A *BILL to amend and reenact § 10.1-2211.2 of the Code of Virginia, relating to historical African American cemeteries.*

Patrons—McClellan; Delegates: Carr and McQuinn

Referred to Committee on General Laws and Technology

Be it enacted by the General Assembly of Virginia:

1. That § 10.1-2211.2 of the Code of Virginia is amended and reenacted as follows:

§ 10.1-2211.2. Disbursement of funds appropriated for caring for historical African American cemeteries and graves.

A. For purposes of this section:

"Fund" means the Historical African American Cemeteries and Graves Fund created pursuant to § 10.1-2211.3.

"Historical African American cemetery" means a cemetery that was established prior to January 1, 1900 1948, for interments of African Americans.

"Qualified organization" means a charitable corporation, charitable association, or charitable trust that has been granted tax-exempt status under § 501(c)(3) of the Internal Revenue Code and whose primary purpose is the preservation of historical cemeteries and graves or any person or locality that owns a historical African American cemetery.

B. At the direction of the Director, the Comptroller of the Commonwealth shall draw an annual warrant upon the State Treasurer from any sum that may be provided to the Department in the general appropriation act for the purpose of maintaining qualifying cemeteries and graves pursuant to this section. Any representative of a qualified organization desiring to receive funding from such appropriation for the maintenance of qualifying cemeteries and graves pursuant to this section shall submit an application to the Department on or before May 30 each year. Such appropriations shall be allocated on the basis of the number of graves, monuments, and markers in a cemetery of African Americans who lived at any time between January 1, 1800, and January 1, 1900, the dates to be determined by reference to grave markers or, at the discretion of the Director, other historical records. Such number of graves, monuments, and markers, as documented by the qualified organization, shall be multiplied by the rate of \$5 or the average actual cost of routine maintenance of a grave, monument, or marker, whichever is greater, to determine the amount of the allocation. The Department shall determine the average actual cost of routine maintenance of a grave, monument, or marker in a biennial survey of at least four properly maintained cemeteries, each located in a different geographical region of the Commonwealth. The Director shall deposit any appropriated funds that are not disbursed during the same fiscal year into the Fund.
