Patrons—O'Quinn, Kilgore and Wampler

Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-146 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 22.1-140.1 as follows:

§ 22.1-140.1. School Construction Matching Grant Fund and Program.

A. As used in this section:

"Commitment" means at least two of the following: (i) an agreement by the local governing body to set aside one percent of the local property tax rate and identify the resulting revenue for the construction of public school buildings in the local school division, (ii) an agreement by the local governing body to add one percent to the local sales and use tax rate and set aside the resulting additional revenue for the construction of public school buildings in the local school division, and (iii) an agreement to meet or exceed the local matching requirement.

"Fund" means the School Construction Matching Grant Fund established in this section.

"Need" means at least two of the following: (i) a high percentage, as determined by the Department, of students in the local school division are eligible to receive free or reduced price meals; (ii) a high percentage, as determined by the Department, of residents of the locality in which the local school division is located have incomes at or below the federal poverty guidelines established by the U.S. Department of Health and Human Services; (iii) the local school division's composite index of local ability-to-pay is at or below .500; and (iv) the local school division is located in a locality that is determined to have above-average fiscal stress or high fiscal stress by the Virginia Commission on Local Government in its most recent "Report on Comparative Revenue Capacity, Revenue Effort, and Fiscal Stress of Virginia's Counties and Cities."

"Poor school building conditions" means at least two of the following: (i) the average age of a public school building in the local school division is at least 40 years; (ii) a percentage, as determined by the Department, of public school buildings in the local school division do not comply with the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.); and (iii) a percentage, as determined by the Department, of public school buildings in the local school division pose a threat to the health or safety of building occupants.

"Program" means the School Construction Matching Grant Program established in this section.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the School Construction Matching Grant Fund. The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, and other funds received on its behalf, including funds transferred to it by the Board from the Literary Fund, shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of awarding matching grants on a competitive basis pursuant to the School Construction Matching Grant Program established in subsection C. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Superintendent.

C. There is hereby established the School Construction Matching Grant Program for the purpose of awarding matching grants on a competitive basis from the Fund to local school boards that demonstrate poor school building conditions, commitment, and need in order for such local school boards to fund the construction of new public school buildings in the local school division. The Department shall administer the Program and shall adopt such rules and procedures for the Program as it deems necessary, provided that any grant awarded through the Program is subject to a local matching requirement that is determined on a sliding scale based on the local school division's composite index of local ability-to-pay.
