C1. Any person who was prohibited from possessing, transporting or carrying explosive material under subsection A may possess, transport or carry such explosive material if his right to possess, transport or carry explosive material has been restored pursuant to federal law.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request or by return call without delay. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a response will not be available by the end of the dealer's third business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30 days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under state or federal law. However, the log on requests made may be maintained for a period of 12 months, and such log shall consist of the name of the purchaser, the dealer identification number, the unique approval number and the transaction date.

4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or deliver the written consent form required by subsection A to the Department of State Police. The State Police shall immediately initiate a search of all available criminal history record information to determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal law. If the search discloses information indicating that the buyer or transferee is so prohibited from possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in the jurisdiction where the sale or transfer occurred and the dealer without delay.

5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by persons who are citizens of the United States or persons lawfully admitted for permanent residence but residents of other states under the terms of subsections A and B upon furnishing the dealer with one photo-identification form issued by a governmental agency of the person's state of residence and one other form of identification determined to be acceptable by the Department of Criminal Justice Services.

6. For the purposes of this subsection, the phrase "dealer's third business day" shall not include December 25.

C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of subdivision B 5, to any person who is a dual resident of Virginia and another state pursuant to applicable federal law unless he has first obtained from the Department of State Police a report indicating that a search of all available criminal history record information has not disclosed that the person is prohibited from possessing or transporting a firearm under state or federal law.

To establish personal identification and dual resident eligibility for purposes of this subsection, a dealer shall require any prospective purchaser to present one photo-identification form issued by a governmental agency of the prospective purchaser's state of legal residence and other documentation of dual residence within the Commonwealth. The other documentation of dual residence in the Commonwealth may include (i) evidence of currently paid personal property tax or real estate tax or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; (ii) other current identification allowed as evidence of residency by 27 C.F.R. § 178.124 and ATF Ruling 2001-5; or (iii) other documentation of residence determined to be acceptable by the Department of Criminal Justice Services and that corroborates that the prospective purchaser currently resides in Virginia.

D. If any buyer or transferee is denied the right to purchase a firearm under this section, he may exercise his right of access to and review and correction of criminal history record information under § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within 30 days of such denial.

E. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history record information under false pretenses, or who willfully and intentionally disseminates or seeks to disseminate criminal history record information except as authorized in this section shall be guilty of a Class 2 misdemeanor.

1348 the transfer of certain firearms.

1349 A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a
1350 form to be provided by the Department of State Police, to have the dealer obtain criminal history record

information. Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated, or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction, or been the subject of a temporary detention order pursuant to § 37.2-809 and subsequently agreed to a voluntary admission pursuant to § 37.2-805; and (iv) is the applicant subject to an emergency substantial risk order or a substantial risk order entered pursuant to § 19.2-152.13 or 19.2-152.14 and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:6 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade, or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded, or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing that the original date of issue of the driver's license was more than 30 days prior to the attempted purchase.

In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any person who is not a citizen of the United States or who is not a person lawfully admitted for permanent residence.

Upon receipt of the request for a criminal history record information check, the State Police shall (a) review its criminal history record information to determine if the buyer or transferee is prohibited from possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number for that inquiry.

2. The State Police shall provide its response to the requesting dealer during the dealer's request or by return call without delay. A dealer who fulfills the requirements of subdivision 1 and is told by the State Police that a response will not be available by the end of the dealer's third business day may immediately complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer than 30 days, except for multiple handgun transactions for which records shall be maintained for 12 months, from any dealer's request for a criminal history record information check pertaining to a buyer or transferee who is not found to be prohibited from possessing and transporting a firearm under state or

1412 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
1413 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
1414 number, and the transaction date.

1415 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
1416 deliver the written consent form required by subsection A to the Department of State Police. The State
1417 Police shall immediately initiate a search of all available criminal history record information to
1418 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
1419 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
1420 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
1421 the jurisdiction where the sale or transfer occurred and the dealer without delay.

1422 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
1423 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
1424 residents of other states under the terms of subsections A and B upon furnishing the dealer with one
1425 photo-identification form issued by a governmental agency of the person's state of residence and one
1426 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

1427 6. For the purposes of this subsection, the phrase "dealer's third business day" does not include
1428 December 25.

1429 C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the
1430 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of

However, if the Commissioner has received a copy of a court order authorizing issuance of a restricted license as provided in subsection E of § 18.2-271.1, he shall proceed as provided in the order of the court. For the purposes of this subsection, an offense in violation of a valid local ordinance, or law of any other jurisdiction, which ordinance or law is substantially similar to any provision of Virginia law herein shall be considered an offense in violation of such provision of Virginia law. Additionally, in no event shall the Commissioner reinstate the driver's license of any person convicted of a violation of § 18.2-266, or of a substantially similar valid local ordinance or law of another jurisdiction, until receipt of notification that such person has successfully completed an alcohol safety action program if such person was required by court order to do so unless the requirement for completion of the program has been waived by the court for good cause shown. A conviction includes a finding of not innocent in the case of a juvenile.

B. However, prior to acting on the petition, the court shall order that an evaluation of the person, to include an assessment of his degree of alcohol abuse and the appropriate treatment therefor, if any, be conducted by a Virginia Alcohol Safety Action Program and recommendations therefrom be submitted to the court, and the court shall give the recommendations such weight as the court deems appropriate. The court may, in lieu of restoring the person's privilege to drive, authorize the issuance of a restricted license for a period not to exceed five years in accordance with the provisions of § 18.2-270.1 and subsection E of § 18.2-271.1. The court shall notify the Virginia Alcohol Safety Action Program which shall during the term of the restricted license monitor the person's compliance with the terms of the restrictions imposed by the court. The court may order that a restricted license for such purposes be issued in accordance with the procedures of subsection E of § 18.2-271.1, if the court is satisfied from the evidence presented that (i) at the time of the previous convictions, the petitioner was addicted to or psychologically dependent on the use of alcohol or other drugs; (ii) at the time of the hearing on the petition, he is no longer addicted to or psychologically dependent on the use of alcohol or such other drugs; and (iii) the defendant does not constitute a threat to the safety and welfare of himself and others with regard to the driving of a motor vehicle. The court

shall prohibit the person to whom a restricted license is issued from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system during all or any part of the term for which the restricted license is issued, in accordance with the provisions set forth in § 18.2-270.1. However, prior to acting on the petition, the court shall order that an evaluation of the person, to include an assessment of his degree of alcohol abuse and the appropriate treatment therefor, if any, be conducted by a Virginia Alcohol Safety Action Program and recommendations therefrom be submitted to the court, and the court shall give the recommendations such weight as the court deems appropriate. The Virginia Alcohol Safety Action Program shall during the term of the restricted license monitor the person's compliance with the terms of the restrictions imposed by the court. Any violation of the restrictions shall be reported to the court, and the court may then modify the restrictions or revoke the license.

b. However, in cases wherein such operation is necessitated in situations of apparent extreme emergency that require such operation to save life or limb, the sentence, or any part thereof, may be suspended.

3. If any such offense of driving is a second or subsequent violation, such person shall be punished as provided in subdivision 2 of this subsection, irrespective of whether the offense, of itself, endangers the life, limb, or property of another.

E. Notwithstanding the provisions of subdivisions 2 and 3 of subsection D, following conviction and prior to imposition of sentence with the consent of the defendant, the court may order the defendant to be evaluated for and to participate in the community corrections alternative program pursuant to § 19.2-316.4.
