**Be it enacted by the General Assembly of Virginia:**

**1. That § 32.1-48.010 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 44-146.17:1.1 as follows:**

**§ 32.1-48.010. Appeal of any order of quarantine.**

A. Any person or persons subject to an order of quarantine or a court-ordered extension of any such order pursuant to this article *and any other person who is affected by an order of quarantine* may file an appeal of the order of quarantine as such order applies to such person or persons in the circuit court for the city or county in which the subject or subjects of the order *or other person who is affected by the order of quarantine* reside or are located or the circuit court for the jurisdiction or jurisdictions for any affected area. Any petition for appeal shall be in writing, shall set forth the grounds on which the order of quarantine is being challenged vis-a-vis the subject person or persons or affected area, and shall be served upon the State Health Commissioner or his legal representative.

B. A hearing on the appeal of the order of quarantine shall be held within 48 hours of the filing of the petition for appeal or, if the 48-hour period terminates on a Saturday, Sunday, legal holiday or day on which the court is lawfully closed, the hearing shall be held on the next day that is not a Saturday, Sunday, legal holiday or day on which the court is lawfully closed.

In extraordinary circumstances, for good cause shown, the Commissioner may request a continuance of the hearing, which the court shall only grant after giving due regard to the rights of the affected individuals, the protection of the public health and safety, the severity of the emergency, and the availability of witnesses and evidence.

C. Any person appealing an order of quarantine shall have the burden of proving that he is not properly the subject of the order of quarantine.

D. The filing of an appeal shall not stay any order of quarantine.

E. Upon receiving multiple appeals of an order of quarantine that applies to a group of persons or an affected area, the court may, on the motion of any party or on the court's own motion, consolidate the cases in a single proceeding for all appeals when (i) there are common questions of law or fact relating to the individual claims or rights to be determined; (ii) the claims of the consolidated cases are substantially similar; and (iii) all parties to the appeals will be adequately represented in the consolidation.

F. The circuit court shall not conduct a de novo review of the order of quarantine; however, the court shall consider the existing record and such supplemental evidence as the court shall consider relevant. The court shall conduct the hearing on an appeal of an order of quarantine in a manner that will protect the health and safety of court personnel, counsels, witnesses, and the general public and in accordance with rules of the Supreme Court of Virginia pursuant to subsection C of § 17.1-503. The court may, for good cause shown, hold all or any portion of the hearings in camera upon motion of any party or upon the court's own motion.

G. Upon completion of the hearing, the court may (i) vacate or modify the order of quarantine as such order applies to any person who filed the appeal and who is not, according to the record and the supplemental evidence, appropriately subject to the order of quarantine; (ii) vacate or modify the order of quarantine as such order applies to all persons who filed an appeal and who are not, according to the record and the supplemental evidence, appropriately subject to the order of quarantine; (iii) confirm the order of quarantine as it applies to any person or all appealing parties upon a finding that such person or persons are appropriately subject to the order of quarantine and that quarantine is being implemented in the least restrictive environment to address the public health threat effectively, given the reasonably available information on effective control measures and the nature of the communicable disease of public health threat; or (iv) confirm the order of quarantine as it applies to all persons subject to the order upon finding that all such persons are appropriately subject to the order of quarantine and that quarantine is being implemented in the least restrictive environment to address the public health threat
