For purposes of this section, a statute that does not refer to firearms, ammunition, or components or combination thereof shall not be construed to provide express authorization.

Nothing in this section shall prohibit a locality from adopting workplace rules relating to terms and conditions of employment of the workforce. However, no locality shall adopt any workplace rule, other than for the purposes of a community services board or behavioral health authority as defined in § 37.2-100, that prevents an employee of that locality from storing at that locality's workplace a lawfully possessed firearm and ammunition in a locked private motor vehicle. The provisions of this section applicable to a locality shall also apply to any authority or to a local governmental entity, including a department or agency, but not including any local or regional jail, juvenile detention facility, or state-governed entity, department, or agency.
