71 B. For taxable years beginning on and after January 1, 2021, ~~but before January 1, 2026,~~ a qualified  
72 taxpayer may claim a housing opportunity tax credit against its Virginia tax liability prior to reduction  
73 by any other credits allowed the taxpayer. The housing opportunity tax credit may be allocated by  
74 pass-through entities to some or all of its partners, members, or shareholders in any manner agreed to by  
75 such persons, regardless of whether or not any such person is allocated or allowed any portion of any  
76 federal low-income housing tax credit with respect to the qualified project, whether or not the allocation  
77 of the housing opportunity tax credit under the terms of the agreement has substantial economic effect  
78 within the meaning of § 704(b) of the Internal Revenue Code, and whether or not any such person is  
79 deemed a partner for federal income tax purposes as long as the partner or member would be considered  
80 a partner or member as defined under applicable state law, and has been admitted as a partner or  
81 member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments  
82 thereto, with respect to the year of the housing opportunity tax credit. Such pass-through entities or  
83 qualified taxpayer may assign all or any part of its interest, including its interest in the tax credits, to  
84 one or more pass-through entities or qualified taxpayers, and the qualified taxpayer shall be able to  
85 claim the housing opportunity tax credit so long as its interest is acquired prior to the filing of its tax  
86 return claiming the housing opportunity tax credit.

87 C. The housing opportunity tax credit authorized by this article shall not be refundable. Any housing  
88 opportunity tax credit not used in a taxable year may be carried forward for the succeeding five years.

89 D. A qualified taxpayer claiming a housing opportunity tax credit shall submit a copy of the  
90 eligibility certificate at the time of filing its tax return with the Department. If the owner of the qualified  
91 project has applied to the Authority for the eligibility certificate but the Authority has not yet issued the  
92 eligibility certificate at the time the qualified taxpayer files its original tax return claiming the housing  
93 opportunity tax credit, the taxpayer may claim the housing opportunity tax credit based upon the amount  
94 of tax credit set forth in the carryover allocation or 42(m) letter, as applicable, issued to the qualified  
95 project and shall amend its tax return to include the eligibility certificate upon its receipt. If the amount  
96 of tax credit in the eligibility certificate is different than the amount of tax credit previously claimed, the  
97 taxpayer shall adjust the tax credit amount claimed on the amended tax return.

98 E. If under § 42 of the Internal Revenue Code, as amended, a portion of any federal low-income  
99 housing credits taken on a qualified project is required to be recaptured or is otherwise disallowed  
100 during the credit period, the taxpayer claiming housing opportunity tax credits with respect to such  
101 project shall also be required to recapture a portion of any tax credits authorized by this article. The  
102 percentage of housing opportunity tax credits subject to recapture shall be equal to the percentage of  
103 federal low-income housing credits subject to recapture or otherwise disallowed during such period. Any  
104 tax credits recaptured or disallowed shall increase the income tax liability of the qualified taxpayer who  
105 claimed the tax credits in a like amount and shall be included on the tax return of the qualified taxpayer  
106 submitted for the taxable year in which the recapture or disallowance event is identified.

107 F. The Authority shall administer the housing opportunity tax credit program and shall be authorized  
108 to promulgate the regulations and guidelines necessary to implement and administer the provisions of  
109 this article. Such regulations and guidelines may include the imposition of application, allocation,  
110 certification, and monitoring fees designed to recoup the costs of the Authority in administering the  
111 housing opportunity tax credit program. ~~The Authority may also promulgate regulations and guidelines~~  
112 ~~in consultation with the Department to allow a qualified project to elect in its application to the~~  
113 ~~Authority to sell all or any portion of its credits awarded pursuant to this article to one or more~~  
114 ~~unrelated taxpayers. Regulations and guidelines regarding the sale of credits, if promulgated, shall not~~  
115 ~~take effect prior to January 1, 2023, and shall not apply to credits awarded prior to January 1, 2023.~~

116 G. The total amount of tax credits ~~authorized credit awards made by the Authority~~ under this article  
117 ~~in each award cycle shall not exceed \$15 million per calendar year the award cycle cap.~~
