**1. That the Code of Virginia is amended by adding in Chapter 8 of Title 63.2 a section numbered 63.2-806 as follows:**

**§ 63.2-806. Unaccompanied homeless youths; services; consent.**

A. As used in this section,

"Provider" means any person or organization that provides housing, including emergency shelter, or other services to an unaccompanied homeless youth.

"Unaccompanied homeless youth" means a homeless child or youth described in subdivision A 7 of § 22.1-3 who is not in the physical custody of a parent or guardian.

B. A child who is 14 years of age or older and who is an unaccompanied homeless youth as evidenced by a statement so stating and signed by (i) a social worker who is employed by a governmental agency or nonprofit organization that receives public or private funding to provide services to children or to homeless individuals, (ii) an employee of any local education agency who serves as a liaison for homeless children and youth designated pursuant to 42 U.S.C. § 11432(g)(1)(J)(ii), (iii) a school social worker or counselor, or (iv) an attorney representing the youth in any legal matter shall be deemed an adult for the purpose of consenting to housing or other services provided in accordance with this section for himself or his minor child.

C. A statement described in subsection B shall not be valid and shall not be evidence that a child is an unaccompanied homeless youth if it is signed by a provider from whom the unaccompanied homeless youth is seeking services or a person who is an employee of or volunteer with such provider.

D. No provider shall provide housing, including emergency shelter, or other services to an unaccompanied homeless youth unless such provider has (i) registered with the Department and (ii) obtained consent to such services from the unaccompanied homeless youth.

E. A provider that provides housing services, including emergency shelter, to an unaccompanied homeless youth shall attempt to contact the parents or guardian of such unaccompanied homeless youth to inform them of the whereabouts of such unaccompanied homeless youth. If the provider is unable to contact the parent or guardian of the unaccompanied homeless youth or if the provider determines that contacting the parent or guardian is not in the best interests of the youth, the provider shall document the steps taken to identify and notify the parent or guardian or the reasons for the determination that contact with the parent or guardian is not in the best interests of the unaccompanied homeless youth and shall (i) inform any adult who signed the statement described in subsection B, (ii) if the provider determines that the child has been reported missing or that the National Center for Missing and Exploited Children has a record of the child being reported missing by a legal guardian, contact local law enforcement, or (iii) if the provider determines that the child is missing from foster care, contact the local department of social services. The provider shall retain such documentation for a period of not less than five years.

F. Any person who, in good faith, relies upon a written statement described in subsection B shall not be liable in any civil or criminal action for delivering services to an unaccompanied homeless youth pursuant to this section without the consent of his parent or guardian, provided that such provider has complied with the requirements of this section. However, no provider shall be relieved of liability for any negligent or criminal acts on the basis of this section.

G. The Board shall adopt regulations to implement the provisions of this section, which shall include a process for registering persons wishing to provide housing and other services to unaccompanied homeless youths. Regulations governing such registration process shall include requirements for submission of (i) the name and contact information of such person or, if services are to be provided by an organization, the executive officer and each member of the board of directors of such organization, (ii) a description of the type of housing or other service provided, including the age range of individuals to whom services are provided, and (iii) documentation that every person who provides services to unaccompanied homeless youths on behalf of the person or organization has undergone a criminal
