Referred to Committee on Finance and Appropriations

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3321 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3321. Effect on rate when assessment results in tax increase; public hearings.

A. When any annual assessment, biennial assessment or general reassessment of real property by a county, city or town would result in an increase of one percent or more in the total real property tax levied, such county, city, or town shall reduce its rate of levy for the forthcoming tax year so as to cause such rate of levy to produce no more than 101 percent of the previous year's real property tax levies, unless subsection B is complied with, which rate shall be determined by multiplying the previous year's total real property tax levies by 101 percent and dividing the product by the forthcoming tax year's total real property assessed value. An additional assessment or reassessment due to the construction of new or other improvements, including those improvements and changes set forth in § 58.1-3285, to the property shall not be an annual assessment or general reassessment within the meaning of this section, nor shall the assessed value of such improvements be included in calculating the new tax levy for purposes of this section. Special levies shall not be included in any calculations provided for under this section.

B. The governing body of a county, city, or town may, after conducting a public hearing, which shall not be held at the same time as the annual budget hearing, increase the rate of levy above the reduced rate required in subsection A if any such increase is deemed to be necessary by such the increase is approved in a referendum within the locality, which shall be held in accordance with § 24.2-684 and initiated by a resolution of the local governing body. The clerk of the circuit court shall publish notice of the election in a newspaper of general circulation in the locality once a week for three consecutive weeks prior to the election. If the voters affirm the increased levy rate, the tax shall be effective in the amount and terms stated in the resolution. If such resolution of the governing body states for what projects or purposes the revenues collected from the tax are to be used, then the question on the ballot for the referendum shall include language stating for what projects or purposes the revenues collected from the tax are to be used.

Notice of the public hearing shall be given at least 30 days before the date of such hearing by the publication of a notice in (i) at least one newspaper of general circulation in such county or city and (ii) a prominent public location at which notices are regularly posted in the building where the governing body of the county, city, or town regularly conducts its business, except that such notice shall be given at least 14 days before the date of such hearing in any year in which neither a general appropriation act nor amendments to a general appropriation act providing appropriations for the immediately following fiscal year have been enacted by April 30 of such year. Any such notice shall be at least the size of one-eighth page of a standard size or a tabloid size newspaper, and the headline in the advertisement shall be in a type no smaller than 18-point. The notice described in clause (i) shall not be placed in that portion, if any, of the newspaper reserved for legal notices and classified advertisements. The notice described in clauses (i) and (ii) shall be in the following form and contain the following information, in addition to such other information as the local governing body may elect to include:

3. Effective Rate Increase: The (name of the county, city or town) proposes to adopt a tax rate of \$\_\_\_\_\_ per \$100 of assessed value.
