

Department of Planning and Budget

2021 Fiscal Impact Statement

1. Bill Number: HB2079E

House of Origin	☐ Introduced	☐ Substitute	☒ Engrossed
Second House	☐ In Committee	☐ Substitute	☐ Enrolled

2. Patron: Rasoul

3. Committee: Health, Welfare and Institutions

4. Title: Pharmacists; initiation of treatment; certain drugs and devices.

5. Summary: Expands provisions governing the initiation of treatment with and dispensing and administering of drugs and devices by pharmacists to allow the initiation of treatment with and dispensing and administering of drugs, devices, and controlled paraphernalia to persons 18 years of age or older, in accordance with protocols developed by the Board of Pharmacy in collaboration with the Board of Medicine and the Department of Health, and of (i) vaccines included on the Immunization Schedule published by the Centers for Disease Control and Prevention; (ii) tuberculin purified protein derivative for tuberculosis testing; (iii) controlled substances for the prevention of human immunodeficiency virus, including controlled substances prescribed for pre-exposure and post-exposure prophylaxis pursuant to guidelines and recommendations of the Centers for Disease Control and Prevention; and (iv) drugs, devices, controlled paraphernalia, and other supplies and equipment available over-the-counter, covered by the patient's health carrier when the patient's out-of-pocket cost is lower than the out-of-pocket cost to purchase an over-the-counter equivalent of the same drug, device, controlled paraphernalia, or other supplies or equipment. The bill requires any pharmacist who administers a vaccination pursuant to clause (i) to report such administration to the Virginia Immunization Information System. The bill also (a) requires the Board of Pharmacy, in collaboration with the Board of Medicine and the Department of Health, to establish protocols for the initiation of treatment with and dispensing and administering of drugs, devices, and controlled paraphernalia by pharmacists in accordance with the provisions of the bill by November 1, 2021; (b) requires the Board of Pharmacy, in collaboration with the Board of Medicine, to adopt regulations within 280 days of the bill's enactment to implement the provisions of the bill; and (c) requires the Board of Pharmacy to convene a work group composed of equal number of representatives of the Boards of Pharmacy and Medicine and other stakeholders to provide recommendations regarding the developing of protocols for the initiation of treatment with and dispensing and administering of certain drugs and devices by pharmacists to persons 18 years of age or older.

6. Budget Amendment Necessary: No.

7. No Fiscal Impact.

- 8. Fiscal Implications:** This bill, as amended, would not have a fiscal impact on the Commonwealth. Any increase in workload on the Boards can be absorbed within existing resources.
- 9. Specific Agency or Political Subdivisions Affected:** Department of Health Professions.
- 10. Technical Amendment Necessary:** No.
- 11. Other Comments:** None.
