Referred to Committee on Privileges and Elections

**Be it enacted by the General Assembly of Virginia:****1. That §§ 24.2-701 and 24.2-706 of the Code of Virginia are amended and reenacted as follows:****§ 24.2-701. Application for absentee ballot.**

A. The Department shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The Department shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703 or 24.2-703.1, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any covered voter, as defined in § 24.2-452.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all elections.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

**B. Applications for absentee ballots shall be completed in the following manner:**

1. An application completed in person shall be completed only in the office of the general registrar and signed by the applicant in the presence of a registrar. The applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643, or if he is unable to present one of the specified forms of identification listed in that subsection, he shall sign a statement, subject to felony penalties for making false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. An applicant who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement. Any applicant who does not show one of the forms of identification specified in subsection B of § 24.2-643 or does not sign this statement shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

This paragraph shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

INTRODUCED

SB652

59 2. Any other application may be made by mail, by electronic or telephonic transmission to a  
60 facsimile device if one is available to the office of the general registrar or to the office of the  
61 Department if a device is not available locally, or by other means. The application shall be on a form  
62 furnished by the registrar or as specified in subdivision 3. The application shall be made to the  
63 appropriate registrar no later than 5:00 p.m. on the eleventh day prior to the election in which the  
64 applicant offers to vote.

65 3. The application of any covered voter, as defined in § 24.2-452, may be on a federal postcard  
66 application, as defined in § 24.2-452. The federal postcard application may be accepted the later of (i)  
67 12 months before an election or (ii) the day following any election held in the twelfth month prior to  
68 the election in which the applicant is applying to vote.

69 C. Applications for absentee ballots shall contain the following information:

70 1. The applicant's printed name and the last four digits of the applicant's social security number.  
71 ~~However, an applicant completing the application in person shall not be required to provide the last four~~  
72 ~~digits of his social security number;~~

73 2. A statement that he is registered in the county or city in which he offers to vote and his residence  
74 address in such county or city. Any person temporarily residing outside the United States shall provide  
75 the last date of residency at his Virginia residence address, if that residence is no longer available to  
76 him. Any covered voter, as defined in § 24.2-452, who is not a registered voter may file the applications  
77 to register and for a ballot simultaneously; and

78 3. The complete address to which the ballot is to be sent directly to the applicant, unless the  
79 application is made in person at a time when the printed ballots for the election are available and the  
80 applicant chooses to vote in person at the time of completing his application. The address given shall be  
81 (i) the address of the applicant on file in the registration records; (ii) the address at which he will be  
82 located while absent from his county or city; or (iii) the address at which he will be located while  
83 temporarily confined due to a disability or illness. No ballot shall be sent to, or in care of, any other  
84 person.

85 D. An application shall not be required for any registered voter appearing in person to cast an  
86 absentee ballot pursuant to § 24.2-701.1.

87 **§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.**

88 A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and  
89 address of each registered applicant on an absentee voter applicant list that shall be maintained in the  
90 office of the general registrar with a file of the applications received. The list shall be available for  
91 inspection and copying and the applications shall be available for inspection only by any registered voter  
92 during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall  
93 provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such  
94 list shall be used only for campaign and political purposes. Any list made available for inspection and  
95 copying under this section shall contain the post office box address in lieu of the residence street  
96 address for any individual who has furnished at the time of registration or subsequently, in addition to  
97 his street address, a post office box address pursuant to subsection B of § 24.2-418.

98 No list or application containing an individual's social security number, or any part thereof, or the  
99 individual's day and month of birth, shall be made available for inspection or copying by anyone. The  
100 Department of Elections shall prescribe procedures for general registrars to make the information in the  
101 lists and applications available in a manner that does not reveal social security numbers or parts thereof,  
102 or an individual's day and month of birth.

103 B. The completion and timely delivery of an application for an absentee ballot shall be construed to  
104 be an offer by the applicant to vote in the election.

105 The general registrar shall note on each application received whether the applicant is or is not a  
106 registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject  
107 the application of any individual because of an error or omission on any record or paper relating to the  
108 application, if such error or omission is not material in determining whether such individual is qualified  
109 to vote absentee. *The applicant's failure to include the last four digits of his social security number on*  
110 *the application shall be considered a material omission.*

111 C. If the application has been properly completed and signed and the applicant is a registered voter  
112 of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots  
113 for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other  
114 evidence of either first-class or expedited mailing or delivery from the United States Postal Service or  
115 other commercial delivery provider, or deliver to him in person in the office of the registrar, the  
116 following items and nothing else:

117 1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except  
118 in presence of a witness."

119 2. An envelope for resealing the marked ballot, on which envelope is printed the following:  
120 "Statement of Voter."

"I do hereby state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that my FULL NAME is \_\_\_\_\_ (last, first, middle); that I am now or have been at some time since last November's general election a legal resident of \_\_\_\_\_ (STATE YOUR LEGAL RESIDENCE IN VIRGINIA including the house number, street name or rural route address, city, zip code); that I received the enclosed ballot(s) upon application to the registrar of such county or city; that I opened the envelope marked 'ballot within' and marked the ballot(s) in the presence of the witness, without assistance or knowledge on the part of anyone as to the manner in which I marked it (or I am returning the form required to report how I was assisted); that I then sealed the ballot(s) in this envelope; and that I have not voted and will not vote in this election at any other time or place.

Signature of Voter \_\_\_\_\_

Date \_\_\_\_\_

Signature of witness \_\_\_\_\_ "

For elections held after January 1, 2004, instead of the envelope containing the above oath, an envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to voters who are qualified to vote absentee under that Act.

When this statement has been properly completed and signed by the registered voter and witnessed, his ballot shall not be subject to challenge pursuant to § 24.2-651.

3. An envelope, properly addressed and postage prepaid, for the return of the ballot to the general registrar by mail or by the applicant in person, or to a drop-off location.

4. Printed instructions for completing the ballot and statement on the envelope and returning the ballot. Such instructions shall include information on the sites of all drop-off locations in the county or city.

For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state, the printed instructions shall direct the voter to submit with his ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as a provisional ballot under the provisions of § 24.2-653.01. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to the voting rights and responsibilities for such citizens, or information provided by the registrar specific to the status of the voter registration and absentee ballot application of such voter, may be included.

The envelopes and instructions shall be in the form prescribed by the Department of Elections.

D. The general registrar may contract with a third party for the printing, assembly, and mailing of the items set forth in subsection C. The general registrar shall provide to the contractor in a timely manner the names, addresses, precincts, and ballot styles of voters requesting an absentee ballot by mail. The vendor shall provide to the general registrar a report of the voters to whom the absentee ballot materials have been sent.

E. If the applicant completes his application in person under § 24.2-701 at a time when the printed ballots for the election are available, he may request that the general registrar send to him by mail the items set forth in subdivisions C 1 through 4, instead of casting the ballot in person. Such request shall be made no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate or other evidence of mailing.

F. If the applicant is a covered voter, as defined in § 24.2-452, the general registrar, at the time when the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612 or deliver in person to the applicant in the office of the general registrar the items as set forth in subdivisions C 1 through 4 and, if necessary, an application for registration. A certificate or other evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic transmission, the general registrar, at the time when the printed ballots for the election are available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance

182 Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.  
183 G. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this  
184 section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole  
185 or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur,  
186 or (iii) the campaign committee or the appropriate district political party chairman of such candidate.  
187 Any person who fails to discharge his duty as provided in this section through willful neglect of duty  
188 and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of  
189 § 24.2-1001.
