A. 1. In addition to the sales tax authorized under § 58.1-605, a qualifying locality may levy a general retail sales tax at a rate not to exceed one percent as determined by its governing body to provide revenue solely for capital projects for the construction or renovation of schools in each such locality. Such tax shall be added to the rates of the state and local sales tax imposed by this chapter and shall be subject to all the provisions of this chapter and the rules and regulations published with respect thereto. No discount under § 58.1-622 shall be allowed on this local sales tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subdivision B 1. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subdivision B 1.

Such ordinance shall state the date on which the sales tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

D. E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund that is hereby created on the Comptroller's books for each qualifying locality under the name "Collections of Additional Local Sales Taxes in ____ (INSERT NAME OF THE QUALIFYING LOCALITY)." Only local sales tax moneys collected in that qualifying locality shall be deposited in that locality's fund.

F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the State Treasurer in the proper amount in favor of each qualifying locality, and such payments shall be charged to the account of the qualifying locality under its special fund created by this section. In addition, the payment shall include a refund of amounts erroneously not paid to each qualifying locality and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. The revenues from this tax shall be used solely for capital projects for new construction or major renovation of schools in the qualifying locality, including bond and loan financing costs related to such construction or renovation.

§ 58.1-606.1. Additional local use tax in certain localities; use of revenues for construction or renovation of schools.

A. 1. The governing body of a qualifying locality may levy a use tax at the rate of such sales tax under § 58.1-605.1 to provide revenue for capital projects for the construction or renovation of schools in such locality. Such tax shall be added to the rates of the state and local use tax imposed by this chapter and shall be subject to all the provisions of this chapter, and all amendments thereof, and the rules and regulations published with respect thereto, except that no discount under § 58.1-622 shall be allowed on a local use tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subsection B. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subsection B.

B. The governing body of the qualifying locality, if it elects to impose a local use tax under this section may do so only if it has previously imposed the local sales tax authorized by § 58.1-605.1, by the adoption of an ordinance stating its purpose and referring to this section and providing that the local use tax shall become effective on the first day of a month at least 120 days after its adoption. Such ordinance shall state the date on which the use tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

C. Any local use tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same exemptions and penalties as provided for the state use tax; however, the local use tax levied under this section shall not be levied on food purchased for human consumption or essential personal hygiene products, as such terms are defined in § 58.1-611.1.

D. The local use tax authorized by this section shall not apply to transactions to which the sales tax applies, the situs of which for state and local sales tax purposes is the locality of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the locality of possible use by the purchasers. However, the local use tax authorized by this section shall apply to tangible personal property purchased outside the Commonwealth for use or consumption within the locality imposing the local use tax, or stored within the locality for use or consumption, where the property would have been subject to the sales tax if it had been purchased within the Commonwealth. The local use tax shall also apply to leases or rentals of tangible personal property where the place of business of the lessor is outside the Commonwealth and such leases or rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in which the state use tax applies.

If, however, the out-of-state dealer is unable accurately to assign any shipment to a particular county or city, the local use tax on the tangible personal property involved shall be remitted to the Commonwealth by such dealer without attempting to assign the shipment to any county or city.

F. Local use tax revenue shall be deposited in the special fund established pursuant to subsection E of § 58.1-605.1. The Comptroller shall distribute the revenue to the qualifying locality.
