1. That § 53.1-5 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Article 2 of Chapter 1 of Title 53.1 a section numbered 53.1-7.1 as follows:

7. To report annually on or before December 1 to the General Assembly and the Governor on the results of the inspections and audits of local, regional, or community correctional facilities conducted pursuant to § 53.1-68 and the reviews of the deaths of inmates that occur in any local, regional, or community correctional facility conducted pursuant to § 53.1-69.1. The report shall include (i) a summary of the results of such inspections, audits, and reviews, including any trends identified by such inspections, audits, and reviews and the frequency of violations of each standard established for local, regional, or community correctional facilities, and (ii) any recommendations for changes to the standards established for local, regional, or community correctional facilities or the policies and procedures for conducting reviews of the death of inmates to improve the operations, safety, and security of local, regional, or community correctional facilities;

8. To ensure the development of long-range policies, programs, and plans for corrections services provided at the state and local levels;

9. To review and comment on all budgets and requests for appropriations for the Department prior to their submission to the Governor and on all applications for federal funds; and
