the close of the

305 *fiscal year to the extent that it has not been expended or encumbered by the town manager. An*
306 *appropriation for a capital expenditure shall continue in force until the purpose for which it was made*
307 *has been accomplished or abandoned.*

308 *§ 6.9. Debts and bonds.*
