In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to
time and may be sold and issued at the same time with other general obligation bonds and BANs,
respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a) (3), (b), and (c) of
the Constitution of Virginia, as separate issues or as a combined issue, designated "Commonwealth of

95 § 6. Sources for payment of expenses. All expenses incurred under this act shall be paid from the
96 proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were
97 authorized in § 2 hereof or from any other available funds as the Treasury Board shall determine.

98 § 7. Revenues. Each institution of higher learning named above is hereby authorized (i) to fix, revise, 99 charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and services 100 of each capital project mentioned above or the system of which such capital project is a part and (ii) to 101 pledge to the portion of the bonds or BANs issued for such capital project the net revenues resulting 102 from such rates, fees, and charges and remaining after payment of the expenses of operating the project 103 or system, as the case may be. Each such institution is further authorized to create debt service and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and other 104 reserves required by any agency of the United States of America purchasing the bonds or any portion 105 106 thereof.

107 § 8. Investments and contracts. A. Pending the application of the proceeds of the bonds or BANs 108 (including refunding bonds and BANs) to the purpose for which they have been authorized and the 109 application of funds set aside for the purpose to the payment of bonds or BANs, they may be invested by 110 the State Treasurer in securities that are legal investments under the laws of the Commonwealth for 111 public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from 112 the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal 113 of the bonds or any BANs and shall be used in the same manner as required for principal of the bonds 114 or BANs.

B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs, or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into

by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i) 121 122 agreement which secures bonds or BANs or (ii) investment, or contract providing for investment, 123 otherwise authorized by law. These contracts and arrangements may contain such payment, security, 124 default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due 125 consideration to the creditworthiness of the counterparty or other obligated party, including any rating 126 by any nationally recognized rating agency, and any other criteria as may be appropriate. The 127 determinations referred to in this subsection may be made by the Treasury Board or any public funds 128 manager with professional investment capabilities duly authorized by the Treasury Board to make such 129 determinations.

C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts
entered into pursuant to this section may be invested in accordance with subsection A and may be
pledged to and used to service any of the contracts or other arrangements entered into pursuant to
subsection B.

134 § 9. Security for bonds and BANs. The net revenues of the capital projects set forth above and the 135 full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the 136 principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of 137 the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of 138 which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby 139 irrevocably pledged for the payment of principal of and interest and any premium on the BANs or 140 bonds to be paid or redeemed thereby. In the event the net revenues pledged to the payment of the 141 bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if 142 any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been 143 pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct 144 payment therefor from the general fund revenues of the Commonwealth.

145 § 10. Exemption of interest from tax. The bonds and BANs issued under the provisions of this act, 146 their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times 147 be free and exempt from taxation by the Commonwealth and by any county, city, or town or other 148 political subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and 149 all actions and to covenant to such effect, and to require the participating institutions to do and to 150 covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order 151 that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on 152 bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal 153 income tax purposes.

154 § 11. Refunding bonds and BANs. The Treasury Board is authorized, by and with the consent of the 155 Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the 156 Commonwealth, to refund any or all of the bonds and BANs, respectively, issued under this act or 157 otherwise authorized pursuant to Article X, Section 9 (c), Constitution of Virginia. Refunding bonds and 158 BANs may be issued in a principal amount up to the amount necessary to pay at maturity or redeem the 159 bonds and BANs to be refunded and pay all issuance costs and other financing expenses of the 160 refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be refunded 161 are then subject to redemption.

\$ 12. Defeasance. Any bond or BAN for which cash or direct obligations of the United States of
America shall have been set aside in escrow with the State Treasurer or a bank or trust company,
within or without the Commonwealth, shall be deemed no longer outstanding under the applicable
authorizing instrument, this act, and Article X, Section 9 (c) or (b), as the case may be, of the
Constitution of Virginia.

\$ 13. Severability. The provisions of this act or the application thereof to any person or circumstance
which are held invalid shall not affect the validity of other provisions or applications of this act which
an be given effect without the invalid provisions or applications.

170 2. That an emergency exists and this act is in force from its passage.
