4. Title: Virginia Freedom of Information Act; electronic meetings.

5. Summary: Authorizes a public body to conduct through electronic communication means a meeting for which, on or before the day of the meeting, a member of the public body holding the meeting notifies the chair that such member is unable to attend the meeting due to a family member's medical condition that requires the member to provide care for such family member, thereby preventing the member's physical attendance. The bill also clarifies that participation in an electronic meeting by a member of a public body due to the inability to attend because of a personal matter is limited each calendar year to two such meetings, which is current law, or 25 percent of the meetings held that calendar year rounded up to the next whole number, whichever is greater.
