Be it enacted by the General Assembly of Virginia:

1. That §§ 38.2-3408 and 38.2-4221 of the Code of Virginia are amended and reenacted as follows:

§ 38.2-3408. Policy providing for reimbursement for services that may be performed by certain practitioners other than physicians.

B. If an accident and sickness insurance policy provides reimbursement for a service that may be legally performed by a licensed pharmacist, reimbursement under the policy shall not be denied because the service is rendered by the licensed pharmacist, provided that (i) the service is performed for an insured for a condition under the terms of a collaborative agreement, as defined in § 54.1-3300, (ii) the service is for the administration of vaccines for immunization, or (iii) the service is provided in accordance with § 54.1-3303.1.

C. This section shall not apply to Medicaid, or any state fund.

§ 38.2-4221. Services of certain practitioners other than physicians to be covered.

A. A nonstock corporation shall not fail or refuse, either directly or indirectly, to allow or to pay to a subscriber for all or any part of the health services rendered by any doctor of podiatry, doctor of chiropody, optometrist, optician, chiropractor, professional counselor, psychologist, physical therapist, clinical social worker, clinical nurse specialist, audiologist, speech pathologist, certified nurse midwife or other nurse practitioner, marriage and family therapist, *athletic trainer*, or licensed acupuncturist licensed to practice in Virginia, if the services rendered (i) are services provided for by the subscription contract ~~and~~; (ii) are services which the doctor of podiatry, doctor of chiropody, optometrist, optician, chiropractor, professional counselor, psychologist, physical therapist, clinical social worker, clinical nurse specialist, audiologist, speech pathologist, certified nurse midwife or other nurse practitioner, marriage and family therapist, *athletic trainer*, or licensed acupuncturist is licensed to render in this Commonwealth; *and (iii) are, for any services rendered by an athletic trainer, rendered in an office setting.*

B. If a subscription contract provides reimbursement for a service that may be legally performed by a licensed pharmacist, reimbursement under the subscription contract by the nonstock corporation shall not be denied because the service is rendered by the licensed pharmacist provided that (i) the service is performed for a subscriber for a condition under the terms of a collaborative agreement, as defined in § 54.1-3300, between a pharmacist and the physician with whom the subscriber is undergoing a course of treatment or (ii) the service is for the administration of vaccines for immunization. In addition, reimbursement to pharmacists acting under the terms of a collaborative agreement under this subsection shall not be subject to the provisions of § 38.2-4209.1.

2. That the provisions of this act shall apply to all insurance policies, subscription contracts, and health care plans delivered, issued for delivery, reissued, or extended on or after January 1, 2023, and to all such policies, contracts, or plans to which a term is changed or any premium adjustment is made on or after such date.
