§ 63.2-1726. Background check required; children's residential facilities.

A. As a condition of employment, volunteering, or providing services on a regular basis, every children's residential facility that is regulated or operated by the Departments of Social Services, Education, Military Affairs, or Behavioral Health and Developmental Services shall require any individual who (i) accepts a position of employment at such a facility, (ii) is employed by such a facility, (iii) volunteers for such a facility, or (iv) provides contractual services directly to a juvenile for such a facility to submit to fingerprinting and to provide personal descriptive information, to be forwarded along with the applicant's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such applicant. The children's residential facility shall inform the applicant that he is entitled to obtain a copy of any background check report and to challenge the accuracy and completeness of any such report and obtain a prompt resolution before a final determination is made of the applicant's eligibility to have responsibility for the safety and well-being of children. The applicant shall provide the children's residential facility with a written statement or affirmation disclosing whether he has ever been convicted of or is the subject of pending charges for any offense within or outside the Commonwealth. The results of the criminal history background check must be received prior to permitting an applicant to work in the children's residential facility.

The Central Criminal Records Exchange, upon receipt of an individual's record or notification that no record exists, shall forward it to the state agency which operates or regulates the children's residential facility with which the applicant is affiliated. The state agency shall, upon receipt of an applicant's record lacking disposition data, conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data. The state agency shall report to the children's facility whether the applicant is eligible to have responsibility for the safety and well-being of children. Except as otherwise provided in subsection B, no children's residential facility regulated or operated by the Departments of Education, Behavioral Health and Developmental Services, Military Affairs, or Social Services shall hire for compensated employment or allow to volunteer or provide contractual services persons who have been convicted of or are the subject of pending charges for ~~(a) any offense set forth in clause (i), (ii), or (iii); or (v) of the definition of barrier crime in § 19.2-392.02 or (b) any offense set forth in clause (iv) of the definition of barrier crime in § 19.2-392.02 (1) in the five years prior to the application date for employment; to be a volunteer; or to provide contractual services or (2) such person continues on probation or parole or has failed to pay required court costs for such offense set forth in clause (iv) of the definition of barrier crime in § 19.2-392.02.~~ The provisions of this section also shall apply to residential programs established pursuant to § 16.1-309.3 for juvenile offenders cited in a complaint for intake or in a petition before the court that alleges the juvenile is delinquent or in need of services or supervision and to local secure detention facilities, provided, however, that the provisions of this section related to local secure detention facilities shall only apply to an individual who, on or after July 1, 2013, accepts a position of employment at such local secure detention facility, volunteers at such local secure detention facility on a regular basis and will be alone with a juvenile in the performance of his duties, or provides contractual services directly to a juvenile at a local secure detention facility on a regular basis and will be alone with a juvenile in the performance of his duties. The Central Criminal Records Exchange and the state or local agency that regulates or operates the local secure detention

736 facility shall process the criminal history record information regarding such applicant in accordance with
737 this subsection and subsection B.

738 B. Notwithstanding the provisions of subsection A, a children's residential facility may hire for
739 compensated employment or for volunteer or contractual service purposes persons who have been
740 convicted of not more than one misdemeanor offense under § 18.2-57 or 18.2-57.2, or any substantially
741 similar offense under the laws of another jurisdiction, if 10 years have elapsed following the conviction,
742 unless the person committed such offense in the scope of his employment, volunteer, or contractual
743 services.

744 If the applicant is denied employment or the opportunity to volunteer or provide services at a
745 children's residential facility because of information appearing on his criminal history record, and the
746 applicant disputes the information upon which the denial was based, upon written request of the
747 applicant the state agency shall furnish the applicant the procedures for obtaining his criminal history
748 record from the Federal Bureau of Investigation. The information provided to the children's residential
749 facility shall not be disseminated except as provided in this section.

750 C. Those individuals listed in clauses (i) through (iv) of subsection A also shall authorize the
751 children's residential facility to obtain a copy of information from the central registry maintained
752 pursuant to § 63.2-1515 on any investigation of child abuse or neglect undertaken on him. The applicant
753 shall provide the children's residential facility with a written statement or affirmation disclosing whether
754 he has ever been the subject of a founded case of child abuse or neglect within or outside the
755 Commonwealth. The children's residential facility shall receive the results of the central registry search
756 prior to permitting an applicant to work. Children's residential facilities regulated or operated by the
757 Departments of Education; Behavioral Health and Developmental Services; Military Affairs; and Social
758 Services shall not hire for compensated employment or allow to volunteer or provide contractual
759 services, persons who have a founded case of child abuse or neglect. Every residential facility for
760 juveniles which is regulated or operated by the Department of Juvenile Justice shall be authorized to
761 obtain a copy of the information from the central registry.

762 D. The Boards of Social Services; Education; Juvenile Justice; and Behavioral Health and
763 Developmental Services, and the Department of Military Affairs, may adopt regulations to comply with
764 the provisions of this section. Copies of any information received by a children's residential facility
765 pursuant to this section shall be available to the agency that regulates or operates such facility but shall
766 not be disseminated further. The cost of obtaining the criminal history record and the central registry
767 information shall be borne by the employee or volunteer unless the children's residential facility, at its
768 option, decides to pay the cost.
