SUBSTITUTE

60 "Project" means (i) any water supply or wastewater treatment facility, including a facility for 61 receiving and stabilizing septage or a soil drainage management facility, and any solid waste treatment, disposal, or management facility, recycling facility, federal facility or former federal facility, or resource 62 63 recovery facility located or to be located in the Commonwealth, the District of Columbia, or any 64 adjoining state, all or part of which facility serves or is to serve any local government, and (ii) any 65 federal facility located or to be located in the Commonwealth, provided that both the Board of Directors 66 of the Authority and the governing body of the local government receiving the benefit of the loan, grant, or credit enhancement from the Authority make a determination or finding to be embodied in a 67 resolution or ordinance that the undertaking and financing of such facility is necessary for the location 68 69 or retention of such facility and the related use by the federal government in the Commonwealth. The 70 term includes, without limitation, water supply and intake facilities; water treatment and filtration facilities; water storage facilities; water distribution facilities; sewage and wastewater (including surface 71 72 and ground water) collection, treatment, and disposal facilities; drainage facilities and projects; solid 73 waste treatment, disposal, or management facilities; recycling facilities; resource recovery facilities; 74 related office, administrative, storage, maintenance, and laboratory facilities; and interests in land related 75 thereto. The term also includes energy conservation measures and facility technology infrastructure as defined in § 45.2-1702 and other energy objectives as defined in § 45.2-1706.1. The term also means 76 any heavy rail transportation facilities operated by a transportation district created under the 77 78 Transportation District Act of 1964 (§ 33.2-1900 et seq.) that operates heavy rail freight service, 79 including rolling stock, barge loading facilities, and any related marine or rail equipment. The term also 80 means, without limitation, the design and construction of roads, the construction of local government buildings, including administrative and operations systems and other local government equipment and 81 82 infrastructure, public parking garages and other public transportation facilities, and facilities for public transportation by commuter rail. In addition, the term means any project as defined in § 5.1-30.1, any 83 84 use of short-term loan funds by planning district commissions under § 62.1-218.1 and any professional sports facility, including a major league baseball stadium as defined in § 15.2-5800, provided that the 85 86 specific professional sports facility projects have been designated by the General Assembly as eligible 87 for assistance from the Authority. The term also means any equipment, facilities, and technology 88 infrastructure designed to provide broadband service. The term also means facilities supporting, related 89 to, or otherwise used for public safety, including but not limited to law-enforcement training facilities 90 and emergency response, fire, rescue, and police stations. The term also means the remediation, redevelopment, and rehabilitation of property contaminated by the release of hazardous substances, 91 92 hazardous wastes, solid wastes, or petroleum, where such remediation has not clearly been mandated by 93 the United States Environmental Protection Agency, the Department of Environmental Quality, or a court pursuant to the Comprehensive Environmental Response, Compensation and Liability Act (42 94 95 U.S.C. § 9601 et seq.), the Resource Conservation and Recovery Act (42 U.S.C. § 6901 et seq.), the 96 Virginia Waste Management Act (§ 10.1-1400 et seq.), the State Water Control Law (§ 62.1-44.2 et 97 seq.), or other applicable statutory or common law or where jurisdiction of those statutes has been 98 waived. The term also means any program or project for land conservation, parks, park facilities, land 99 for recreational purposes, or land preservation, including but not limited to any program or project 100 involving the acquisition of rights or interests in land for the conservation or preservation of such land. 101 The term also means any dredging program or dredging project undertaken to benefit the economic and 102 community development goals of a local government but does not include any dredging program or 103 dredging project undertaken for or by the Virginia Port Authority. The term also means any oyster 104 restoration project, including planting and replanting with seed oysters, oyster shells, or other material that will catch, support, and grow oysters. The term also means any program or project to perform site 105 acquisition or site development work for the benefit of economic and community development projects 106 for any local government. The term also means any undertaking by a local government to build or 107 108 facilitate the building of a recovered gas energy facility; and any local government renewable energy 109 project, including solar, wind, biomass, waste-to-energy, and geothermal projects. The term also means any undertaking by a local government to facilitate the remediation of residential properties 110 111 contaminated by the presence of defective drywall.

"Recovered gas energy facility" means a facility, located at or adjacent to (i) a solid waste 112 113 management facility permitted by the Department of Environmental Quality or (ii) a sewerage system or 114 sewage treatment work described in § 62.1-44.18 that is constructed and operated for the purpose of 115 treating sewage and wastewater for discharge to state waters, which facility or work is constructed and 116 operated for the purpose of (a) reclaiming or collecting methane or other combustible gas from the biodegradation or decomposition of solid waste, as defined in § 10.1-1400, that has been deposited in 117 the solid waste management facility or sewerage system or sewage treatment work and (b) either using 118 119 such gas to generate electric energy or upgrading the gas to pipeline quality and transmitting it off 120 premises for sale or delivery to commercial or industrial purchasers or to a public utility or locality. 121 § 62.1-203. Powers of Authority.

SB503S1

122 The Authority is granted all powers necessary or appropriate to carry out and to effectuate its 123 purposes, including the following:

124 1. To have perpetual succession as a public body corporate and as a political subdivision of the 125 Commonwealth;

126 2. To adopt, amend and repeal bylaws, and rules and regulations, not inconsistent with this chapter 127 for the administration and regulation of its affairs and to carry into effect the powers and purposes of 128 the Authority and the conduct of its business;

129 3. To sue and be sued in its own name;

130 4. To have an official seal and alter it at will although the failure to affix this seal shall not affect 131 the validity of any instrument executed on behalf of the Authority; 132

5. To maintain an office at any place within the Commonwealth which it designates;

133 6. To make and execute contracts and all other instruments and agreements necessary or convenient 134 for the performance of its duties and the exercise of its powers and functions under this chapter;

135 7. To sell, convey, mortgage, pledge, lease, exchange, transfer and otherwise dispose of all or any 136 part of its properties and assets:

137 8. To employ officers, employees, agents, advisers and consultants, including without limitations, 138 attorneys, financial advisers, engineers and other technical advisers and public accountants and, the 139 provisions of any other law to the contrary notwithstanding, to determine their duties and compensation 140 without the approval of any other agency or instrumentality;

141 9. To procure insurance, in amounts and from insurers of its choice, or provide self-insurance, 142 against any loss, cost, or expense in connection with its property, assets or activities, including insurance 143 or self-insurance against liability for its acts or the acts of its directors, employees or agents and for the 144 indemnification of the members of its Board of Directors and its employees and agents;

145 10. To procure credit enhancements from any public or private entities, including any department, agency or instrumentality of the United States of America or the Commonwealth, for the payment of 146 147 any bonds issued by the Authority, including the power to pay premiums or fees on any such credit 148 enhancements;

149 11. To receive and accept from any source aid, grants and contributions of money, property, labor or 150 other things of value to be held, used and applied to carry out the purposes of this chapter subject to the 151 conditions upon which the aid, grants or contributions are made;

152 12. To enter into agreements with any department, agency or instrumentality of the United States of 153 America or, the Commonwealth, the District of Columbia or any adjoining state for the purpose of 154 planning, regulating and providing for the financing of any projects;

155 13. To collect, or to authorize the trustee under any trust indenture securing any bonds or any other 156 fiduciary to collect, amounts due under any local obligations owned or credit enhanced by the Authority, 157 including taking the action required by § 15.2-2659 or 62.1-216.1 to obtain payment of any unpaid 158 sums;

159 14. To enter into contracts or agreements for the servicing and processing of local obligations owned 160 by the Authority; 161

15. To invest or reinvest its funds as provided in this chapter or permitted by applicable law;

162 16. Unless restricted under any agreement with holders of bonds, to consent to any modification with 163 respect to the rate of interest, time and payment of any installment of principal or interest, or any other 164 term of any local obligations owned by the Authority;

165 17. To establish and revise, amend and repeal, and to charge and collect, fees and charges in 166 connection with any activities or services of the Authority;

18. To do any act necessary or convenient to the exercise of the powers granted or reasonably 167 168 implied by this chapter; and

169 19. To pledge as security for the payment of any or all bonds of the Authority, all or any part of the 170 Capital Reserve Fund or other reserve fund or account transferred to a trustee for such purpose from the 171 Water Facilities Revolving Fund pursuant to § 62.1-231, from the Water Supply Revolving Fund 172 pursuant to § 62.1-240, from the Virginia Solid Waste or Recycling Revolving Fund pursuant to 173 § 62.1-241.9, from the Virginia Airports Revolving Fund pursuant to § 5.1-30.6, from the Dam Safety, Flood Prevention and Protection Assistance Fund pursuant to § 10.1-603.17, or from the Virginia 174 175 Tobacco Region Revolving Fund pursuant to § 3.2-3117, or from the revolving fund for planning district 176 commissions established pursuant to § 62.1-218.1. Notwithstanding the foregoing, any such transfer from 177 the Virginia Tobacco Region Revolving Fund may be pledged to secure only those bonds of the 178 Authority issued to finance or refinance projects located in the tobacco-dependent communities in the 179 Southside and Southwest regions of Virginia.

180 § 62.1-218.1. Short-term loans to planning district commissions.

181 The Authority shall have the power and is authorized to establish a perpetual and permanent 182 revolving fund with any funds appropriated by the General Assembly to the Authority for the purpose of 183 making short-term loans to any planning district commission created pursuant to the Regional 184 Cooperation Act (§ 15.2-4200 et seq.). Loans shall be made for the purpose of providing short-term 185 cash flow necessary for state and federal grants and loans that require the expenditure of funds prior to 186 requesting reimbursement by the planning district commission. Loans made under this section shall be deemed in the public interest and support the purpose of planning district commissions under 187 § 15.2-4207. The Authority shall establish guidelines for the administration of loan funds. Loan interest 188 189 rates charged by the Authority shall be set based on guidelines established for the administration of 190 loan funds and based on prevailing short-term interest rates. The guidelines may provide for the 191 recovery of the Authority's costs of administering the fund either from the fund or from the planning 192 district commissions to which the loans are made.
