Patron—Stanley

Referred to Committee on the Judiciary

Be it enacted by the General Assembly of Virginia:

1. That §§ 8.01-413.01 and 16.1-88.2 of the Code of Virginia are amended and reenacted as follows:

§ 8.01-413.01. Authenticity and reasonableness of medical bills; presumption.

A. For the purposes of this section, "bill" means a statement or summary of charges, an invoice, or any other form prepared by a health care provider or its agent, or third-party agent, identifying the costs of health care services provided.

B. In any action for personal injuries, wrongful death, or for medical expense benefits payable under a motor vehicle insurance policy issued pursuant to § 38.2-124 or § 38.2-2201, the authenticity of bills for medical services provided and the reasonableness of the charges of the health care provider shall be rebuttably presumed upon identification by the plaintiff of the original bill or a duly authenticated copy and the plaintiff's testimony (i) identifying the health care provider, (ii) explaining the circumstances surrounding his receipt of the bill, (iii) describing the services rendered, and (iv) (iii) stating that the services were rendered in connection with treatment for the injuries received in the event giving rise to the action. If the court finds the plaintiff is unable to provide such testimony, the plaintiff's guardian, agent under an advance directive, or agent under a power of attorney may identify the bill or an authenticated copy and provide testimony in lieu of the plaintiff. The presumption herein shall not apply unless the opposing party or his attorney has been furnished such medical records at least 30 days prior to the trial.

C. Where no medical bill is rendered or specific charge made by a health care provider to the insured, an insurer, or any other person, the usual and customary fee charged for the service rendered may be established by the testimony or the affidavit of an expert having knowledge of the usual and customary fees charged for the services rendered. If the fee is to be established by affidavit, the affidavit shall be submitted to the opposing party or his attorney at least 30 days prior to trial. The testimony or the affidavit is subject to rebuttal and may be admitted in the same manner as an original bill or authenticated copy described in subsection A.

§ 16.1-88.2. Evidence of medical reports, statements, or records; testimony of health care provider or custodian of records.

In a civil suit tried in a general district court or appealed to the circuit court to recover damages for personal injuries or to resolve any dispute with an insurance company or health care provider, either party may present evidence as to the extent, nature, and treatment of the injury, the examination of the person so injured, and the costs of such treatment and examination by the following:
