68 number of miles traveled by such vehicles within and outside the Commonwealth. Such total mileage in
69 each instance is the estimated total mileage to be traveled by such vehicles during the license year for
70 which such fees are paid, subject to the adjustment in accordance with an audit to be made by
71 representatives of the Commissioner at the end of such license year, the expense of such audit to be

83 chauffeur for the transportation of passengers, and which operates or should operate under permits issued
84 by the Department as required by law. An additional fee of \$5 shall be charged if the vehicle weighs
85 more than 4,000 pounds. This subdivision does not apply to vehicles used as common carriers or as
86 TNC partner vehicles as defined in § 46.2-2000.

95 12. Thirteen dollars plus \$0.70 per 100 pounds or major fraction thereof for other passenger-carrying
96 vehicles.

All revenues generated by the remaining \$0.25 of the \$4.25 fee approved by the 2008 Session of the General Assembly shall be deposited into the Rescue Squad Assistance Fund and used only to pay for the costs associated with the certification and recertification training of emergency medical services personnel.

The Comptroller shall clearly designate on the warrant, check, or other means of transmitting these funds that such moneys are only to be used for purposes set forth in this subdivision. Such funds shall be in addition to any local appropriations and local governing bodies shall not use these funds to supplant local funds. C. The manufacturer's shipping weight or scale weight shall be used for computing all fees required by this section to be based upon the weight of the vehicle.

D. The applicant for registration bears the burden of proof that the vehicle for which registration is sought is entitled by weight, design, and use to be registered at the fee tendered by the applicant to the Commissioner or to his authorized agent.

The Fund shall be established on the books of the Comptroller. All fees collected pursuant to subdivision A 14 of § 46.2-694 and any funds as may be appropriated by the General Assembly shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of establishing a pay structure for sworn law-enforcement officers that eliminates barriers to an inclusive, diverse, and well-qualified workforce by fully addressing staffing, retention, and pay compression issues at the Department of State Police, subject to appropriation.
