7. Fiscal Impact Estimates: None – see Item 8.

8. Fiscal Implications: The Virginia Workers' Compensation Commission expects the proposed legislation will not have a fiscal impact for the agency.

The Department of Human Resource Management's Office of Workers' Compensation expects the proposed legislation will not have a fiscal impact for its program or the workers' compensation unit at the Office of the Attorney General and Department of Law, which litigates the state's workers' compensation claims. The change in the statute of limitations is also unlikely to have a fiscal impact for state agencies in the workers' compensation program.

9. Specific Agency or Political Subdivisions Affected: All state agencies.

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is a companion to HB 1042-ER (Brewer).
