Referred to Committee on Commerce and Energy

**Be it enacted by the General Assembly of Virginia:**

**1. That § 60.2-618 of the Code of Virginia is amended and reenacted as follows:**

**§ 60.2-618. Disqualification for benefits.**

An individual shall be disqualified for benefits upon separation from the last employing unit for whom he has worked 30 days or 240 hours or from any subsequent employing unit:

1. For any week benefits are claimed until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment, if the Commission finds such individual is unemployed because he left work voluntarily without good cause.

If (a) at the time of commencing employment with such employing unit an individual is enrolled in an accredited academic program of study provided by an institution of higher education for students that have been awarded a baccalaureate degree, which academic program culminates in the awarding of a master's, doctoral, or professional degree; (b) the individual's employment with such employing unit commenced and ended during the period between spring and fall semesters of the academic program in which the individual is enrolled; and (c) the individual returned to such academic program following his separation from such employing unit, there shall be a rebuttable presumption that the individual left work voluntarily.

As used in this chapter, "good cause" shall not include (1) voluntarily leaving work with an employer to become self-employed or (2) voluntarily leaving work with an employer to accompany or to join his or her spouse in a new locality, except where an individual leaves employment to accompany a spouse to the location of the spouse's new duty assignment if (A) the spouse is on active duty in the military or naval services of the United States; (B) the spouse's relocation to a new military-related assignment is pursuant to a permanent change of station order; (C) the location of the spouse's new duty assignment is not readily accessible from the individual's place of employment; and (D) except for members of the Virginia National Guard relocating to a new assignment within the Commonwealth, the spouse's new duty assignment is located in a state that, pursuant to statute, does not deem a person accompanying a military spouse as a person leaving work voluntarily without good cause. An individual shall not be deemed to have voluntarily left work solely because the separation was in accordance with a seniority-based policy.

2. a. For any week benefits are claimed until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment, if the Commission finds such individual is unemployed because he has been discharged for misconduct connected with his work.

b. For the purpose of this subdivision, "misconduct" includes, but shall not be limited to:

(1) An employee's confirmed positive test for a nonprescribed controlled substance, identified as such in Chapter 34 (§ 54.1-3400 et seq.) of Title 54.1, where such test was conducted at the direction of his employer in conjunction with the employer's administration and enforcement of a known workplace drug policy. Such test shall have been performed, and a sample collected, in accordance with scientifically recognized standards by a laboratory accredited by the United States Department of Health and Human Services, or the College of American Pathology, or the American Association for Clinical Chemistry, or the equivalent, or shall have been a United States Department of Transportation-qualified drug screen conducted in accordance with the employer's bona fide drug policy. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(2) An employee's intentionally false or misleading statement of a material nature concerning past criminal convictions made in a written job application furnished to the employer, where such statement was a basis for the termination and the employer terminated the employee promptly upon the discovery thereof. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

INTRODUCED

HB1201

57 (3) A willful and deliberate violation of a standard or regulation of the Commonwealth, by an  
58 employee of an employer licensed or certified by the Commonwealth, which violation would cause the  
59 employer to be sanctioned or have its license or certification suspended by the Commonwealth. The  
60 Commission may consider evidence of mitigating circumstances in determining whether misconduct  
61 occurred.

62 (4) Chronic absenteeism or tardiness in deliberate violation of a known policy of the employer or  
63 one or more unapproved absences following a written reprimand or warning relating to more than one  
64 unapproved absence. The Commission may consider evidence of mitigating circumstances in determining  
65 whether misconduct occurred.

66 (5) An employee's loss of or failure to renew a license or certification that is a requisite of the  
67 position held by the employee, provided the employer is not at fault for the employee's loss of or failure  
68 to renew the license or certification. The Commission may consider evidence of mitigating  
69 circumstances in determining whether misconduct occurred.

70 *"Misconduct" does not include an employee's refusal to receive or receive in part any primary series*  
71 *or booster shot of a vaccine for the prevention of COVID-19.*

72 3. a. If it is determined by the Commission that such individual has failed, without good cause, either  
73 to apply for available, suitable work when so directed by the employment office or the Commission or  
74 to accept suitable work when offered him. The disqualification shall commence with the week in which  
75 such failure occurred, and shall continue for the period of unemployment next ensuing until he has  
76 performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii)  
77 for 240 hours, and subsequently becomes totally or partially separated from such employment.

78 b. In determining whether or not any work is suitable for an individual, the Commission shall  
79 consider the degree of risk involved to his health, safety and morals, his physical fitness and prior  
80 training, his experience, his length of unemployment and the accessibility of the available work from his  
81 residence.

82 c. No work shall be deemed suitable and benefits shall not be denied under this title to any otherwise  
83 eligible individual for refusing to accept new work under any of the following conditions:

84 (1) If the position offered is vacant due directly to a strike, lockout, or other labor dispute;

85 (2) If the wages, hours, or other conditions of the work offered are substantially less favorable to the  
86 individual than those prevailing for similar work in the locality; or

87 (3) If as a condition of being employed the individual would be required to join a company union or  
88 to resign from or refrain from joining any bona fide labor organization.

89 d. No individual shall be qualified for benefits during any week that such individual, in connection  
90 with an offer of suitable work, has a confirmed positive test for a nonprescribed controlled substance,  
91 identified as such in Chapter 34 (§ 54.1-3400 et seq.) of Title 54.1, if the test is required as a condition  
92 of employment and (i) performed, and a sample is collected, in accordance with scientifically recognized  
93 standards by a laboratory accredited by the United States Department of Health and Human Services, or  
94 the College of American Pathology, or the American Association for Clinical Chemistry, or the  
95 equivalent, or (ii) a United States Department of Transportation-qualified drug screen conducted in  
96 accordance with the employer's bona fide drug policy. The disqualification shall commence with the  
97 week in which such a test was conducted, and shall continue for the period of unemployment next  
98 ensuing until he has performed services for an employer (i) during 30 days, whether or not such days  
99 are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such  
100 employment.

101 4. For 52 weeks, beginning with the date of the determination or decision, if the Commission finds  
102 that such individual, within 36 calendar months immediately preceding such determination or decision,  
103 has made a false statement or representation knowing it to be false, or has knowingly failed to disclose  
104 a material fact, to obtain or increase any benefit or payment under this title, the unemployment  
105 compensation of any other state, or any other program of the federal government which is administered  
106 in any way under this title, either for himself or any other person. Overpayments that have been  
107 fraudulently obtained and any penalty assessed against the individual pursuant to § 60.2-636 shall be  
108 recoverable as provided in § 60.2-633.

109 5. If such separation arose as a result of an unlawful act which resulted in a conviction and after his  
110 release from prison or jail until he has performed services for an employer for (i) 30 days, whether or  
111 not such days are consecutive, or (ii) 240 hours, and subsequently becomes totally or partially separated  
112 from such employment.

113 6. If such separation arose as a condition of the individual's parole or release from a custodial or  
114 penal institution and such individual was participating in the community corrections alternative program  
115 pursuant to § 19.2-316.4.
