§ 18.2-308.2:2. Criminal history record information check required for the transfer of certain firearms.

A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a form to be provided by the Department of State Police, to have the dealer obtain criminal history record information. Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or a misdemeanor offense listed in § 18.2-308.1:8 or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that if committed by an adult would be a felony or a misdemeanor listed in § 18.2-308.1:8; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated, or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction, or been the subject of a temporary detention order pursuant to § 37.2-809 and subsequently agreed to a voluntary admission pursuant to § 37.2-805; and (iv) is the applicant subject to an emergency substantial risk order or a substantial risk order entered pursuant to § 19.2-152.13 or 19.2-152.14 and prohibited from purchasing, possessing, or transporting a firearm pursuant to § 18.2-308.1:6 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade, or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded, or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense that demonstrates that the prospective purchaser resides in Virginia. For the purposes of this section and establishment of residency for firearm purchase, residency of a member of the armed forces shall include both the state in which the member's permanent duty post is located and any nearby state in which the member resides and from which he commutes to the permanent duty post. A member of the armed forces whose photo identification issued by the Department of Defense does not have a Virginia address may establish his Virginia residency with such photo identification and either permanent orders assigning the purchaser to a duty post, including the Pentagon, in Virginia or the purchaser's Leave and Earnings Statement. When the photo identification presented to a dealer by the prospective purchaser is a driver's license or other photo identification issued by the Department of Motor Vehicles, and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's license or other photo identification issued by the Department of Motor Vehicles, sell or otherwise transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or duplicate driver's license unless the prospective

58 purchaser also presents a copy of his Virginia Department of Motor Vehicles driver's record showing
59 that the original date of issue of the driver's license was more than 30 days prior to the attempted
60 purchase.

61 In addition, no dealer shall sell, rent, trade, or transfer from his inventory any assault firearm to any
62 person who is not a citizen of the United States or who is not a person lawfully admitted for permanent
63 residence.

64 Upon receipt of the request for a criminal history record information check, the State Police shall (a)
65 review its criminal history record information to determine if the buyer or transferee is prohibited from
66 possessing or transporting a firearm by state or federal law, (b) inform the dealer if its record indicates
67 that the buyer or transferee is so prohibited, and (c) provide the dealer with a unique reference number
68 for that inquiry.

69 2. The State Police shall provide its response to the requesting dealer during the dealer's request or
70 by return call without delay. A dealer who fulfills the requirements of subdivision 1 and is told by the
71 State Police that a response will not be available by the end of the dealer's fifth business day may
72 immediately complete the sale or transfer and shall not be deemed in violation of this section with
73 respect to such sale or transfer.

74 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
75 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
76 months, from any dealer's request for a criminal history record information check pertaining to a buyer
77 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
78 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
79 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
80 number, and the transaction date.

81 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
82 deliver the written consent form required by subsection A to the Department of State Police. The State
83 Police shall immediately initiate a search of all available criminal history record information to
84 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
85 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
86 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
87 the jurisdiction where the sale or transfer occurred and the dealer without delay.

88 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
89 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
90 residents of other states under the terms of subsections A and B upon furnishing the dealer with one
91 photo-identification form issued by a governmental agency of the person's state of residence and one
92 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

93 6. For the purposes of this subsection, the phrase "dealer's fifth business day" does not include
94 December 25.

95 C. No dealer shall sell, rent, trade, or transfer from his inventory any firearm, except when the
96 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
97 subdivision B 5, to any person who is a dual resident of Virginia and another state pursuant to
98 applicable federal law unless he has first obtained from the Department of State Police a report
99 indicating that a search of all available criminal history record information has not disclosed that the
100 person is prohibited from possessing or transporting a firearm under state or federal law.

101 To establish personal identification and dual resident eligibility for purposes of this subsection, a
102 dealer shall require any prospective purchaser to present one photo-identification form issued by a
103 governmental agency of the prospective purchaser's state of legal residence and other documentation of
104 dual residence within the Commonwealth. The other documentation of dual residence in the
105 Commonwealth may include (i) evidence of currently paid personal property tax or real estate tax or a
106 current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f)
107 automobile registration, or (g) hunting or fishing license; (ii) other current identification allowed as
108 evidence of residency by 27 C.F.R. § 178.124 and ATF Ruling 2001-5; or (iii) other documentation of
109 residence determined to be acceptable by the Department of Criminal Justice Services and that
110 corroborates that the prospective purchaser currently resides in Virginia.

111 D. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
112 exercise his right of access to and review and correction of criminal history record information under
113 § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within
114 30 days of such denial.

115 E. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history
116 record information under false pretenses, or who willfully and intentionally disseminates or seeks to
117 disseminate criminal history record information except as authorized in this section, shall be guilty of a
