#### § 23.1-2911.2. *Get Skilled, Get a Job, Give Back Fund and Program.*

A. As used in this section, "high-demand field" means a discipline or field in which there is a shortage of skilled workers to fill current and anticipated additional job vacancies.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Get Skilled, Get a Job, Give Back (G3) Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of providing financial assistance pursuant to subsection C. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Chancellor.

C. D. The Virginia Board of Workforce Development, in consultation with the System, the Council, and the staffs of the House Committee on Appropriations and Senate Committee on Finance and Appropriations, shall make recommendations to the Governor and General Assembly, no later than December 1 of each year, for additions or other changes to the high-demand fields that qualify for financial assistance under the G3 Program.

E. In order to be eligible for financial assistance under the G3 Program, an applicant shall (i) report a total household income that is not more than 400 percent of the federal poverty guidelines established by the U.S. Department of Health and Human Services; (ii) be enrolled or accepted for enrollment, (a) as a full-time student or a part-time student, for a minimum of six credit hours per semester, in a credit-bearing educational program or (b) in a noncredit educational program, at an associate-degree-granting public institution of higher education that leads to an occupation in a high-demand field; and (iii) have completed and submitted applications for any other federal or state student financial aid program for which the applicant may be eligible.

F. In order to remain eligible for financial assistance under the G3 Program, a participating student shall (i) meet standards for satisfactory academic progress and maintain the required grade point average established in Title IV of the federal Higher Education Act of 1965, as amended; (ii) demonstrate reasonable progress to complete his specific program of study to earn an associate degree in no more than three years; and (iii) not exceed 150 percent of the required credits for the relevant certificate or degree.

G. Each financial assistance award under the G3 Program shall consist of (i) a grant up to the amount necessary to pay for the last-dollar cost of the institution's tuition and mandatory fees and a textbook stipend after all other federal and state financial aid to which the student is entitled is taken into account and (ii) for any student who is enrolled full time and receives a full Federal Pell Grant, a student-support incentive grant as provided in the general appropriation act. Each student-support incentive grant shall be disbursed in two equal payments, the first of which shall occur after the census date for the enrollment period is reached and the second of which shall occur at the end of the academic term for which the student receives the grant, provided, however, that no student who withdraws from or otherwise stops attending the institution during such term shall receive additional payments and that each such student shall be subject to repayment of the funds already received in accordance with state financial aid policies.
