Senate Amendments in [] - January 27, 2023

A *BILL to amend and reenact § 51.1-155 of the Code of Virginia, relating to Virginia Retirement System; return to work.*

Patron Prior to Engrossment—Senator Lucas

Referred to Committee on Finance and Appropriations

Be it enacted by the General Assembly of Virginia:

1. That § 51.1-155 of the Code of Virginia is amended and reenacted as follows:

§ 51.1-155. Service retirement allowance.

A. Retirement allowance. — A member shall receive an annual retirement allowance, payable for life, as follows:

1. Normal retirement. — The allowance shall equal 1.70 percent of his average final compensation multiplied by the amount of his creditable service. Notwithstanding the foregoing, for a member who (i) is a person who becomes a member on or after July 1, 2010, or (ii) does not have at least 60 months of creditable service as of January 1, 2013, the allowance shall equal the sum of (a) 1.65 percent of his average final compensation multiplied by the amount of his creditable service performed or purchased on or after January 1, 2013, and (b) 1.70 percent of his average final compensation multiplied by the amount of all other creditable service.

2. Early retirement; applicable to teachers, state employees, and certain others. — The allowance shall be determined in the same manner as for normal retirement with creditable service and average final compensation being determined as of the date of actual retirement. If the member has less than 30 years of service at retirement, the amount of the retirement allowance shall be reduced on an actuarial equivalent basis for the period by which the actual retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date on which he would have completed a total of 30 years of creditable service. The provisions of this subdivision shall apply to teachers and state employees. These provisions shall also apply to employees of any political subdivision that participates in the retirement system if the political subdivision makes the election provided in subdivision 3.

3. Early retirement; applicable to employees of certain political subdivisions, any person who becomes a member on or after July 1, 2010, and any member who does not have at least 60 months of creditable service as of January 1, 2013. — The allowance shall be determined in the same manner as for normal retirement with creditable service and average final compensation being determined as of the date of actual retirement. If the creditable service of the member equals 30 or more years but the sum of his age at retirement plus his creditable service at retirement is less than 90, the amount of the retirement allowance shall be reduced on an actuarial equivalent basis for the period by which the actual retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date on which the sum of his then attained age plus his then creditable service would have been equal to 90 or more had he remained in service until such date. If the member has less than 30 years of creditable service, the retirement allowance shall be reduced for the period by which the actual retirement date precedes the earlier of (i) his normal retirement date or (ii) the first date on which he would have completed a total of at least 30 years of creditable service and his then creditable service plus his then attained age would have been equal to 90 or more.

The provisions of this subdivision shall apply to the employees of any political subdivision that participates in the retirement system and any other employees as provided by law. The participating political subdivision may, however, elect to provide its employees with the early retirement allowance set forth in subdivision 2. No such election shall be made for a person who becomes a member on or after July 1, 2010, or a member who does not have at least 60 months of creditable service as of January 1, 2013. Any election pursuant to this subdivision shall be set forth in a legally adopted resolution.

Notwithstanding the foregoing, a political subdivision by legally adopted resolution may declare to the Board that, for purposes of this subdivision, subdivisions B 1 and B 3 and subsection D of § 51.1-153, any person who meets the definition of "emergency medical services personnel" in § 32.1-111.1 or is employed as a firefighter or law-enforcement officer as those terms are defined in § 15.2-1512.2 (i) shall not be considered a person who becomes a member on or after July 1, 2010, and (ii) shall be deemed to have at least 60 months of creditable service as of January 1, 2013. Such resolution shall be irrevocable.

4. Additional allowance. — In addition to the allowance payable under subdivisions 1, 2, and 3, a

60 age at the time of retirement, of the excess of his accumulated contributions transferred from the
61 abolished system to the retirement system, including interest credited at the rate of two percent
62 compounded annually since the transfer to the date of retirement, over the annual amounts equal to four
63 percent of his annual creditable compensation at the date of abolishment for a period equal to his period
64 of membership in the abolished system.

65 5. 50/10 retirement. — The allowance shall be payable in a monthly stream of payments equal to the
66 greater of (i) the actuarial equivalent of the benefit the member would have received had he terminated
67 service and deferred retirement to age 55 or (ii) the actuarially calculated present value of the member's
68 accumulated contributions, including accrued interest.

69 B. Beneficiary serving in position covered by this title.

70 1. Except as provided in subdivisions 2, 3, and 4, if a beneficiary of a service retirement allowance
