

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to amend the Code of Virginia by adding in Article 3 of Chapter 1 of Title 32.1 a section numbered 32.1-23.5, relating to Department of Health; social determinants of health.

[H 229]

Approved

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 3 of Chapter 1 of Title 32.1 a section numbered 32.1-23.5 as follows:

§ 32.1-23.5. Information and data related to social determinants of health.

A. As used in this section:

"Demographic data" means data and information regarding the race, ethnicity, age, and gender of residents of the Commonwealth.

"Social determinants of health" means conditions that affect health risks and health outcomes, including health care access and quality, education access and quality, social and community context, economic stability, and neighborhood and built environment.

B. The Department shall (i) collect and analyze information regarding demographics and the social determinants of health and their impacts on health and health risks of residents of the Commonwealth and (ii) make such information and analyses available to the public on its website together with strategies for improving health and health risks related to demographics and the social determinates of health. Nothing in this section shall allow for the release of personal health information or any other confidential information.
